**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the state in which the property is located. In the event that any provision of this Security Instrument or the Note is considered illegal under applicable law, such clause shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it to Borrower's principal place of business and address Borrower has furnished to Lender or by delivery to Lender at Lender's address set forth herein or by other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

[Under the Node](#)

13. **Loan charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed the permitted limit shall be repaid to the charge to the permitted limit and (c) any sums which exceed the permitted limit shall be treated as a partial prepayment without any repayment charge. Furthermore, if a refund reduces principal, the reduction will be treated as a partial prepayment without any repayment charge under this clause to reduce the principal owed under the Note or by making a direct payment to the Note holder.

12. Successors and Assigns: joint and several liability: co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note; (a) is co-signing this Security instrument only to mortgageable, general and conveyable sums of money held by Lender under this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forgive or make any accommodations with regard to the terms of this Security Instrument or the Note without the Borrower's consent.

by this Security Instrument, whether or not then due.

If the property is sold or disposed by the mortgagor, or if, under notice by the mortgagor that the condominium others to make an award or settle a claim for damages, the mortgagor fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, as its option, either to restoration or repair of the Property or to the sums secured

property intended by before the taking is less than the amount of the sums secured immediately before the taking, unless both parties agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the borrower and lender in whatever instrument whether or not the sums are due.

## ADJUSTABLE RATE RIDER TO MORTGAGE

THIS ADJUSTABLE RATE RIDER TO MORTGAGE is made this 31st day of AUGUST, 1994, and is incorporated into and shall be deemed to amend and supplement the mortgage of the same date ("Mortgage") given by the undersigned ("Borrower") to secure Borrower's Adjustable Rate Note ("Note") to The First National Bank of Chicago ("Lender") of the same date and covering the property described in the Mortgage and located at:

3622 SOUTH AUSTIN, CICERO, ILLINOIS 60650

(Property Address)

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT.

The Note provides for an initial interest rate of 6.100 % and a first Change Date of SEPTEMBER 1, 1995. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows:

### "4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) General.

The interest rate I pay will change based on movements of the Index (described in Section 4(C)) and rate change limitations (described in Section 4(E)).

#### (B) Change Dates.

The interest rate I pay may change on the first Change Date and every twelve months following the first Change Date. Each day on which my interest rate could change is called a "Change Date". Since interest is collected in arrears, the amount of my monthly payment may change on the first day of the month following each Change Date.

#### (C) The Index.

Beginning with the first Change Date, my interest rate will be based on an Index. Although the Index value on the first Change Date cannot be predicted, the Index value for the week of AUGUST 22, 1994 was 5.600 %.

The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year as of the date 45 days before each Change Date. The Index information is made available by the Federal Reserve Board and also published weekly in the Wall Street Journal. If the Index is no longer available, the Note Holder will choose a new index and will give me notice of this choice.

#### (D) Calculation of Changes.

Before each Change Date, the Note Holder will calculate my new interest rate by adding 2.75 percentage points to the Index. The Note Holder will then apply the limits in Section 4(E) and will round the result to the nearest .125%. The result will be my new interest rate until the next Change Date.

With each interest rate change, the Note Holder will determine the new amount of the monthly payment necessary to repay my loan in substantially equal payments by the maturity date. I will be notified of each change in my interest rate and loan payment in accordance with Section 4(G).

#### (E) Limits on Interest Rate Changes.

On any Change Date, the interest rate will not increase or decrease from the rate in effect by more than two (2) percentage points.

During the life of the loan, the interest rate will not increase or decrease from the initial rate set forth in Section 2 by more than 6.000 percentage points.

#### (F) Effective Date of Changes.

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment on the first monthly payment date after each Change Date until the amount of my monthly payment changes again.

#### (G) Notice of Changes.

The Note Holder will mail me a notice of any rate change at least 25 days but no more than 120 days before there is a change in my monthly payment. This notice will include all information required by law.

By signing this ADJUSTABLE RATE RIDER TO MORTGAGE, Borrower agrees to all the terms hereof.

