If this instrument is on a leasehold, Borrower (i) shall comply with the provisions of the ground lease, (ii) shall give immediate written notice to Lender of any default by lessor under the ground lease or of any notice received by Borrower from such lessor of any default under the ground lease by Borrower, (iii) shall exercise any option to renew or extend the ground lease and give written confirmation thereof to Lender within thirty days after such option becomes exercisable, (iv) shall give immediate written notice to Lender of the commencement of any remedial proceedings under the ground lease by any party thereto and, if required by Lender, shall permit Lender as Borrower's attorney-in-fact to control and act for Borrower in any such remedial proceedings, and (v) shall within thirty days after request by Lender obtain from the lessor under the ground lease and deliver to Lender the lessor's estoppel certificate required thereunder, if any. Borrower shall not surrender the leasehold estate and interests herein conveyed nor terminate or cancel the ground lease creating said estate and interests, and Borrower shall not, without the express written consent of Lender, alter or amend said ground lease. Borrower covenants and agrees that there shall not be a merger of the ground lease, or of the leasehold estate created thereby, with the fee estate covered by the ground lease by reason of said leasehold estate or said fee estate, or any part of either, coming into common ownership, unless Lender shall consent in writing to such merger. If Borrower shall acquire such fee estate, then this instrument shall simultaneously and without further action be spread so as to become a lien on such fee estate.

Borrower shall not initiate or negligence in a change in the zoning classification of the Property without Lender's prior written consent.

Any amounts disbursed by Lender pursuant to this paragraph 8, with interest thereon, shall become additional indebtedness of Borrower secured by this instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the rate stated in the Note, unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower, under applicable law. Borrower hereby covenants and agrees that Lender shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the indebtedness secured hereby. Nothing contained in this paragraph 8 shall require Lender to incur any expense or take any action hereunder.

**9. Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property.

**10. Books and Records.** Borrower shall keep and maintain at all times at Borrower's address stated below, or such other place as Lender may approve in writing, complete and accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property and copies of all written contracts, leases and other instruments which affect the Property, and shall include, but shall not be limited to, financial statements of the Borrower, operating and expense statements relating to the Mortgaged Premises, and up to date rental records for the Mortgaged Premises, if applicable. Such financial and operating statements shall contain correct entries in accordance with generally accepted accounting principles of all dealings and transactions relative to the Mortgaged Premises therein, and shall be certified at the expense of the Borrower in such a manner as shall be acceptable to the Lender. Such books, records, contracts, leases and other instruments shall be subject to examination and inspection at any reasonable time by Lender. Upon Lender's request, Borrower shall furnish to Lender, within one hundred and twenty days after the end of each fiscal year of Borrower, a balance sheet, a statement of income and expenses of the Property and a statement of changes in financial position, each in reasonable detail and certified by Borrower and, if Lender shall require, by an independent certified public accountant. Borrower shall furnish, together with the foregoing financial statements and at any other time upon Lender's request, a rent schedule for the Property, certified by Borrower, showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable and the rent paid. If the statements furnished shall not be prepared in accordance with generally acceptable accounting principles consistently applied, or if the Borrower fails to furnish same to the Lender when due, the Lender may audit or cause to be audited, the books of the Borrower and/or the Mortgaged Premises at the Borrower's expense, and the costs of such audit shall be an additional advance and indebtedness of the Borrower payable upon demand of the Lender, and shall bear interest at the rate provided in the Note until paid, or converted into cash, if required. In addition, should the Lender, in its sole discretion, be compelled to make any payment or expense in connection with the preparation of any statement or report required by this paragraph, it shall be entitled to recover such expenses and the Lender's attorney's fees.

**11. Consequential Damages.** It is agreed that damages arising from the breach of any term or condition of this instrument or any other agreement between the parties hereto, shall not exceed the amount of the principal sum due under this instrument plus interest thereon.

**17. Remedies Cumulative.** Each remedy provided in this Instrument is distinct and cumulative to all other rights or remedies under this Instrument or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

**18. Acceleration in Case of Borrower's Insolvency.** If Borrower shall voluntarily file a petition under the Federal Bankruptcy Act, as such Act may, from time to time be amended, or under any similar or successor Federal statute relating to bankruptcy, insolvency, arrangements or reorganizations, or under any state bankruptcy or insolvency act, or file an answer in an involuntary proceeding admitting insolvency or inability to pay debts, or if Borrower shall fail to obtain a vacation or stay of involuntary proceedings brought for the reorganization, dissolution or liquidation of Borrower, or if Borrower shall be adjudged a bankrupt, or if a trustee or receiver shall be appointed for Borrower or Borrower's property, or if the Property shall become subject to the jurisdiction of a Federal bankruptcy court or similar state court, or if Borrower shall make an assignment for the benefit of Borrower's creditors, or if there is an attachment, execution or other judicial seizure of any portion of Instrument, to be immediately due and payable without prior notice to Borrower, and Lender may invoke any remedy permitted by paragraph 27 of this Instrument. Any attorney's fees and other expenses incurred by Lender in connection with Borrower's bankruptcy or any of the other aforesaid events shall be additional indebtedness of Borrower secured by this instrument pursuant to paragraph 8 hereof.

**22. Uniform Multifamily Instrument; Governing Law; Severability.** This form of multifamily instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property and related fixtures and personal property. This instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision of this instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this instrument and the Note such can be given, effect without the conflicting provisions, and to this end the provisions of this instrument and the Note are declared to be severable. In the event that any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in this instrument or in the Note, whether considered separately or together with other charges levied in connection with this instrument and the Note, violates such law, and Borrower is entitled to the benefit of such law, such charge is hereby reduced to the extent necessary to eliminate such violation. The amounts, if any, previously paid to Lender in excess of the amount payable to Lender pursuant to such charges as reduced shall be applied by Lender to reduce the principal of the indebtedness evidenced by the Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all indebtedness which is secured by this instrument or evidenced by the Note and which constitutes interest, as well as all other charges levied in connection with such indebtedness which constitutes interest, shall be deemed to be allocated and spread over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest computed thereby is uniform throughout the stated term of the Note.

**23. Waiver of Statute of Limitations.** Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this instrument or to any action brought to enforce the Note or any other obligation secured by this instrument.

**24. Waiver of Marshalling.** Notwithstanding the existence of any other security interests in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Property shall be subjected to the remedies provided herein. Lender shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Borrower, any party who consents to this instrument and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice hereof, hereby waives any and all rights to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

28. **Emigration and Settlement Patterns of Immigrants**, different patterns of migration and settlement have been observed in all three of my communities. In the second place, many immigrants have settled in the coastal areas, particularly in the northern part of the state, where they have established farms and ranches. In the third place, many immigrants have settled in the southern part of the state, particularly in the eastern part, where they have established farms and ranches.

27. **Acceptable: Requirements: Requirements.** Upon further review it is my opinion that all of the requirements of the contract have been met.

Property upon which there is no title or interest in the land, or which is held by a person who has no right to it, is called a waste.
