UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest, Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attach prior to the Security Instrument as a lien on the Property; (b) yearly household payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any other payments by Borrower to Lender, in accordance with the provisions of paragraph 3, in lieu of the payment of mortgage insurance premiums. These items are called "Borrower Items". Lender may, at any time, collect and hold Funds in an account due to access the maximum amount a lender for a federally related mortgage, may require for Borrower's mortgage account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lower amount. If no, Lender may, at any time, collect and hold Funds in an amount not to exceed the lower amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Borrower Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Reserve Bank. Lender shall apply the Funds to pay the Borrower Items. Lender may not charge Borrower for holding and applying the Funds, annually auditing the account, or verifying the Borrower Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender to conform with this law, unless applicable law provides otherwise. Unless an agreement in writing or applicable law requires Lender to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid to the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purposes for which each debit to the Funds was made. The Funds are pledged as additional security for all other security by this Security Instrument.

If the Funds held by Lender exceed the amount permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. No amount of the Funds held by Lender at any time is not sufficient to pay the Borrower Items when due. Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums covered by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 2, Lender shall require or call the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied first, to any prepayment charges due under the Note, second, to amounts payable under paragraph 2, third, to interest due, fourth, to principal due, and last, to any late charges due under the Note.

4. Charges, Liens. Borrower shall pay all taxes, assessments, charges, fines and penalties attributable to the Property which may attach prior to the Security Instrument and household payments or ground rents, if any. Borrower shall pay these obligations as the amounts provided in paragraph 2, or if not paid in that manner, Borrower shall pay, from time to time directly to the person owed payment. Borrower shall promptly furnish to Lender all evidence of amounts to be paid under this paragraph. If Borrower makes three payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over the Security Instrument unless Borrower, in writing, to the payment of the obligation secured by the Note as a matter attributable to Lender; (b) continue in good faith the lien by its defense against enforcement of the lien as, legal proceedings which is the Lender's option; or (c) prevent the enforcement of the lien, or (d) secure from the holder of the lien an agreement satisfactory to Lender, reestablishing the lien to the Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attach prior to the Security Instrument, Lender shall give Borrower a notice describing the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 30 days of the giving of notice.

5. Manner of Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, accidents included within the term "extended coverage" and any other interests, including those in the building, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the period for which Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and receipts shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to audit the policies and receipts. If Lender requires, Borrower shall promptly give to Lender all receipts of paid

If the insurance is not required to be maintained, the insurance proceeds shall be applied to the extent of repair of the Property damaged, if the insurance is required to be maintained. If the insurance is not required to be maintained, the insurance proceeds shall be applied to the extent of repair of the Property damaged, if the insurance is required to be maintained.

2. Protection of Lender's Rights in the Property If Borrower fails to perform the covenants and agreements contained in the Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, for instance, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do all or any of the following to protect the value of the Property and Lender's rights in the Property: Lender's actions may include, for example, appointing a trustee to manage the property over the Security Instrument, appointing an agent, paying reasonable attorney's fees, and recording a lien which has priority over the Security Instrument, appointing an agent, paying reasonable attorney's fees, and recording a lien on the Property. Lender agrees that although Lender may take action under the paragraph 1, Lender does not intend to exercise the right to foreclose on the Property. Lender agrees that the paragraph 1 shall become an additional deed of Borrower to the lender.

Any advance delivered by a lender under this paragraph 1 shall become a collateral debt in addition to the debt of the borrower. Unless otherwise agreed to in writing, the lender shall have no interest in the debt of the borrower. Unless otherwise agreed to in writing, the lender shall have no interest in the debt of the borrower. Unless otherwise agreed to in writing, the lender shall have no interest in the debt of the borrower.

d. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one month's premium of the mortgage insurance coverage required by Lender when the mortgage coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loan reserve in lieu of mortgage insurance. Loan reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage is the equivalent and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loan reserve, until the requirements for mortgage insurance cease in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

18. **Condemnation.** The proceeds of any award or claims for damages, deposit or condemnation, in connection with any condemnation or other taking of any part of the Property, or for emergency in lieu of condemnation, are hereby assigned and shall be paid to Lessee.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument whether or not then due, with any amount paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless otherwise agreed in writing, the sums secured by this

10. Rate of Hire; Change of Least Services. The Hire is a periodic payment to the Nitee (together with the Security Indemnities) only for the use of space within defined premises in the Nitee. A least may result in a change in the ability (known as the "Least Services") that applies in which pay, made due under the Nitee and the Security Indemnities. There may also be a change in the amount of the Least Services furnished in a rate of the Nitee. If there is a change in the Least Services, the amount will be given without notice of the change in accordance with paragraph 14 above and applicable law. The rate will also show the name and address of the new Least Services and the address to which payments should be made. The rate will also contain any other information required by applicable law.

10. Handcarved Substances. Handcarvers shall not cause or permit the presence, use, disposal, storage, or release of any Handcarved Substances as in or to the Property. Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, refined flammable or toxic petroleum products, fire retardant and herbicides, vitriolic solvents, materials containing asbestos or benzolene, and radioactive materials. 21. Acceleration. Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument, and not prior to acceleration under paragraph 17 unless applicable law prohibits otherwise. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default is to be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the loan secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-waiver of a defense or any other defense of Borrower to acceleration and foreclosure.
