THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

**1. Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**2. Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attach to this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) the yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. §2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentally, or jointly (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amount permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing and, in such case, Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attach to this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by or defends against enforcement of the lien in legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach to this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amount and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

8530355

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any foreclosure action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the periods that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

014300058

17. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred) and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument. Note are declared to be severable which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. Any provision or clause of this Security Instrument or the Note which conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument and the Note are declared to be severable.

14. **Notice.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make the refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

11. **Borrower Not Released; Disappearance By Lender Not a Waiver.** Extension of the time for payment or modification of a mortgagor of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection. 10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**19. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

**21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

**22. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

**23. Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

5. Further Terms, Covenants and Conditions. THIS ASSIGNMENT is made on the following terms, covenants and conditions:

5.1 Prior to Event of Default. So long as (i) no continuing Event of Default (as defined in the Reimbursement Agreement) exists and (ii) no default occurs hereunder which remains uncured for more than twenty (20) days after written notice of it is sent by Bank to Borrower, except that in the case of a default which cannot with due diligence be cured within such period of twenty (20) days, the time permitted Borrower within which to cure the same shall be extended for such period as may be necessary to cure the same with due diligence, provided Borrower commences within such twenty (20) days and proceeds diligently to cure the same but in any event not more than sixty (60) days (collectively a "Continuing Default"), Borrower shall have the right and license to manage

and operate the Property, to enforce the Leases and to collect at the time of, but not more than one (1) month prior to, the date provided for the payment thereof, all Rents arising under the leases or from the premises described therein and, subject to the provisions of the other Bank Credit Documents, to retain, use and enjoy the same.

5.2 During Continuing Default. At any time when a Continuing Default exists, Bank, without in any way waiving such default, may at its option, without notice to Borrower, and without regard to the adequacy of the security for the Obligations secured hereby and by the Mortgage revoke the right and license granted above to Borrower and:

(i) Authorize and direct the lessees named in any existing leases or any other or future lessees or occupants of the Property, upon receipt from Bank of written notice to the effect that Bank is then the holder of the Note and the Mortgage and that a Continuing Default exists thereunder, to pay over to Bank all Rents arising or accruing under the leases or from the Property and to continue to do so until otherwise notified in writing by Bank. Borrower agrees that every lessee and occupant shall have the right to rely upon any such statement and request by Bank, that lessee or occupant shall pay such Rents to Bank without any obligation or right to inquire as to whether such Continuing Default actually exists notwithstanding any notice from or claim of Borrower to the contrary and that Borrower shall have no right or claim against lessees or occupants for any such Rents so paid by lessees or occupants to Bank after such notice to the lessee or occupant by Bank. If such Continuing Default is cured to Bank's reasonable satisfaction, the Bank shall promptly notify any such parties of such cure and instruct such parties to resume paying all Rents to Borrower unless otherwise subsequently notified by Bank as provided in this Section 5.2;

(ii) Either in person or by agent, with or without bringing any action or proceedings, or by a receiver appointed by a court, take possession of the Property and have, hold, manage, lease and operate the same on such terms and for such period of time as Bank may deem proper and, either with or without taking possession of the Property in its own name, demand, sue for, or otherwise collect and receive, all rents, income and profits of the Property, including those past due and unpaid, with full power to make from time to time all renovations, repairs and replacements thereto or thereof as may be reasonably necessary; and

(iii) Apply such Rents to the payment of:

(a) all reasonable expenses of managing the Property including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees as Bank may deem necessary or desirable, and all expenses of operating and maintaining the Property, including, without being limited thereto, all taxes, charges, claims, assessments, water rents, sewer rents and other liens, and premiums for all insurance which Bank may deem necessary, the payment or refund of security deposits, or interest thereon, and the cost of all renovations, repairs or replacements, and all reasonably necessary expenses incident to taking and retaining possession of the Property; and

(b) all sums which Borrower is responsible to pay under the First Mortgage and the Reimbursement Agreement, and the principal sum, interest and indebtedness secured hereby and by the First Mortgage, and all other Obligations together with all reasonable costs and reasonable attorneys' fees, in such order of priority as to any of the items mentioned in this clause (iii), as Bank in its sole discretion may determine, any statute, law, custom, or use to the contrary notwithstanding. The exercise by Bank of the option granted it in this Section 5.2 and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver by Bank of any default under the other Bank Credit Documents, or the Lease, or this Assignment.

