the Property, or the restoration and repair of the Property. If Lender fails to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default hereunder. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor.

**Unexpired Insurance at Sale.** Any unexpired insurance shall move to the benefit of, and pass to, the purchaser of the Property covered by this Mortgage at any trustee's sale or other sale held under the provisions of this Mortgage, or at any foreclosure sale of such Property.

**Compliance with Existing Indebtedness.** During the period in which any Existing Indebtedness described below is in effect, compliance with the insurance provisions contained in the instrument evidencing such Existing Indebtedness shall constitute compliance with the insurance provisions under this Mortgage. In the event compliance with the terms of this Mortgage would constitute a duplication of insurance requirement, if any proceeds from the insurance become payable on loan, the provisions in this Mortgage for division of proceeds shall apply only to that portion of the proceeds not payable to the holder of the Existing Indebtedness.

**EXPENDITURES BY LENDER.** If Grantor fails to comply with any provision of this Mortgage, including any obligation to maintain Existing Indebtedness in good standing as required below, or if any action or proceeding is commenced that would materially affect Lender's interests in the Property, Lender on Grantor's behalf may, but shall not be required to, take any action that Lender deems appropriate. Any amount that Lender expends in so doing will bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of this default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

**WARRANTY; DEFENSE OF TITLE.** The following provisions relating to ownership of the Property are a part of this Mortgage.

**Title.** Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or title title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

**Defense of Title.** Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender under this Mortgage, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to time to permit such participation.

**Compliance With Laws.** Grantor warrants that the Property and Grantor's use of the Property comply with all existing applicable laws, ordinances, and regulations of governmental authorities.

**EXISTING INDEBTEDNESS.** The following provisions concerning existing indebtedness (the "Existing Indebtedness") are a part of this Mortgage.

**Existing Lien.** The lien of this Mortgage securing the Indebtedness may be secondary and inferior to the lien securing payment of an existing obligation with an account number of 4016054 to Hornege Bank described as: Mortgage loan dated April 10, 1990 and recorded on April 11, 1990 as document number 90 164234. The existing obligation has a current principal balance of approximately \$552,480.99 and is in the original principal amount of \$650,000.00. The obligation has the following payment terms: Monthly payments of \$0,550.07 plus tax escrow. Grantor expressly covenants and agrees to pay, or sue to the payment of, the Existing Indebtedness and to prevent any default on such indebtedness, any default under the instruments evidencing such indebtedness, or any default under any security documents for such indebtedness.

**Default.** If the payment of any installment of principal or any interest on the Existing Indebtedness is not made within the time required by the note evidencing such indebtedness, or should a default occur under the instrument securing such indebtedness and not be cured during any applicable grace period therein, then, at the option of Lender, the Indebtedness secured by this Mortgage shall become immediately due and payable, and this Mortgage shall be in default.

**No Modification.** Grantor shall not enter into any agreement with the holder of any mortgage, deed of trust, or other security agreement which has priority over this Mortgage by which that agreement is modified, amended, extended, or renewed without the prior written consent of Lender. Grantor shall neither request nor accept any future advances under any such security agreement without the prior written consent of Lender.

**CONDEMNATION.** The following provisions relating to condemnation of the Property are a part of this Mortgage.

**Application of Net Proceeds.** If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the Indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation.

**Proceedings.** If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments as may be requested by it from time to time to permit such participation.

**IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES.** The following provisions relating to governmental taxes, fees and charges are a part of this Mortgage:

**Current Taxes, Fees and Charges.** Upon request by Lender, Grantor shall execute such documents in addition to this Mortgage and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Grantor will reimburse Lender for all taxes, as described below, together with all expenses incurred in recording, perfecting or continuing this Mortgage, including without limitation all taxes, fees, documentary stamps, and other charges for recording or registering this Mortgage.

**Taxes.** The following shall constitute taxes to which this section applies: (a) a specific tax upon this type of Mortgage or upon all or any part of the Indebtedness secured by this Mortgage; (b) a specific tax on Borrower which Borrower is authorized or required to deduct from payments on the Indebtedness secured by this type of Mortgage; (c) a tax on this type of Mortgage chargeable against the Lender or the holder of the Note; and (d) a specific tax on all or any portion of the Indebtedness or on payments of principal and interest made by Borrower.

**Subsequent Taxes.** If any tax to which this section applies is enacted subsequent to the date of this Mortgage, this event shall have the same effect as an Event of Default (as defined below), and Lender may exercise any or all of its available remedies for an Event of Default as provided below unless Grantor either (a) pays the tax before it becomes delinquent, or (b) contests the tax as provided above in the Taxes and Liens section and deposits with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender.

**SECURITY AGREEMENT; FINANCING STATEMENTS.** The following provisions relating to this Mortgage as a security agreement are a part of this Mortgage.

**Security Agreement.** This instrument shall constitute a security agreement to the extent any of the Property constitutes fixtures or other personal property, and Lender shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

**Security Interest.** Upon request by Lender, Grantor shall execute financing statements and take whatever other action is requested by Lender to perfect and continue Lender's security interest in the Rents and Personal Property. In addition to recording this Mortgage in the real property records, Lender may, at any time and without further authorization from Grantor, file executed counterparts, copies or reproductions of this Mortgage as a financing statement. Grantor shall reimburse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall assemble the Personal Property in a manner and at a place reasonably convenient to Grantor and Lender and make it available to Lender within three (3) days after receipt of written demand from Lender.

**Addresses.** The mailing addresses of Grantor (debtor) and Lender (secured party), from which information concerning the security interest granted by this Mortgage may be obtained (such as required by the Uniform Commercial Code), are as stated on the first page of this Mortgage.

**FURTHER ASSURANCES; ATTORNEY-IN-FACT.** The following provisions relating to further assurances and attorney-in-fact are a part of this Mortgage.

**Further Assurances.** At any time, and from time to time, upon request of Lender, Grantor will make, execute and deliver, or will cause to be made, executed or delivered, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, refiled, or re-recorded, as the case may be, at such times and in such offices and places as Lender may deem appropriate, any and all such mortgages, deeds of trust, security deeds, security agreements, financing statements, continuation statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectuate, complete, perfect, continue, or
