The interest rate I will pay may change on the first day of November, 1995 , and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, m, adjustable interest rate will be based on an index. The "Index" is the weekly average yield on United States Treasury accurities adjusted to a constant maturity of 1 year, as made available by the Federa! Reserve Board. (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding. Two and Three Quarters—percentage points (2.750 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest race until the next Change Date.

The Note Holder will then determine the amount of the monthly revient that would be sufficient to repay the unpaid principal that I am expected to one at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

. (D) Limits on interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 8.125 % or less than 4.125 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 12.125 %.

(E) Effective Date of Changes

My new interest rate will become effective each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change.
