MORTGAGE, ASSIGNMENT OF RENTS & SECURITY AGREEMENT (CHATTEL MORTGAGE)

THIS MORTGAGE ("Security Instrument") is given on October 20, 1994, by MID TOWN BANK AND TRUST COMPANY OF CHICAGO, not personally, but as Trustee ("Trustee") under Trust Agreement dated December 11, 1986 and known as Trust No. 1466; and Jack P. Conti, a bachelor and Rudolph Johnson, Jr., a bachelor, ("Beneficiary" and collectively with Trustee herein referred to as "Mortgagor"). This Security Instrument is given to Mid Town Bank and Trust Company of Chicago, which is organized and existing under the laws of the State of Illinois, and whose address is 2021 North Clark Street, Chicago, Illinois 60614 ("Lender"). Mortgagor is justly indebted to Lender in the principal sum of One Hundred Seventy Thousand and 00/100 (\$170,000.00) Dollars, which indebtedness is evidenced by a certain note dated of even date herewith ("Note"), which Note provides for payments of the indebtedness as set forth below:

Interest

Borrower promises and agrees to pay to Lender interest on the unpaid principal balance evidenced by this Note at the following rate: two (2.0%) percentage points ("the margin") over the Prime Rate of interest per annum. For purposes of this Note the "Prime Rate" shall mean the prime rate of interest as announced by Lender from time to time. In the event Lender ceases to use the term "Prime Rate" in setting a base rate of interest for commercial loans, then the Prime Rate herein shall be determined by reference to the rate used by Lender as a base rate of interest for commercial loans as the same shall be designated by Lender to Borrower. Furthermore, Borrower acknowledges that the "Prime Rate" is a base reference rate of interest adopted by Lender as a general benchmark from which Lender determines the base rates chargeable on various loans to borrowers with varying degrees of creditworthiness, and Borrower acknowledges and agrees that Lender has made no representation whatsoever that the "Prime Rate" is the interest rate actually offered by Lender to borrowers of any particular creditworthiness.

The rate stated above is a special rate offered by Lender to Borrower on the strict condition that the Borrower maintain a checking account with Lender which will be automatically debited for payments due under the loan. If Borrower fails to maintain an account with a sufficient balance when needed to be debited automatically for each payment, when due, then, at Lender's option, the interest rate will increase one percent (1.0%) per annum, and such increase will be effective as of the first day of the month preceding the month in which a payment is not automatically debited.

If the initial Interest Rate is increased, the amount of each remaining Monthly Installment will be higher than the amount stated herein.

Interest shall be computed on the basis of a 365-day year and charged for the actual number of days elapsed.

Term

The Note shall be due and payable in full on the maturity date which shall be February 1, 1994 (the "Maturity Date").

Required Payments

Interest only on the outstanding principal balance from the date of this Note shall be due and payable monthly beginning 30 days from date of disbursement and on that day of each month thereafter until all of said principal plus any remaining accrued interest and late charges, if any, are repaid in full.

This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications; (b) the payment of all other sums, with interest, advanced under any paragraph herein to protect the security of this Security Instrument; and (c) the performance of Mortgagor's covenants and agreements under this Security Instrument and the Note and all other documents and agreements entered into in connection therewith (the "Loan Documents"). For this purpose, Mortgagor does hereby mortgage, grant and convey to Lender the following described property located in Cook County, Illinois:

At the option of the holders of the Note and without notice to Mortgagor, all unpaid indebtedness secured by this Security Instrument shall, notwithstanding anything on the Note or in this Security Instrument to the contrary, become due and payable:
 - a. within fifteen (15) days in the case of default in making payment of any installment of principal or interest on the Note, or
 - b. when default shall occur and continue for fifteen (15) days following the date of mailing of written notice of such default to Borrower in the performance of any other agreement of the Mortgagor herein contained, said option to be exercised at any time after the expiration of said fifteen day period, or
 - c. in the event Mortgagor or any other obligor default under any other document given by any of them to secure the obligations hereby secured or under the loan commitment of Lender and any and all revisions, modifications, and extensions thereto (the "Loan Commitment"), the provisions of which are incorporated herein by reference (the foregoing events are herein referred to as "Default").
2. Notwithstanding anything in the Note or Security Instrument to the contrary, the death of Mortgagor and/or all guarantors of the indebtedness herein mentioned shall be a default in the performance of an agreement of the Mortgagor hereunder and the holder of the Note shall be entitled to all rights and remedies given in the Security Instrument in the event of default in the performance of any agreement of the Mortgagor contained therein.
3. In the event that the holder of the Note shall, in good faith, deem itself insecure, the holder of the Note shall have the right to declare the loan evidenced by the Note to be in default and to accelerate the installments of principal and/or interest due hereunder.

