#### **(iii) Calculation of Payment Charge**

If the interest rate changes on a Change Date, Lender will calculate the amount of monthly payment of principal and interest which would be necessary to repay the unpaid principal balance in full at the maturity date at the new interest rate through substantially equal payments. In making such calculations, Lender will use the unpaid principal balance which would be owed on the Change Date if there had been no default in payment on the Note, reduced by the amount of any prepayments to principal. The result of this calculation will be the amount of the new monthly payment of principal and interest.

10.1 Motives of Change

Lender will give Notice to Borrower of any change in the interest rate and monthly payment amount. The Notice must be given at least 29 days before the new monthly payment amount is due, and cannot start (i) the due date for the loan, (ii) the Change Date, (iii) the old interest rate, (iv) the new interest rate, (v) the new monthly payment amount, (vi) the Current Index and the date it was published, (vii) the method of calculating the change in monthly payment amount and (viii) any other information which may be required by law from time to time.

### **(G) Effective Date of Change**

A new interest rate calculated in accordance with paragraphs (C) and (D) of this Rule will become effective on the Change Date. Borrower shall make a payment in the new monthly amount beginning on the first payment date which occurs at least 30 days after Lender has given Borrower the notice of change required by paragraph (B) of this Rule. Borrower shall have no obligation to pay any amounts on the monthly payment amount calculated in accordance with paragraph (E) of this Rule for any payment due intervening less than 30 days after Lender has given the required notice. If the monthly payment amount calculated in accordance with paragraph (E) of this Rule decreased, but Lender failed to give timely notice of the decrease and Borrower made any monthly payment amounts exceeding the payment amount which should have been stated in a timely notice, then Borrower has the option to either (i) demand the return to Borrower of any excess payment, with interest thereon at the Note rate (a rate equal to the interest rate which should have been stated in a timely notice), or (ii) request that any excess payment, with interest thereon at the Note rate, be applied as payment of principal. Lender's ability to return any excess payment with interest can only occur if it is payable even if the Note is otherwise unpayable before the demand for payment is made.

BY SIGNING BELOW, I acknowledge and agree to the terms and conditions contained in this  
Adjustable Rate Note.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtelements, rents, royalties, mineral, oil and gas rights and profits, water rights and stock and all fixtures, now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property".

**BORROWER COVENANTS** that Borrower is lawfully owner of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except the encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

**1. Payment of Principal, Interest and Late Charge.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note.

**2. Monthly Payments of Taxes, Insurance and Other Charges.** Borrower shall include in each monthly payment, together with the principal and interest as set forth in the Note and any late charges, an installment of any (a) taxes and special assessments required to be levied against the Property, the household payments or ground rents on the Property, and (b) premiums for insurance required by paragraph 4.

Each monthly installment by items (a), (b), and (c) shall equal one-twelfth of the annual amounts, or reasonably estimated by Lender, plus an amount sufficient to maintain an additional balance of no more than one-twelfth of the estimated amounts. The full annual amount for each item shall be recalculated by Lender within a period ending one month before an item will become delinquent. Lender shall hold the amount collected in trust to pay items (a), (b), and (c) before they become delinquent.

If at any time the total of the payments held by Lender for Items (a), (b), and (c), together with the future monthly payments for such items payable to Lender prior to the due dates of such items, exceeds by more than one-twelfth the estimated amount of payments required to pay such items when due, and if payments on the Note are current, then Lender shall either refund the excess or one-twelfth of the estimated payments or credit the excess over one-twelfth of the estimated payments to subsequent payments by Borrower, at the option of the lender. If the total of the payments made by Borrower for items (a), (b), or (c) is insufficient to pay the items when due, then Borrower shall pay to Lender any amount necessary to make up the deficiency, due before the date the item becomes due.

