Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged. If the restoration or repair is economically feasible and Lender's security is not lessened, if the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

11. Borrower Not Reclamed; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification of the due date of the jointly held and Borroowner's otherwise in writing, any application of proceeds to principal shall not extend or postpone the due date of the jointly held and Borrower's otherwise in writing, any application of proceeds to principal, whether or not abandoned by Borrower, or if, after notice by Lender to Borrower that the condominium offers to make an award or settle a claim for damages, Borroowner fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect a claim for damages, or unless Borrower otherwise in writing, any sums secured by this Security Instrument which or not the sums are then due.

12. Successors and Assigns Below; Joint and Several Liability; Co-signers. The covenants and agreements of this Security instrument shall apply to the jointly held and successors and assigns of Lender and Borrower, unless Borrower and Lender immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking is equal to or greater than the amount of the sums secured by this Security instrument in writing, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this instrument which or not the sums are then due.

13. Property is Abandoned by Borrower. If the Property is abandoned by Borrower, the amounts of the proceeds shall be applied to the Property before the taking, unless Borrower and Lender otherwise agree in writing, the amounts of the proceeds shall be applied to the Property before the taking is equal to or greater than the amount of the sums secured by this Security instrument in writing, the amounts of the proceeds shall be applied to the Property before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the amounts of the proceeds shall be applied to the Property before the taking.

14. Notice to Borrower. If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loans charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be avoided by the amount necessary to reduce the charge to the permitted limits; and (b) any sums already collected from Borrower which shall be avoided under the note by making a direct payment to Borrower. Lender may choose to make this reduced by reducing the principal owed under the note or by making a direct payment to Borrower. If a reduced reduces principal, the reduction will be treated as a partial repayment charge under the Note.

15. Governing Law; Severability. This Security instrument shall be governed by federal law, except that law of the jurisdiction in which the Property is located. In the event that any provision of clause of this Security instrument or the Note which conflicts with the governing law is declared invalid or unenforceable, the Note and of this Security instrument without the conflicting provision. To this end the provisions of this Security instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given an enforceable copy of this Note and of this Security instrument.

17. Transfer of the Property or Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower, its option, to transfer immediate payment in full of all sums secured by this Security instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this instrument, Lender may, at his option, require immediate payment in full of all sums secured by this Security instrument. Lender's prior written consent, however, is sold or transferred and Borrower is not a natural person) without sold or transferred (or if a beneficial interest in Borrower, its option, to transfer immediate payment in full of all sums secured by this Security instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is通知 by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Waiver of Homestead. Borrower waives all right to homestead exemption in the Property.

ADJUSTABLE RATE RIDER

(Six Months -- LIBOR Index)

THIS ADJUSTABLE RATE RIDER is made this 29th day of July, 1994, and is incorporated and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (*the "Security Instrument"*) of the same date given by the undersigned (*the "Borrower"*) to secure Borrower's Adjustable Rate Note (*the "Note"*) to Merrill Lynch Credit Corporation, a Delaware corporation (*the "Lender"*) of the same date and covering the property described in the Security Instrument and located at:

3016 Park Place Evanston, Illinois 60201

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.25%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the first day of February, 1995, and on that day every sixth (6th) month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The Index is the average of interbank offered rates for six-month United States dollar deposits in the London market based on quotations of major banks, as published in The Wall Street Journal "Money Rates" table. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two percentage points (2.00%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-sixteenth of one percentage point (0.0625%). Subject to the limit stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

(i) **Interest-Only Period.** The "interest-only period" is the period from the date of this Note through July 31, 2004. For the interest-only period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly payment that would be sufficient to pay the interest which accrues on the unpaid principal of my loan. The result of this calculation will be the new amount of my monthly payment.

(ii) **Amortization Period.** The "amortization period" is the period after the interest-only period. For the amortization period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

CONVERSION OPTIONS RIDER 7/29/94

This Conversion Options Rider is made this 29th day of July, 1994, and is incorporated and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note of same date (the "Note") to Merrill Lynch Credit Corporation, a Delaware corporation (the "Lender") and covering the property described in the Security Instrument and located at:

3016 Park Place Evanston, Illinois 60201

(Property Address)

THE NOTE CONTAINS PROVISIONS FOR AN OPTION TO CONVERT THE INTEREST RATE FROM AN ADJUSTABLE RATE TO A FIXED RATE AND AN OPTION TO CONVERT FROM THE CURRENT INDEX TO A NEW INDEX AND MARGIN.

Additional Covenants: In addition to the covenants and agreement made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. Conversion Options

Paragraph 1 of an Addendum to the Note ("Addendum") provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate and to convert from the existing Index to a new index and margin, subject to certain conditions. The provisions set forth in the Addendum are as follows:

1. CONVERSION OPTIONS

I have two Conversion Options that I can exercise unless I am in default or this Section 1 will not permit me to do so. The "Fixed Rate Conversion Option" is my option to convert the interest rate I am required to pay by this Note from an adjustable rate to the fixed rate calculated under Section 1(A)(1) below. The "Index Conversion Option" is my option to convert the Index and margin to a new index and margin in accordance with the terms of Section 1(B) below. I may not exercise the Index Conversion Option if I have exercised the Fixed Rate Conversion Option; however, I may exercise the Fixed Rate Conversion Option after I have exercised the Index Conversion Option subject to the conditions set forth below.