F. Foreclosure

1. When indebtedness hereby secured shall become due whether by acceleration or otherwise, holders of the Note shall have the right to foreclose the lien hereof in accordance with the Illinois Mortgage Foreclosure Act, 735 ILCS 5/15-1101, et seq. (the "Act"). In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Lender, its successor or assigns for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs (which may be estimated as to items to be expended after entry of the decree) procuring all such abstracts of title, title searches and examinations, title insurance policies, Torrens certificates, and similar data and assurances with respect to title as Lender, its successor or assigns may deem to be reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Premises. All expenditures and expenses of the nature in this paragraph mentioned shall become so much additional indebtedness secured hereby and immediately due and payable, with interest thereon at a rate equivalent to the post maturity rate set forth in the Note secured by this Security Instrument, if any, otherwise the prematurity rate set forth therein, when paid or incurred by Lender, its successor or assigns in connection with:
 - a. any proceeding, including probate and bankruptcy proceedings, to which any of them shall be a party, either as plaintiff, claimant or defendant, by reason of this Security Instrument or any indebtedness hereby secured; or

security for the loan. It is recognized that Lender is entitled to keep its own portfolio at current interest rates by either taking no action at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagor and/or its beneficiary (if applicable). Mortgagor and/or its beneficiary (if applicable) further recognize that any secondary or junior financing placed upon the Premises, or the beneficial interest of beneficiary in Mortgagor:

- a. may divert funds which would otherwise be used to pay the Note secured hereby;
- b. could result in acceleration and foreclosure by any such junior encumbrancer which would force Lender to take measures and incur expenses to protect its security;
- c. would detract from the value of the Premises should Lender come into possession thereof with the intention of selling same; and
- d. impair Lender's right to accept a deed in lieu of foreclosure, as a foreclosure by Lender would be necessary to clear the title of the Premises.

2. In accordance with the foregoing and for the purposes of:

- a. protecting Lender's security, both of repayment of the indebtedness and of value of the Premises;
- b. giving Lender the full benefit of its bargain and contract with Mortgagor and/or beneficiary (if applicable) and Mortgagor;
- c. allowing Lender to raise the interest rate and/or collect assumption fees; and
- d. keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if applicable) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:
 - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
 - (2) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of the Mortgagor (if a corporation) or the corporation which is the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor, or of any corporation directly or indirectly controlling such beneficiary corporation;
 - (3) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any general partnership interest of the limited partnership or general partnership (herein called the "Partnership") which is the Mortgagor or the beneficiary or one of the beneficiaries under the trust agreement with the Mortgagor;
 - (4) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of any corporation directly or indirectly controlling such Partnership.

Any consent by the Lender, or any waiver of an event of default, under this Paragraph shall not constitute a consent to, or waiver of any right, remedy or power of Lender upon a subsequent event of default under this Paragraph.

L. Assignment of Rents

1. To further secure the indebtedness secured hereby, Mortgagor does hereby will, assign and transfer unto the Lender all the rents, issues and profits now due and which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of the Premises or any part hereof, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by the Lender under the powers herein granted, it being the intention hereby to establish an absolute transfer and assignment of all of such leases and agreements, and all the avails thereunder, unto the Lender, and Mortgagor does hereby appoint irrevocably the Lender its true and lawful attorney in its name and stead (with or without taking possession of the Premises) to rent, lease or let all or any portion of the Premises to any part or parties at such rental and upon such terms as said Lender shall, in its discretion, determine, and to collect all of said avails, rents, issues and profits arising from or accruing at any time hereafter, existing on the Premises, with the same rights and powers and subject to the same immunities, exoneration of liability and rights of recourse and indemnity as the Lender would have upon taking possession of the Premises.
2. The Mortgagor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than two installments in advance, and that the payment of none of the rents to accrue for any portion of the Premises has been or will be waived, released, reduced, discounted, or otherwise discharged or compromised by the Mortgagor. The Mortgagor waives any rights or set off against any person in possession of any portion of the Premises. Mortgagor agrees that it will not assign any of the rents or profits of the Premises, except to a purchaser or grantees of the Premises.
3. Nothing herein contained shall be construed as constituting the Lender as a mortgagee in possession in the absence of taking of actual possession of the Premises by the Lender. In the exercise of the powers herein granted the Lender, no liability shall be asserted or enforced against the Lender, all such liability being expressly waived and released by Lender.
4. The Mortgagor further agrees to assign and transfer to the Lender all future leases regarding all or any part of the Premises hereinbefore described and to execute and deliver, at the request of the Lender, all such further assurances and assignments in the Premises as the Lender shall from time to time require.
5. Although it is the intention of the parties that the assignment contained in this Section L shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that so long as Mortgagor is not in default hereunder or under the Note, it shall have the privilege of collecting and retaining the rents accruing under the leases assigned hereby, until such time as Lender shall elect to collect such rents pursuant to the terms and provisions of this Security Instrument.

the indebtedness of any part hereof, whether or not such persons shall have executed the Note or this Security Instrument. The word "Note" when used in this instrument shall be construed to mean "Notes" when more than one note is used.

