VILLAGE OF NORTHBROOK

ELECTRONIC FENCE APPLICATION AND PERMIT

1225 CEDAR LANE, NORTHBROOK, ILLINOIS 60062, 708/272-5050

The purpose of this "permit" is to authorize installation of an electronic low-voltage fence system, part of which might be located within public right-of-way or utility easement on or adjacent to the property legally described below. This permit shall be considered an addendum to the fence permit and will become a permanent record of the property file maintained by the Village of Northbrook and shall be a covenant that runs with the land and shall be recorded against the land in the office of the Cook County Recorder of Deeds.

Authorization to place and maintain any portion of any electronic fence system within public right-of-way or Village of Northbrook utility easement is conditionally granted subject to acknowledgement, agreement and strict compliance with the following terms, conditions and understandings.

1. The property owner and installer acknowledge and agree that they are fully aware that any portion of an electronic fence system installed within the public right-of-way or utility easement is clearly at risk and that no assurances of its protection can be given by the Village.
2. The property owner understands, acknowledges and agrees that the Village of Northbrook assumes absolutely no responsibility for, or liability arising out of, the installation, care, operation, future maintenance or repair of any portion of the electronic fence system.
3. The property owner and installer understands and agrees that installation and existence of the electronic fence system within the public right-of-way or utility easement shall not, in any way, interfere with the right of the Village, its contractors or other utilities to excavate therein for repair, maintenance or installation of any public utility, street, sidewalk, cable television, or for any other necessary public purpose.
4. The property owner understands and agrees that the Village will not, under any circumstance, maintain, repair or replace any portion of said system which might be subsequently damaged or removed by any work, accident, maintenance activity or construction operation related to Item No. 3 above.
5. The property owner agrees to, and does hereby release, hold harmless and indemnify the Village of Northbrook, and all of its elected and appointed officials, officers, boards, commissions, employees, agents, representatives, engineers and attorneys, from any claims, lawsuits, judgments, demands, damages, liabilities, losses, executions, debts, fines, penalties and expenses, including administrative expenses and attorneys' fees (collectively "Claims"), that may arise, or be alleged to have arisen out of or in connection with the presence of the electronic fence system in Village of Northbrook right-of-way or utility easement, whether or not due or claimed to be due in whole or in part to the active or passive presence or operation of the electronic fence system. The property owner shall, and does hereby agree to pay all expenses, including attorneys' fees, court costs and administrative expenses incurred by the Village in defending itself with regard to any and all of the Claims mentioned in this paragraph.
