2. To keep the buildings located on said real estate insured against loss from any and all hazards deemed necessary by the Mortgagor, for the benefit of the Mortgagor, and in such companies and amounts as shall be acceptable to the Mortgagor; each of said policies of insurance to have attached thereto a mortgage clause, as prescribed by said Mortgagor, making such insurance payable to said Mortgagor "as its interest may appear," and to continue to insure such property in such manner during the existence of said obligation; and pay all premium, taxes, special improvement assessments and other charges on said real estate before the same shall become delinquent, and any other expense caused by reason of this loan, and upon default of such payments the Mortgagor may pay the same and charge the amount thereof to the Mortgagors by adding the same to the unpaid principal of the debt secured hereby, and in the case of the foreclosure of the mortgage the Mortgagor may have the Abstract of Title brought down to date or provide itself with a Preliminary Title Insurance Certificate down to date covering the mortgaged premises and the cost thereof may be added to the cost of the foreclosure proceedings, and all such costs and charges so paid or advanced by the Mortgagor shall be a lien against such mortgaged property, and any such Abstract of Title or Title Guarantee Policy furnished in connection with the terms of this mortgage and all hazard insurance policies of said property shall become the absolute property of the said Mortgagor.

3. The Mortgagors further covenant and agree that the Mortgagor may, at any time and without the giving of any notice thereof to said Mortgagor, require said Mortgagors to pay to the Mortgagor, together with and in addition to the monthly installments of principal and interest as provided in the promissory note for which this mortgage is given to secure, on the 1st day of each month until the indebtedness evidenced hereunder is paid in full, a sum equal to the premium that will next become due and payable on policies of fire and other hazard insurance covering the above described real estate, plus taxes and special assessments next due on said real estate (all as estimated by the Mortgagor), less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such premium, taxes and special assessments will become delinquent, such sums to be held by the Mortgagor in trust to pay said premium, taxes and special assessments.

4. That if the total of the payments made by the Mortgagors under the preceding paragraph shall exceed the amount of payments actually made by the Mortgagor for premium, taxes and special assessments, as the case may be, such excess shall be credited by the Mortgagor on subsequent payments for such item to be made by the Mortgagor. If, however, the monthly payment made by the Mortgagors under the preceding paragraph shall not be sufficient to pay such premium, taxes and special assessments, as the case may be, when the same shall become due and payable, then the Mortgagors shall pay to Mortgagor any amount necessary to make up the deficiency on or before the date when payment of such premium, taxes or special assessments shall be due.

5. That should any default be made in the payment of principal or interest, or in the performance of any other covenant of this mortgage, securing the debt or any part thereof, when the same is payable, or the time of performance has arrived as above provided, then all the remainder of the aforesaid principal sum, with all arrearages of interest, taxes, special improvement assessments, governmental levies, insurance premiums, and sums paid pursuant to the provisions hereof shall at the option of the Mortgagor, its successors, and assigns, become immediately payable thereafter, without notice or demand; and should such arrearages as heretofore stated continue for a period of three months or more, this mortgage may be foreclosed, and upon foreclosure the court may appoint a receiver.

6. This mortgage also secures the payment of any additional loans and all notes evidencing the same made by the Mortgagor, at its option, to the Mortgagor, or to their successors in title to said mortgaged premises, in an amount not in excess of the sum of \$_____.00, provided that nothing herein contained shall be considered as limiting the amounts that shall be secured hereby when advanced to protect the security or in accordance with covenants contained in the mortgage.

7. The Mortgagors further agree to keep said premises in good condition and repair, without waste and free from any mechanics' or other lien or claim of lien not expressly subordinated to the lien hereof; that they will not make, suffer or permit any unlawful use of or any nuisance to exist on said property not to diminish nor impair its value by any act, or omission to act; that they will comply with all requirements of law with respect to mortgaged premises and the use thereof. Mortgagors further agree that should they abandon such property or upon foreclosure proceedings being instituted by any other lien holder, then in either of such events the entire indebtedness hereby secured, at the option of the Mortgagor, and without any notice of declaring of said option, shall at once become due and payable, and this mortgage at the option of the Mortgagor may be foreclosed; and the Mortgagor herein may take immediate possession and control of said premises.

