Non-Uniform Covenants. Borrower and Lender further covenant and agree as follows:

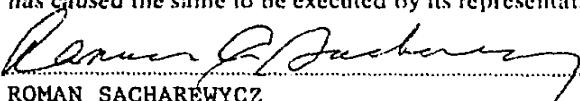

27. ACCELERATION; REMEDIES. Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, including, but not limited to, the covenants to pay when due any sums secured by this Instrument, Lender at Lender's option may declare all of the sums secured by this Instrument to be immediately due and payable without further demand and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by applicable law or provided herein. Lender shall be entitled to collect all costs and expenses incurred in pursuing such remedies, including, but not limited to, attorney's fees, costs of documentary evidence, abstracts and title reports.

28. RELEASE. Upon payment of all sums secured by this Instrument, Lender shall release this Instrument. Borrower shall pay Lender's reasonable costs incurred in releasing this Instrument.

29. WAIVER OF HOMESTEAD AND REDEMPTION. Borrower hereby waives all right of homestead exemption in the Property. If Borrower is a corporation, Borrower hereby waives all right of redemption on behalf of Borrower and on behalf of all other persons acquiring any interest or title in the Property subsequent to the date of this Instrument, except decree or judgment creditors of Borrower.

30. FUTURE ADVANCES. Upon request of Borrower, Lender, at Lender's option so long as this Instrument secures indebtedness held by Lender, may make Future Advances to Borrower. Such Future Advances, with interest thereon, shall be secured by this Instrument when evidenced by promissory notes stating that said notes are secured hereby. Instrument and the Note are declared to be severable. In the event that any applicable law limits the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in this Instrument or in the Note, whether considered separately or together with other charges levied in connection with this Instrument and the Note, violates such law, and Borrower is entitled to the benefit of such law, such charge is hereby reduced to the extent necessary to eliminate such violation. The amounts, if any, previously paid to Lender in excess of the amounts payable to Lender pursuant to such charges as reduced shall be applied by Lender to reduce the principal of the indebtedness evidenced by the Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all indebtedness which is secured by this Instrument or evidenced by the Note and which constitutes interest, as well as all other charges levied in connection with such indebtedness which constitute interest, shall be deemed to be allocated and spread over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest computed thereby is uniform throughout the stated term of the Note.

23. WAIVER OF STATUTE OF LIMITATIONS. Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce the Note or any other obligation secured by this Instrument.

24. WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Property shall be subjected to the remedies provided herein. Lender shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Borrower, any party who consents to this Instrument and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice hereof hereby waives any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

25. CONSTRUCTION LOAN PROVISIONS. Borrower agrees to comply with the covenants and conditions of the Construction Loan Agreement, if any, which is hereby incorporated by reference in and made a part of this Instrument. All advances made by Lender pursuant to the Construction Loan Agreement shall be indebtedness of Borrower secured by this Instrument, and such advances may be obligatory as provided in the Construction Loan Agreement. All sums disbursed by Lender prior to completion of the improvements to protect the security of this Instrument up to the principal amount of the Note shall be treated as disbursements pursuant to the Construction Loan Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Note, unless collection from Borrower of interest at such rate would be contrary to applicable law in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment therefor.

From time to time as Lender deems necessary to protect Lender's interests, Borrower shall, upon request of Lender, execute and deliver to Lender, in such form as Lender, so indirect, assignments of any and all rights or claims which relate to the construction of the Property and which Borrower may have against any party supplying or who has supplied labor, materials or services in connection with construction of the Property. In case of breach by Borrower of the covenants and conditions of the Construction Loan Agreement, Lender, at Lender's option, with or without entry upon the Property, (i) may invoke any of the rights or remedies provided in the Construction Loan Agreement, (ii) may accelerate the sums secured by this Instrument and invoke those remedies provided in paragraph 27 hereof, or (iii) may do both. If, after the commencement of amortization of the Note, the Note and this Instrument are sold by Lender, from and after such sale the Construction Loan Agreement shall cease to be a part of this Instrument and Borrower shall not assert any right of set-off, counterclaim or other claim or defense arising out of or in connection with the Construction Loan Agreement against the obligations of the Note and this Instrument.

26. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. As part of the consideration for the indebtedness evidenced by the Note, Borrower hereby absolutely and unconditionally assigns and transfers to Lender all the rents and revenues of the Property, including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable. Borrower hereby authorizes Lender or Lender's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Lender or Lender's agents; provided, however, that prior to written notice given by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower, to apply the rents and revenues so collected to the sums secured by this Instrument in the order provided in paragraph 3 hereof with the balance, so long as no such breach has occurred, to the account of Borrower, it being intended by Borrower and Lender that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this Instrument, and without the necessity of Lender entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Lender shall immediately be entitled to possession of all rents and revenues of the Property as specified in this paragraph 26 at the same before due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Borrower as trustee for the benefit of Lender only; provided, however, that the written notice by Lender to Borrower of the breach by Borrower shall contain a statement that Lender exercises its rights to such rents. Borrower agrees that commencing upon delivery of such written notice of Borrower's breach by Lender to Borrower, each tenant of the Property shall make such rents payable to and pay such rents to Lender or Lender's agents on Lender's written demand to each tenant therefor, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Borrower.

Borrower hereby covenants that Borrower has not executed any prior assignment of said rents, that Borrower has not performed, and will not perform, any acts or has not executed, and will not execute, any instrument which would prevent Lender from exercising its rights under this paragraph 26, and that at the time of execution of this Instrument there has been no anticipation or prepayment of any of the rents of the Property for more than two months prior to the due dates of such rents. Borrower covenants that Borrower will not hereafter collect or accept payment of any rents of the Property more than two months prior to the due dates of such rents. Borrower further covenants that Borrower will execute and deliver to Lender such further assignments of rents and revenues of the Property as Lender may from time to time require.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Instrument. In the event Lender elects to seek the appointment of a receiver for the Property upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this Instrument shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Borrower as lessor or landlord of the Property and then to the sums secured by this Instrument. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Property by reason of anything done or left undone by Lender under this paragraph 26.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by this Instrument pursuant to paragraph 8 hereof. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law.

Any entering upon and taking and maintaining of control of the Property by Lender or the receiver and any application of rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Lender under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Instrument ceases to secure indebtedness held by Lender.

(b) shall not be liable to the lessee or licensee for repair of the property, (c) shall not commit waste or permit impairment of the property, (d) shall not be liable to the lessor for repair of the property, and (e) shall not be liable to the lessor for repair of the property.

If the insurance proceeds are held by Leander to reimburse Borrower for the costs of restoration and repair of the original condition of its property, Leander may apply to the court for such other condition as Leander may desire. Leander may, in Leander's option, receive a decree of reparation for such damage as Leander may suffer in the event of a loss or damage to the property.

In the event of loss, Borrower shall give immediate notice to the insurance carrier and to Lender. Borrower hereby authorizes and empowers Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct expenses Lender's attorney fees and expenses incurred in the collection of such proceeds; provided however, that nothing contained in this paragraph 5 shall require Lender to incur any expense Borrower for the cost of reconstruction or repair of the Property or (b) to apply the balance of such proceeds to the sums received by Lender, at Lender's option, (c) to hold the balance of such proceeds to be used to reimburse Borrower for any action hereunder.

All insurance policies and renewals acceptable to Leader and shall include a standard no release clause in favor of Leader or his heirs, executors, administrators, successors, and assigns, and shall provide that such clause is binding upon his heirs, executors, administrators, successors, and assigns.

5. HAZARD INSURANCE. Borrower shall keep the hazard insurance coverage existing at the time of the original commitment in full force and effect throughout the term of the Note and until all amounts due under the Note have been paid in full. The premium for such insurance shall be paid by Lender and shall be included within the term "extended coverage", referred to in § 8-3 and such other hazards, casualties, and contingencies as Lender may from time to time determine to be necessary to protect the property of the Borrower against loss by fire, hazards and contingencies which are not specifically mentioned in the hazard insurance policy. All premiums for hazard insurance shall be paid, at Lender's option, in the manner provided under Paragraph 2 of the Note.