As used in this Security Instrument, "Secretary" means the Secretary of Housing and Urban Development or his/her designee. In any year in which the Lender must pay a mortgage insurance premium to the Secretary for any year in which such premium would be born required if the Lender still held the Security Instrument, each monthly payment shall also include either (i) an installment of the annual mortgage insurance premium to be paid by Lender to the Secretary, or (ii) a monthly charge instead of a mortgage insurance premium if this Security Instrument is held by the Secretary. Each monthly installment of the mortgage insurance premium shall be in an amount sufficient to accumulate an annual mortgage insurance premium with Lender one-twelfth prior to the date the full annual mortgage insurance premium is due to the Secretary, or if this Security Instrument is held by the Secretary, each monthly charge shall be in an amount equal to one-twelfth of one-half percent of the outstanding principal balance due on the Note.

**3. Borrower tenders to Lender the full payment of all sums secured by this Security Instrument. The amounts tendered are credited with the balance remaining for all installments for items (a), (b), and (c) and any mortgage insurance premium. Lender shall have the right to accept or reject any tender made by Borrower. Immediately prior to a forced sale of the Property or its acquisition by Lender, the amount tendered shall be credited with any balance remaining for all installments for items (a), (b), and (c).**

**4. Application of Payments.** All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium.

Second, to any taxes, special assessments, household payments or ground rents, and fees, fines and other rental insurance premiums, as required.

Third, to interest due under the Note.

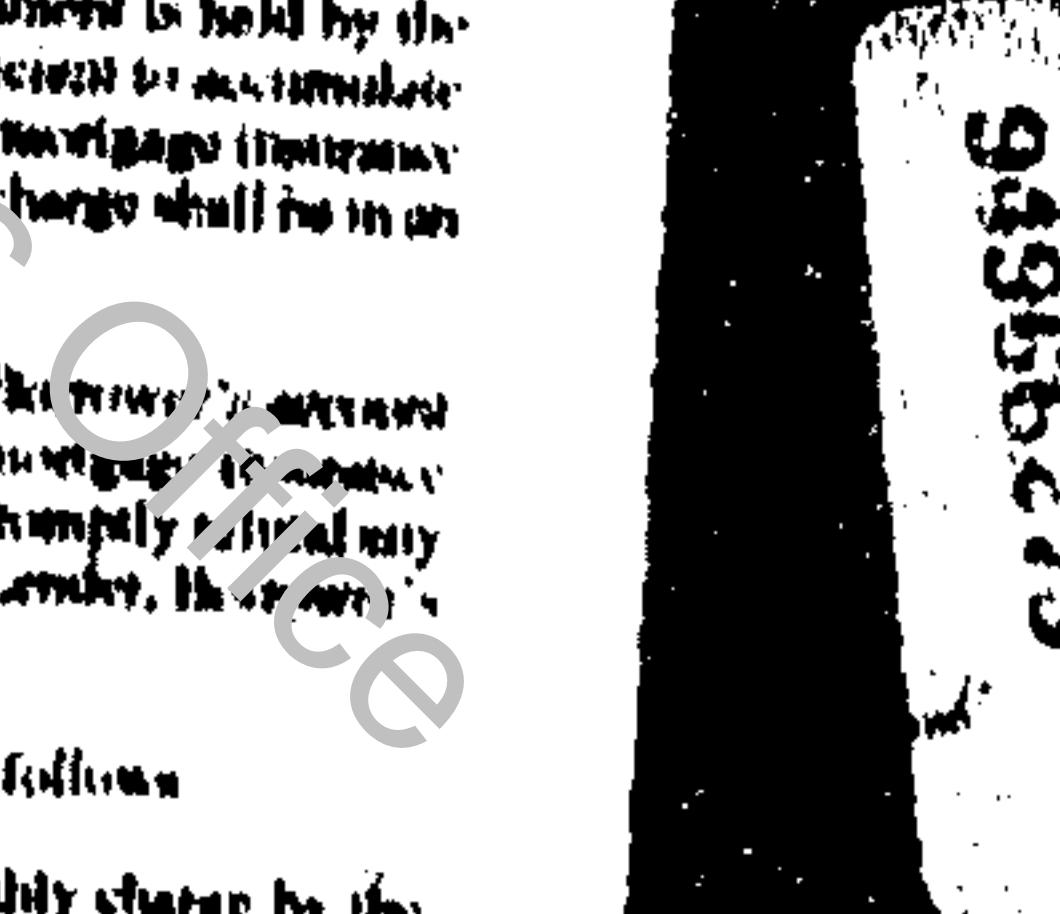

Fourth, to amortization of the principal of the Note.