4. Mortgagor and Lender acknowledge and agree that in no event shall Lender be deemed to be a partner or joint venturer with Mortgagor or any beneficiary of Mortgagor. Without limitation of the foregoing, Lender shall not be deemed to be such a partner or joint venturer on account of its becoming a mortgagee in possession or exercising any rights pursuant to this Security Instrument or pursuant to any other instrument or document evidencing or securing any of the indebtedness secured hereby, or otherwise.

5. Future Advances. This Security Instrument is given to secure a non-revolving credit loan and shall secure not only the existing indebtedness, but also such future advances, whether such advances are obligatory or to be made at the option of the Lender, or otherwise, as are made within twenty years from the date hereof, to the same extent as if such future advances were made on the date of execution of this Security Instrument, although there may be no advance made at the time of execution of this Security Instrument, and although there may be no indebtedness outstanding at the time any advance is made. The total amount of indebtedness that is secured hereby may increase or decrease from time to time, but the total unpaid balance so secured at any one time shall not exceed a maximum principal amount of the Note, plus interest thereof, and any disbursements made for the payment of taxes, special assessments, or insurance on the Premises, with interest on such disbursements (all such indebtedness being hereinafter referred to as the "maximum amount secured hereby"). This Security Instrument is intended to and shall be valid and have priority over all subsequent liens and encumbrances, including statutory liens, excepting from solely taxes and assessments levied on the Premises, to the extent of the maximum amount secured hereby.

6. Business Loan. The proceeds of the loan secured by this Security Instrument will be used for the purpose specified in 815 ILCS 205-4(1)(c) of the Illinois Revised Statutes; the loan secured hereby constitutes a business loan within the meaning of said Section and that, accordingly, the loan secured hereby is exempt from the Illinois usury requirements.

7. Security Agreement.

1. This Security Instrument shall be deemed a Security Agreement as defined in the Illinois Commercial Code. This Security Instrument creates a security interest in favor of Lender in all property including all personal property, fixtures and goods affecting property either referred to or described herein or in anyway connected with the use or enjoyment of the Premises. The remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall be:

- as prescribed herein, or
 - by general law, or
 - as to such part of the security which is also reflected in any Financing Statement filed to perfect the security interest herein created, by the specific statutory consequences now or hereinafter enacted and specified in the Illinois Commercial Code, all at Lender's sole election. Mortgagor and Lender agree that the filing of such a Financing Statement in the records normally having to do with personal property shall never be construed as in anyway derogating from or impairing this declaration and the hereby stated intention of the parties hereto, that everything used in connection with the production of income from the Premises and/or adapted for use therein and/or which is described or reflected in this Security Instrument is, and at all times and for all purposes and in all proceedings both legal or equitable shall be, regarded as part of the real estate irrespective of whether
- (1) any such items is physically attached to the improvements,
 - (2) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a record contained herein or in any list filed with the Lender, or
 - (3) any such item is referred to or reflected in any such Financing Statement of
 - (a) the right in or the proceeds of any fire and/or hazard insurance policy, or
 - (b) any award in eminent domain proceedings for a taking or for loss of value, or
 - (c) the debtor's interest as lessor in any present or future lease or rights to income growing out of the use and/or occupancy of the property mortgaged hereby, whether pursuant to lease or otherwise, shall never be construed as in anyway altering any of the rights of Lender as determined by this instrument or impugning the priority of the Lender's lien granted or by any other recorded document, but such mention in the Financing Statement is declared to be for the protection of the Security Instrument in the event any court or judge shall at any time hold with respect to (a), (b) and (c) that notice of Lender's priority of interest to be effective against a particular class of persons, including, but not limited to, the Federal Government and any subdivisions or entity of the Federal Government, must be filed in the Commercial Code records.

2. Notwithstanding the aforesaid, the Mortgagor covenants and agrees that so long as any balance remains unpaid on the Note, it will execute (or cause to be executed) and deliver to Lender, such renewal certificates, affidavits, extension statements or other documentation in proper form so as to keep perfected the lien created by any Security Agreement and Financing Statement given to Lender by Mortgagor, and to keep and maintain the same in full force and effect until the entire principal indebtedness and all interest to accrue thereunder has been paid in full.

8. Construction. This Security Instrument secures:

1. all obligations incurred for the construction of certain improvements on the Premises mortgaged herein, including the acquisition cost of the land, and constitutes a "construction mortgage" within the meaning of Section 9-313(c) of the Illinois Uniform Commercial Code; and
2. all funds advanced pursuant to the Loan Commitment (which advances shall constitute part of the indebtedness secured hereby, whether more or less than the principal amount stated in the Note) and the due and punctual performance, observance and payment by Mortgagor of all the terms, conditions, provisions and agreements provided in the Loan Commitment to be performed, observed or paid by Mortgagor.