III.A. CHARGES; LIENS. Borrower shall pay all water and sewer rates, rents, taxes, assessments, premiums, and Other Impositions attributable to Property at Lenders' option in the manner provided under Paragraph 2 hereof or in such manner, by Borrower, meeting paymen-

14. ESTOPPEL CERTIFICATE. Borrower shall within ten days of the date hereof furnish Lender with a written statement, duly acknowledged, setting forth the sums secured by this Instrument and any right of set-off, counterclaim or other defense which exists against such sums and the obligations of this Instrument.

15. UNIFORM COMMERCIAL CODE SECURITY AGREEMENT. This Instrument is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Property which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and Borrower hereby grants Lender a security interest in said items. Borrower agrees that Lender may file this Instrument, or a reproduction thereof, in the real estate records or other appropriate index, as a financing statement for any of the items specified above as part of the Property. Any reproduction of this Instrument or of any other security agreement or financing statement shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, upon Lender's request, any financing statements, as well as extensions, renewals and amendments thereof, and reproductions of this Instrument in such form as Lender may require to perfect a security interest with respect to said items. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said items, including replacements and additions thereto. Upon Borrower's breach of any covenant or agreement of Borrower contained in this Instrument, including the covenants to pay when due all sums secured by this Instrument, Lender shall have the remedies of a secured party under the Uniform Commercial Code and, at Lender's option, may also invoke the remedies provided in paragraph 27 of this Instrument as to such items. In exercising any of said remedies, Lender may proceed against the items of real property and any items of personal property specified above as part of the Property separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Uniform Commercial Code or of the remedies provided in paragraph 27 of this Instrument.

16. LEASES OF THE PROPERTY. As used in this paragraph 16, the word "lease" shall mean "sublease" if this Instrument is on a leasehold. Borrower shall comply with and observe Borrower's obligations as landlord under all leases of the Property or any part thereof. Borrower will not lease any portion of the Property for non-residential use except with the prior written approval of Lender. Borrower, at Lender's request, shall furnish Lender with executed copies of all leases now existing or hereafter made of all or any part of the Property, and all leases now or hereafter entered into will be in form and substance subject to the approval of Lender. All leases of the Property shall specifically provide that such leases are subordinate to this Instrument; that the tenant attorns to Lender, such attornment to be effective upon Lender's acquisition of title to the Property; that the tenant agrees to execute such further evidences of attornment as Lender may from time to time request; that the attornment of the tenant shall not be terminable by foreclosure; and that Lender may, at Lender's option, accept or reject such attornments. Borrower shall not, without Lender's written consent, execute, modify, surrender or terminate, either orally or in writing, any lease now existing or hereafter made of all or any part of the Property providing for a term of three years or more, permit an assignment or sublease of such a lease without Lender's written consent, or request or consent to the subordination of any lease of all or any part of the Property to any lien subordinate to this Instrument. If Borrower becomes aware that any tenant proposes to do, or is doing, any act or thing which may give rise to any right of set-off against rent, Borrower shall (i) take such steps as shall be reasonably calculated to prevent the accrual of any right to a set-off against rent, (ii) notify Lender thereof and of the amount of said set-offs, and (iii) within ten days after such accrual, reimburse the tenant who shall have acquired such right to set-off or take such other steps as shall effectively discharge such set-off and as shall assure that rents thereafter due shall continue to be payable without set-off or deduction.

Upon Lender's request, Borrower shall assign to Lender, by written instrument satisfactory to Lender, all leases now existing or hereafter made of all or any part of the Property and all security deposits made by tenants in connection with such leases of the Property. Upon assignment by Borrower to Lender of any leases of the Property, Lender shall have all of the rights and powers possessed by Borrower prior to such assignment and Lender shall have the right to modify, extend or terminate such existing leases and to execute new leases, in Lender's sole discretion.

