do under or by virtue of the foregoing.

Notwithstanding any other provisions hereof, so long as there shall exist no default by the Assignor in the payment of the Indebtedness or in the performance of any obligation, covenant or agreement herein or in said Mortgage or other instrument contained, Assignor shall have the right to collect when, but not before, due all rents, issues and profits from said Property and to retain, use and enjoy the same.

- (2) Reduce the rent provided for in such lease, or modify such lease in any way, either orally or in writing, or grant any concession in connection with such lease, either orally or in writing;
- (3) Consent to any assignment of the interest of the tenant in the lease, or to any sub-letting thereof;
- (4) Accept any rent payable under the lease in advance of the time when the same is payable under the terms thereof; and any of the above acts, if done without the written consent of the Assignee, shall be null and void.

Any default on the part of Assignor hereunder shall constitute a default of Assignor under the Note and Mortgage.

This Assignment shall be construed as a covenant running with the land, shall be assignable by Assignee and shall be binding upon and inure to the benefit of each of the parties hereto and their respective executors, administrators, legal representatives, successors and assigns.

The failure of Assignee or any of the Assignee's agents or attorneys, successors or assigns to make use of any of the terms, provisions, and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any of Assignee's rights under the terms hereof, but Assignee or Assignee's agents or attorneys, successors, or assigns shall have full right, power and authority to enforce this assignment or any of the terms, provisions or conditions hereof, and exercise the powers hereunder, at any time or times that shall be deemed fit.
