BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.
1. Payment of Principal, Interest and Late Charge. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

4. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged Property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

5. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless the Secretary determines this requirement will cause undue hardship for Borrower, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall notify Lenders of any extenuating circumstances. Borrower shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the Property if the Property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned Property. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and fee title shall not be merged unless Lender agrees to the merger in writing.

6. Charges to Borrower and Protection of Lender's Rights in the Property. Borrower shall pay all governmental or municipal charges, fines and impositions that are not included in paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender's interest in the Property, upon Lender's request Borrower shall promptly furnish to Lender receipts evidencing these payments.

If Borrower fails to make these payments or the payments required by paragraph 2, or fails to perform any other covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for condemnation or to enforce laws or regulations), then Lender may do and pay whatever is necessary to protect the value of the Property and Lender's rights in the Property, including payment of taxes, hazard insurance and other items mentioned in paragraph 2.

Lender shall apply such proceeds to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order provided in paragraph 3, and then to prepayment of principal. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower: (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by this Security Instrument; (b) Lender shall be entitled to collect and receive all of the rents of the Property; and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent on Lender's written demand to the tenant.

ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this **23RD** day of **SEPTEMBER**, 1994, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed ("Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to **CARL I. BROWN AND COMPANY dba ABC MORTGAGE COMPANY OF ILLINOIS** (the "Lender") of the same date and covering the property described in the Security Instrument and located at: **3100 MARTIN AVENUE, LEYDEN TOWNSHIP, ILLINOIS 60164**

Property Address

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Date

The interest rate may change on the first day of **JANUARY 1**, 1996, and on that day of each succeeding year. "Change Date" means each date on which the interest rate could change.

(B) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. "Index" means the weekly average yield on United States Treasury Securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. "Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new index any index prescribed by the Secretary. As used in this Rider, "Secretary" means the Secretary of Housing and Urban Development or his or her designee. Lender will give Borrower notice of the new Index.

(C) Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of **TWO AND THREE FOURTHS** percentage point(s) (**2.750** %) to the Current Index and rounding the sum to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in paragraph (D) of this Rider, this rounded amount will be the new interest rate until the next Change Date.

(D) Limits on Interest Rate Changes

The interest rate will never increase or decrease by more than one percentage point (1.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and conditions contained in this Addendum.
Ride Rider.

A new monthly payment shall make a payment of (C) and (D) of this Rider will become effective
on the Change Date. Borrower shall make a payment to the new monthly beginning on the first payment
date which occurs at least 25 days after this Rider has given Borrower the notice of changes required by paragraph
(F) of this Rider. Borrower shall have no obligation to pay any increase in the monthly payment
calculated in accordance with paragraph (E) of this Rider for any payment date occurring less than 25 days after
this Rider has given the required notice. If the monthly payment amount calculated in accordance with paragraph (E)
of this Rider decreased, but Leader is led to give timely notice of the decrease and Borrower made any timely
payment exceeding the payment amount which should have been stated in a timely notice, then Borrower
has the option to either (i) demand the return to Borrower of any excess payment, with interest declared at the Note
rate equal to the interest rate which should have been stated in a timely notice, or (ii) require that the Note
be applied to the principal balance outstanding if the Note is otherwise assigned to another
excess payment, with interest declared at the Note rate, be applied as payment of principal. Leader's obligation to
return any excess payment if the Note is not assignable even if the Note is otherwise assigned before
the demand for return is made.

(G) Effective Date of Changes
In monthly payment amount, and (viii) any other information which may be required by law from time to time.

(F) Notice of Changes
Leader will give notice to Borrower of any change in the new monthly payment before the change
date of the note. The new monthly payment amount is due, and must set forth (i) the
date of the note, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly
payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change
in monthly payment amount, and (viii) any other information which may be required by law from time to time.

If the interest rate changes on a Change Date, Leader will calculate the amount of monthly payment
of the new interest rate through subsequent equal payments. In making such calculation, Leader will use the
principal and interest which would be necessary to repay the unpaid principal balance to principal. The result of this calculation will be the amount of
Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of
unpaid principal balance which would be owed on the Change Date if there had been no default in payment of the
Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of
the new interest rate through subsequent equal payments. In making such calculation, Leader will use the
principal and interest which would be necessary to repay the unpaid principal balance to principal. The result of this calculation will be the amount of
Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of
the new monthly payment of principal and interest.

(E) Calculation of Payment Change
If the interest rate changes on a Change Date, Leader will calculate the amount of monthly payment of
principal and interest which would be necessary to repay the unpaid principal balance to principal. The result of this calculation will be the amount of
Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of
the new interest rate through subsequent equal payments. In making such calculation, Leader will use the
principal and interest which would be necessary to repay the unpaid principal balance to principal. The result of this calculation will be the amount of
Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of
the new monthly payment of principal and interest.