17. REMEDIES CUMULATIVE. Each remedy provided in this Instrument is distinct and cumulative to all other rights or remedies under this Instrument or afforded by law or equity, and may be exercised concurrently, independently, or successively, in any order whatsoever.

18. ACCELERATION IN CASE OF BORROWER'S INSOLVENCY. If Borrower shall voluntarily file a petition under the Federal Bankruptcy Act, as such Act may from time to time be amended, or under any similar or successor Federal statute relating to bankruptcy, insolvency, arrangements or reorganizations, or under any state bankruptcy or insolvency law, or file an answer in an involuntary proceeding admitting insolvency or inability to pay debts, or if Borrower shall fail to obtain a vacation or stay of involuntary proceedings brought for the reorganization, dissolution or liquidation of Borrower, or if Borrower shall be adjudged a bankrupt, or if a trustee or receiver shall be appointed for Borrower or Borrower's property, or if the Property shall become subject to the jurisdiction of a Federal bankruptcy court or similar state court, or if Borrower shall make an assignment for the benefit of Borrower's creditors, or if there is an attachment, execution or other judicial seizure of any portion of Borrower's assets and such seizure is not discharged within ten days, then Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable without prior notice to Borrower, and Lender may invoke any remedies permitted by paragraph 27 of this Instrument. Any attorney's fees and other expenses incurred by Lender in connection with Borrower's bankruptcy or any of the other aforesaid events shall be additional indebtedness of Borrower secured by this Instrument pursuant to paragraph 8 hereof.

19. TRANSFERS OF THE PROPERTY OR BENEFICIAL INTERESTS IN BORROWER; ASSUMPTION. On sale or transfer of (i) all or any part of the Property, or any interest therein, or (ii) beneficial interests in Borrower (if Borrower is not a natural person or persons but is a corporation, partnership, trust or other legal entity), Lender may, at Lender's option, declare all of the sums secured by this Instrument to be immediately due and payable, and Lender may invoke any remedies permitted by paragraph 27 of this Instrument. This option shall not apply in case of:

- (a) transfers by devise or descent or by operation of law upon the death of a joint tenant or a partner;
- (b) sales or transfers when the transferee's creditworthiness and management ability are satisfactory to Lender and the transferee has executed, prior to the sale or transfer, a written assumption agreement containing such terms as Lender may require, including, if required by Lender, an increase in the rate of interest payable under the Note;
- (c) the grant of a leasehold interest in a part of the Property of three years or less (or such longer lease term as Lender may permit by prior written approval) not containing an option to purchase (except any interest in the ground lease, if this Instrument is on a leasehold);
- (d) sales or transfers of beneficial interests in Borrower provided that such sales or transfers, together with any prior sales or transfers of beneficial interests in Borrower, but excluding sales or transfers under subparagraphs (a) and (b) above, do not result in more than 49% of the beneficial interests in Borrower having been sold or transferred since commencement of amortization of the Note; and
- (e) sales or transfers of fixtures or any personal property pursuant to the first paragraph of paragraph 6 hereof.

20. NOTICE. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Instrument or in the Note shall be given by mailing such notice by certified mail addressed to Borrower at Borrower's address stated below or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail, return receipt requested, to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Instrument or in the Note shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

21. SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY; AGENTS; CAPTIONS. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 19 hereof. All covenants and agreements of Borrower shall be joint and several. In exercising any rights hereunder or taking any actions provided for herein, Lender may act through its employees, agents or independent contractors as authorized by Lender. The captions and headings of the paragraphs of this Instrument are for convenience only and are not to be used to interpret or define the provisions hereof.

22. UNIFORM MULTIFAMILY INSTRUMENT; GOVERNING LAW; SEVERABILITY. This form of multifamily instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property and related fixtures and personal property. This Instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event that any provision of this Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Instrument or the Note which can be given effect without the conflicting provisions, and to this end the provisions of this
