8. The proceeds of any foreclosure sale of the premises shall be distributed and applied in the following order of priority: First, on account of all costs and expenses incidental to the foreclosure proceedings, including all such items as are mentioned in the preceding paragraph hereof; second, all other items which under the terms hereof constitute secured indebtedness additional to that evidenced by the Contract, with interest thereon as herein provided; third, all principal and interest remaining unpaid on the note; fourth, any surplus to Grantors, their heirs, legal representatives or assigns, as their rights may appear.

Such receiver shall have the power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further time, when Grantors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The Court from time to time may authorize the receiver to apply the net income in his hands in payments in whole or in part of: (1) The indebtedness secured hereby, or by any decree foreclosing this Trust Deed, or any tax, special assessment or other lien which may be or become a lien on the premises or of such decree, provided such application is made prior to foreclosure sale; (2) the deficiency in case of a sale and deficiency.

11. Trustee or Beneficiary shall have the right to inspect the premises at all reasonable times and access thereto shall be permitted for that purpose.