(A) Option to Convert to Fixed Rate

The conversion to a fixed rate can only take place during the period beginning on the first day of the month in which my twelfth (12th) scheduled monthly payment is due until and ending on the fifth day of the month that my sixtieth (60th) scheduled monthly payment is due. This period is called the "Fixed Rate Option Period". I can exercise the Fixed Rate Conversion Option by notifying the Lender of my election to do so only during the first 5 days of each month during the Fixed Rate Option Period. My new interest rate after the conversion will be effective on the first day of the month following my notification to the Lender that I am exercising the Fixed Rate Conversion Option. The date on which my adjustable interest rate converts to the new fixed rate is called the "Fixed Rate Conversion Date."

(1) Calculation of Fixed Rate

My new, fixed interest rate beginning on the Fixed Rate Conversion Date will be equal to the Fixed Rate Index, plus seven-eighths of one percentage point (0.875%), rounded to the nearest one-eighth of one percentage point (0.125%). The "Fixed Rate Index" is the Federal National Mortgage Association's required net yield for 30-year fixed rate mortgages subject to a 60-day mandatory delivery commitment as published in The Wall Street Journal "Money Rates" table. The Fixed Rate Index for any given month during the Fixed Rate Option Period will be the Fixed Rate Index published in The Wall Street Journal on the first day of that month or, if the Fixed Rate Index is not published on that date, the Fixed Rate Index published on the most recent date prior to the first day of such month. If the new interest rate cannot be determined because the Fixed Rate Index is no longer available, the Lender will determine my interest rate by using

If I did not pay Lender an origination fee at closing, the margins set forth above will be increased by an additional one-fourth of one percentage point (25%). For margin options 1 and 3, my interest rate calculated by adding the index and margin will be rounded to the nearest one-eighth of one percentage point and will be rounded to the nearest one-sixteenth of one percentage point for margin option 2.

Unpaid Principal	Margin	Margin	Margin	Margin
	Option 1	Option 2	Option 3	
Less than \$200,000	plus .5%	plus 2.25%	plus 2.75%	
\$200,000 - \$299,999	plus .25%	plus 2.00%	plus 2.625%	
\$300,000 - \$599,999	plus 0	plus 1.75%	plus 2.375%	
\$600,000 - \$999,999	minus .125%	plus 1.625%	plus 2.25%	
\$1,000,000 or more	minus .25%	plus 1.50%	plus 2.125%	

My new index used to calculate my interest rate will be either (i) for Margin Option 1, the highest prime rate published in *The Wall Street Journal* "Money Rates" table, (ii) for Margin Option 2, the average of interbank offered rates for six-month dollar deposits in the London market based on quotations of major banks as published in *The Wall Street Journal* "Money Rates" table, or (iii) for Margin Option 3, the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one (1) year, as made available by the Federal Reserve Board in publication H-15. My new index will be the most recent index available as of the date forty-five days prior to the applicable Change Date (the "Index Determination Date"). My margin to be added or subtracted, as the case may be, to the new index will depend on the margin option selected and the unpaid principal balance of the Note on the Index Determination Date, as follows:

The option to convert to New Index can only be exercised during the twenty-one (21) day interval beginning with the forty-fifth day immediately prior to my second Change Date and continuing until and including the twenty-one day interval occurring each six (6) month anniversary thereafter until and including the interval beginning forty-five (45) days before my tenth (10th) Change Date. This period is called the "Index Option Period". I may exercise the Index Conversion Option only one time during the Index Option Period. I may exercise the Index Conversion Option by notifying the Lender of my election to change indices no later than the twenty-fifth (25th) day prior to the next Change Date. My new index and margin after the conversion will be effective on the next Change Date. The "Index Conversion Date" is the next Change Date following my timely notification to the Lender that I am exercising the Index Conversion Option.

(B) Option to Convert to New Index

If I choose to exercise the Fixed Rate Conversion Option, the Lender will determine the amount of the monthly payment that would be sufficient to repay the unpaid principal I am expected to owe on the Fixed Rate Conversion Date (assuming I make the payment due on the Fixed Rate Conversion Date) in full on the Maturity Date at my new fixed interest rate in substantially equal payments consisting of principal and interest. The result of this calculation will be the new monthly payment. Beginning with my first monthly payment after the Fixed Rate Conversion Date, I will pay the new amount as my monthly payment until the Maturity Date.

(2) New Payment Amount and Effective Date

Comparative information. My new rate calculated under this Section 1(A)(1) may exceed any annual rate limitations set forth in Section 2 below and the Maximum Rate started in Section 4(D) of the Note but will not be greater than the maximum rate permitted by applicable law.

(C) Conditions to Exercising Conversion Options

If I want to exercise either of the Conversion Options, I must first meet certain conditions. Those conditions are that: (i) I must still be the owner and occupant of the property subject to the Security Instrument (as defined in the Note); (ii) I cannot have been late on any of the 12 scheduled monthly payments immediately preceding the date on which I give notice of my election to exercise a Conversion Option; (iii) I cannot have been more than 30 days late on any of my scheduled monthly payments; (iv) I must give the Lender notice that I want to exercise a Conversion Option and indicate which option; (v) I must not be in default under the Note or the Security Instrument; (vi) by a date no later than 15 days prior to the Fixed Rate Conversion Date or the Index Conversion Date (as applicable), I must pay the Lender a conversion fee of U.S. \$500 and I must sign and give the Lender any documents the Lender requires to effect the conversion.

By signing below, Borrower accepts and agrees to the terms and covenants contained in this Rider.