5.3 Continuing Effect. Upon payment in full to Bank of the principal sum, interest, indebtedness and other Obligations secured hereby and by the Mortgage, this Assignment shall become and be void and of no effect. The discharge of record of the Mortgage dated as of even date given by Borrower to Bank shall also constitute a discharge of this Assignment and a release of Bank's interest in the Lease and Rents assigned hereby and the reassignment thereof (without recourse to Bank) to Borrower and all those claiming of record by, through or under Borrower. Bank will execute and deliver to Borrower any and all further documents as Borrower may hereafter reasonably request for the purpose of effecting or evidencing the release referenced above, all at Borrower's cost.

5.4 No Waiver; Concurrent Rights. Nothing contained in this Assignment and no act done or omitted by Bank pursuant to the powers and rights granted it hereunder shall be deemed to be a waiver by Bank of its rights and remedies hereunder or any one or more of the other Bank Credit Documents, and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Bank under the terms of any of the other Bank Credit Documents. The right of Bank to collect said principal sums, interest and indebtedness and to enforce any other security therefor held by it may be exercised by Bank either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

5.5 No Liability. Bank shall not be liable for any loss sustained by Borrower resulting from Bank's failure to let the Property after a Continuing Default or from any other act or omission of Bank in managing the Property after a Continuing Default unless such loss is caused by the unlawful acts, gross negligence or willful misconduct of Bank. Bank shall not be obligated to perform or discharge, nor does Bank hereby undertake to perform or discharge, any obligation, duty or liability under the Leases, under any ground lease, or under or by reason of this Assignment (except as may be expressly provided in this Assignment), and, except with respect to any unlawful acts, gross negligence or willful misconduct of Bank, Borrower shall, and does hereby agree to, indemnify Bank for, and to defend and hold Bank harmless from, any and all liability, loss or damage which may or might be incurred under or by reason of this Assignment and from any and all claims and demands whatsoever which may be asserted against Bank by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the leases or any ground lease. Should Bank incur any such liability under the leases or under or by reason of this Assignment, or in defense of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorneys' fees shall be secured hereby and by the Fleet Mortgage and by the other collateral for the Obligations and Borrower shall reimburse Bank therefor within ten (10) days of receipt of a notice detailing the amounts to be reimbursed, and upon the failure of Borrower so to do, an Event of Default (as defined in the Reimbursement Agreement) shall exist. It is further understood that this Assignment shall not operate to place responsibility for the control, care, management or repair of said Property upon Bank, nor for the carrying out of any of the terms and conditions of the Leases or any ground lease; nor shall it operate to make Bank responsible or liable for any waste committed on the Property by tenants or any other parties, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep,

repair or control of said Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Notwithstanding the foregoing, Bank shall not be indemnified on account of, or exculpated from acts of, its own unlawful acts, gross negligence or willful misconduct.

5.6 Effect of Foreclosure Deed. Unless Bank otherwise elects in the instance of a Lease which is subordinate to the Mortgage and is thus terminated by the foreclosure, upon the issuance of any deed or deeds pursuant to a foreclosure of the Mortgage, all right, title and interest of Borrower in and to the Leases shall, by virtue of this instrument and such deed or deeds, thereupon vest in and become the absolute property of the grantee or grantees in such deed or deeds without any further act or assignment by Borrower. Borrower hereby irrevocably appoints Bank and its successors and assigns as its agent and attorney in fact to execute all instruments of assignment for further assurance in favor of such grantee or grantees in such deed or deeds as may be necessary or desirable for such purpose.

5.7 Upon Termination of Lease in Bankruptcy. In the event any lessee under any of the Leases should be the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned hereby, Borrower covenants and agrees that, if any of the Leases is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Bank, in each instance, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to Borrower and Bank. Borrower hereby assigns any such payment to Bank and further covenants and agrees that upon the request of Bank during the continuance of a Continuing Default, Borrower will duly endorse to the order of Bank any such check, the proceeds of which will be applied to the indebtedness secured by this Assignment. Borrower hereby irrevocably appoints Bank and its successors and assigns as its attorney-in-fact to so endorse any such checks if Borrower does not do so during the continuance of a Continuing Default.

5.8 Rights Contained in Fleet Mortgage. This Assignment is intended to be supplementary to, and not in substitution for, or in derogation of, any assignment of rents to secure the Obligations contained in the Fleet Mortgage or in any other Bank Credit Document. In the event of any conflict between this Assignment and any of the other Bank Credit Documents, Bank shall have the right from time to time to determine which provisions shall govern.