Fifth, to late charges due under the Note.

**NOT TO EXCEED** the exculpation payments, which are referred to in paragraph 2, in excess of the amount of such payments. Any excess proceeds in excess of the amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

**5. Fees, Landholders may collect fees and charges as they give by the Secretary**

#### **9. Grounds for Acceleration of Debt.**

- (e) Default. Lender may, except as limited by regulations issued by the Secretary in the case of payment defaults, require immediate payment in full of all sums secured by this Security Instrument if:

  - (i) Borrower defaults by failing to pay in full any monthly payment required by this Security Instrument prior to the due date of the next monthly payment; or
  - (ii) Borrower defaults by failing, for a period of thirty days, to perform any other obligation contained in this Security Instrument.

(f) Sale Without Credit Approval. Lender shall, if permitted by applicable law and with the prior approval of the Secretary, require immediate payment in full of all sums secured by this Security Instrument if:

  - (i) All or part of the Property, or a beneficial interest in a trust owning all or part of the Property, is sold or otherwise transferred (other than by devise or descent) by the Borrower; and
  - (ii) The Property is purchased by the purchaser or granted as his or her principal residence, or the purchaser or grantee does not occupy the Property but his or her credit has not been approved in accordance with the requirements of the Secretary.

(g) No Waiver. It is understood that such events that would permit Lender to require immediate payment in full, but Lender does not require such payment in full, does not waive its rights with respect to subsequent events.

(h) Regulations of HUD Secretary. In any circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclose if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.

(i) Mortgage Not Insured. Borrower agrees that the Note this Security Instrument and the Note secured thereby is not eligible for insurance under the National Housing Act within 10 days from the date hereof. Lender may, at its option and notwithstanding anything in paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 10 days from the date hereof declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such non-eligibility. Notwithstanding the foregoing, this option may not be exercised by Lender where the non-availability of insurance is solely due to Lender's failure to retain a mortgage insurance premium in the Note.

(j) Reinstatement. Lender has a right to be reinstated if Lender has required immediate payment in full because of a default in payment on the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender as a lump sum, all sums required to bring the account current including, to the extent they are obligations of Borrower under this instrument, foreclosure costs and reasonable and necessary attorneys' fees and expenses properly accumulated in foreclosure proceedings. Upon reinstatement by Borrower, this Security Instrument and the old papers that it replaced remain in effect as if Lender had not required immediate payment in full. However, Lender need not require reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings (two years immediately preceding the commencement of a current foreclosure proceeding), (ii) cause disappeared until the time of reinstatement on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the liens by this Security Instrument.

12. Successors and Assigns; Joint and Several Liability. Co-Borrower, the covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 9.b. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument, (b) is not personally obligated to pay the sums secured by this Security Instrument, and (c) agrees that Lender and any other Borrower may agree to extend, modify, increase or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as prescribed in this paragraph.

14. Governing Law; Solvability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To that end the provisions of this Security Instrument and the Note are declared to be severable.

15. Borrower's Copy. Borrower shall be given one unexecuted copy of this Security Instrument.

16. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property Borrower authorizes Lender or Lender's agent to collect the rents and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agent. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. This assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower, (a) all rents received by Borrower shall be held by Borrower as trustee for benefit of Lender only, to be applied to the sums secured by the Security Instrument, (b) Lender shall be entitled to collect and receive all of the rents of the Property, and (c) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent or Lender's written demand to the tenant.

Borrower has not executed any prior assignments of the rents and has agreed will not perform any act that would prevent Lender from exercising its rights under this paragraph 16.

Lender shall not be required to take upon itself control or to maintain the property before or after giving notice of breach to Borrower. However, Lender is a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or non-delivery of either right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.

NON UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

17. Foreclosure Procedure. If Lender requires immediate payment in full under paragraph 9, Lender may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 17, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

18. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any cancellation costs.

19. Waiver of Discrepancy. Borrower waives all right to statistical exemption in the Property.
