Grantor presently assigns to Lender all of Grantor's right, title, and interest in and to all leases of the Property and all Rents from the Property. In addition, Grantor grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents.

DEFINITIONS: The following words shall have the following meanings when used in this Mortgage. The interest rate under the Credit Agreement is a variable interest rate based upon an Index. The Index currently is 7.750% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 0.500 percentage points above the Index, subject however to the following maximum ***. Under no circumstances shall the interest rate be more than the lesser of 18.000% per annum or the maximum rate allowed by applicable law.

The revolving line of credit obligates Lender to make advances to Grantor so long as Grantor complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate of sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. This Mortgage also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Mortgage.

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.