## ADDENDUM TO ADJUSTABLE RATE RIDER (Fixed Rate Conversion Option)

THIS ADDENDUM TO ADJUSTABLE RATE RIDER is made this 31st day of AUGUST, 1994, and is incorporated into and shall be deemed to amend and supplement the Adjustable Rate Rider (the "Rider") to the Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note with Addendum to Adjustable Rate Note to The First National Bank of Chicago (the "Lender") and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

3622 SOUTH AUSTIN, CICERO, ILLINOIS 60650

(Property Address)

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument and the Rider, Borrower and Lender further covenant and agree as follows:

**A. FIXED INTEREST RATE OPTION**

The note provides for the Borrower's option to convert from an adjustable interest rate to a fixed interest rate, as follows:

**1. Option to Convert to Fixed Rate**

I have a Conversion Option which I can exercise unless I am in default of this Section A1 or Section A3 below will not permit me to do so. The "Conversion Option" is my option to convert the interest rate I am required to pay by the Note from an adjustable rate to a fixed rate.

The conversion can only take place (1) during the 13th through the 60th month, (2) on the first, second or third change date of the ARM loan. Each date on which my interest rate can convert from an adjustable rate to a fixed rate is called a "Conversion Date". I can convert my interest rate only on one of these Conversion Dates.

If I want to exercise the Conversion Option, I must first meet certain conditions. Those conditions are that: (a) I must give the Note Holder notice in writing that I am doing so and pay a non-refundable \$100 administrative fee by the 10th calendar day of the month before the next Conversion Date; (b) on the Conversion Date, I am not in default under the Note or the Security Instrument; (c) by the Conversion Date, the Note Holder has made an appraisal showing the loan amount will not be greater than 80% (90% with private mortgage insurance) of the appraised value; (d) I must sign and give the Note Holder at least 10 business days prior to the Conversion Date any documents the Note Holder requires to effect the conversion including additional financial information; (e) I must have a timely loan payment history; (f) I must continue to occupy the premises; and (g) meet then existing Fannie Mae underwriting guidelines.

**2. Calculation of Fixed Rate**

My new, fixed interest rate will be equal to the Federal National Mortgage Association's required net yield for 30-year, fixed rate mortgages covered by 60-day mandatory delivery commitments in effect on the day my written request for conversion is received, plus FIVE-EIGHTHS of one percent .625. If this required net yield is not available, the Note Holder alone will choose a new index and give me notice of this choice.

**3. Reduction of Principal Balance Before Conversion; Appraisal**

The unpaid principal I am expected to owe on the Conversion Date could be an amount greater than 80% of the appraisal report's stated value of the property securing my loan (or greater than 90% with private mortgage insurance). If so, I cannot exercise the Conversion Option unless I pay the Note Holder an amount sufficient to reduce my unpaid principal to an amount equal to 80% of the stated value of the property (or 90% with private mortgage insurance).

**4. Determination of New Payment Amount**

If I choose to exercise the Conversion Option, the Note Holder will determine the amount of the monthly principal and interest payment ("monthly payment") that would be sufficient to repay the unpaid principal I am expected to owe on the Conversion Date in full on the maturity date at my new fixed interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. Beginning with my first monthly payment after the Conversion Date, I will pay the new amount as my monthly payment until the maturity date. The maturity date of the Note shall not change because of the conversion to a fixed rate and nothing in this Addendum shall give the Borrower the right to increase the amount of the Note or to get additional funds or advances.

**B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER**

If Borrower exercises the Conversion Option under the Note as stated in Section A of this Addendum To Adjustable Rate Rider, the amendment to Uniform Covenant 17 of the Security Instrument contained in the Rider shall cease to be in effect, and the provisions of Uniform Covenant 17 of the Security Instrument shall instead be in effect, as follows:

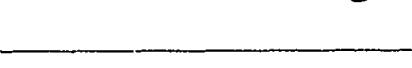

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Addendum to Adjustable Rate Rider.