8. That in the event the ownership of the mortgaged premises, or any part thereof, becomes vested in a person other than the Mortgagor, the Mortgagor, its successors and assigns may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to this mortgage and the debt hereby secured in the same manner as with the Mortgagor, without in any way vitiating or discharging the Mortgagor's liability hereunder, or upon the debt hereby secured, the Mortgagor at its option may extend the time for the payment of said indebtedness, or reduce the payments thereon, and any such extension or reduction shall not release the Mortgagor or their assigns, or affect the original liability of the Mortgagor herein either in whole or in part.

9. It is further agreed that if the Mortgagors herein desire to sell or dispose of the property herein described, they will, together with the purchaser, at the office of the Mortgagor, have this contract transferred, and the said purchaser shall assume the payments thereon as heretofore set out. Otherwise, the indebtedness secured by this Mortgage shall become immediately due and payable.

10. If the proceeds of the loan made by the Mortgagor to the Mortgagor, the repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by the Mortgagor, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior lien or encumbrance upon said premises, or any part thereof, then the Mortgagor shall be subrogated to any additional security held by the holder of such lien or such lien or encumbrance.

11. Any person, firm or corporation taking a junior mortgage, or other lien, upon said real estate, shall take the said lien subject to the rights of the Mortgagor herein to extend the maturity of the indebtedness hereby secured without obtaining the consent of the holder of said junior lien and without the lien of this mortgage losing its priority over any such junior lien.

12. That the Mortgagor may employ counsel for advice or other legal service in connection with any dispute as to the debt hereby secured or the lien of this Contract, or any litigation to which the Mortgagor may be made a party on account of this lien or which may affect the title to the property securing the indebtedness hereby secured or which may affect said debt or lien, and any reasonable attorney's fees so incurred shall be added to and be a part of the debt hereby secured. Any costs and expenses reasonably incurred in the foreclosure of this mortgage and sale of the property securing the same and in connection with any other dispute or litigation affecting said debt or lien, including reasonable estimated amounts to conclude the transactions, shall be added to and be a part of the debt hereby secured.

13. In case the mortgaged property, or any part thereof, shall be taken by condemnation, the Mortgagor is hereby empowered to collect and receive all compensation which may be paid for any property taken or for damages to any property not taken, and all condemnation compensations so received shall be forthwith applied by the Mortgagor as it may elect, to the immediate reduction of the indebtedness secured hereby, or to the repair and restoration of any property so damaged, provided that any excess over the amount of the indebtedness shall be delivered to the Mortgagor or their assigns.

to any property not taken, and all condemnation compensations so received shall be forthwith applied by the Mortgagor as it may elect, to the immediate reduction of the Indebtedness secured hereby, or to the repair and restoration of any property so damaged; provided that any excess over the amount of the Indebtedness shall be delivered to the Mortgagor or their assigns.

14. This mortgage is made subject to all regulations and by-laws of said Mortgagor (which are hereby ratified and made a part of this Contract) and all amendments that may be made thereto before the final payment of this Indebtedness. Notice of the exercise of any option granted to the Mortgagor herein, or in the note secured hereby, is not required to be given. All sums payable hereunder shall be without relief from valuation and apportionment laws and with attorney's fees.

15. That each right, power and remedy herein conferred upon the Mortgagor is cumulative of every other right or remedy of the Mortgagor, whether herein or by law conferred, and may be enforced concurrently therewith; that no waiver by the Mortgagor of performance of any covenant herein or in said obligation contained shall thereafter in any manner affect the right of Mortgagor to require or enforce performances of the same or any other of said covenants.

16. The covenants herein contained shall bind, and the benefits and advantages shall accrue to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, the use of any gender shall include all genders, and the term "Mortgagor" shall include any payee of the Indebtedness hereby secured or any transfer thereof whether by operation of the law or otherwise.

IN WITNESS WHEREOF, the Mortgagors have hereunto set their hands and seals this 13th
