"Mortgage": This document is called the "Mortgage".

"Borrower": SEAN CAFFERY AND JUDITH L. CAFFERY

 will be called "Borrower".

Borrower's address is shown below.

"Lender": TCF BANK SAVINGS fsb will be called "Lender". Lender is a federal savings bank which was formed and which exists under the laws of the United States of America. Lender's address is 801 Marquette Avenue, Minneapolis, Minnesota 55402.

"Agreement": The CommandCredit Plus Line Agreement signed by one or more Borrower and dated the same date as this Mortgage will be called the "Agreement". Under the Agreement, any Borrower signing the Agreement has a revolving line of credit called the "Account". The Agreement allows such a Borrower to obtain Loan Advances from the Account, make payments, and obtain readvances. Under the Agreement, such a Borrower may request Loan Advances from the Lender at any time until the final due date, shown in section 3 below.

"Property": The property that is described in section 5 is called the "Property".

3. Final Due Date. The scheduled date for final payment of what Borrower owes under the Agreement is JANUARY 21, 2004.

4. Variable Annual Percentage Rate. The Annual Percentage Rate is the cost of Borrower's credit as a yearly rate. The Annual Percentage Rate Lender uses to figure Finance Charges will go up and down, based on the highest U.S. prime rate published daily in the Wall Street Journal under "Money Rates" (the "Index"). The Index is not the lowest or best rate offered by Lender or other lenders. If the Index becomes unavailable, Lender will select, to the extent permitted by applicable laws and regulations, some other interest rate index that is comparable to the Index and notify Borrower. If the Annual Percentage Rate goes up or down, the Daily Periodic Rate will also go up or down. To figure the ANNUAL PERCENTAGE RATE, we add 2.40 percentage points to the index rate in effect the previous business day. ("Business day" does not include Saturdays, Sundays and legal holidays.) On each business day we will recalculate the ANNUAL PERCENTAGE RATE for this loan so that it is 2.40% (2.40 percentage points) above the index published the previous business day. If the index rate changes, however, the ANNUAL PERCENTAGE RATE for this loan will change the next business day. The beginning index rate for this loan is 6.00% per year. The beginning ANNUAL PERCENTAGE RATE for this loan is therefore 8.40% per year, which is a Daily Periodic Rate of .02301%. The maximum ANNUAL PERCENTAGE RATE is 19.00%. The minimum ANNUAL PERCENTAGE RATE is 6.00%. 8.4%

5. Description of the Property. Borrower gives Lender rights in the following Property:

a. The Land, which is located at (address) 1031 W MAPLE WOOD, BARRINGTON, IL 60010.

. The Land has the legal description shown above in section 1.

b. All buildings and all other improvements and fixtures (such as plumbing and electrical equipment) that are now or will in the future be located on the Land.

c. All "easements, rights, hereditaments, appurtenances, rents, royalties, and profits" that go along with the Land. These are rights in other property that Borrower has as owner of the land.

NOTICE: See pages 2 and 3 for more contract terms. The Borrower agrees that pages 2 and 3 are a part of this Mortgage.

e. That the Borrower may restate the Mortgage after acceleration; and  
f. That Borrower may bring suit in court to argue that all promises were kept and to present any other defenses Borrower has to acceleration.

Lender need not send the notice if the promise Borrower failed to keep consists of Borrower's sale or transfer of all or a part of the Property or any rights to the Property without Lender's written consent. If the Borrower does not correct the failure by the date stated in the notice, Lender may accelerate. If Lender accelerates, Lender may foreclose this Mortgage according to law. Borrower also agrees to pay Lender's attorneys' fees and costs for the foreclosure in the maximum amount allowed by law. Lender will apply the proceeds of the foreclosure sale to the amount Borrower owes under this Mortgage, and to the costs of the foreclosure and Lender's attorneys' fees.

24. Obligations After Assignment. Any person who takes over Borrower's right or obligations under this Mortgage with Lender's consent will have Borrower's rights and will be obligated to keep all of the promises Borrower made in this Mortgage. If another person takes over Borrower's rights or obligations under this Mortgage, Borrower will not be released. Any person or organization who takes over Lender's rights or obligations under this Mortgage will have all of Lender's rights and must keep all of Lender's obligations under this Mortgage.

25. Waiver of Homestead. Under the exemption laws, Borrower's homestead is usually free from the claims of creditors. Borrower gives up the homestead exemption right for all claims arising out of this Mortgage. This includes Borrower's right to demand that property other than Borrower's homestead that has been mortgaged to Lender be foreclosed first, before the homestead is foreclosed.

26. Condemnation. If all or part of the Property is condemned, Borrower directs the party condemning the Property to pay all of the money to Lender. Lender will apply the money to pay the amount Borrower owes Lender, unless Lender agrees in writing that the proceeds can be used differently. If Lender uses the money to reduce the amount Borrower owes under the Agreement, Borrower will still have to make regular monthly payments until everything Borrower owes is paid.

27. Paragraph Headings. The headings of the paragraphs are for convenience only, and are not a part of this Mortgage.

8. Notes of Verbal Rate of Interest. This Mortgage secures a line of credit that has a variable rate of interest. This means that the  
Interest rate may increase or decrease from time to time, as explained in section 6.
7. Finance Charge. Borrower will pay a Finance Charge until Borrower has repaid everything owed under the Agreement. Lender fig-  
ures the Finance Charge at the end of every month by multiplying the monthly balance times the Finance Charges for each  
month. To figure the Finance Charge for that month, Lender adds up the Finance Charges for each day of that month to  
get a total. This means that, by signing this Mortgage, Borrower is giving Lender those rights that are stated in this Mortgage and also those rights  
that the law gives to lenders who have taken mortgages on land. Borrower rights to protect Lender from possible  
losses that might result if Borrower fails to keep the promises made in this Mortgage and warantees that  
Agreement, and keeps all promises made in this Mortgage and in the Agreement, then Lender's rights in which the Property is located.
6. Transfer of Rights in the Property. Borrower mortgagess, grants and conveys the Property to Lender subject to the terms of this Mort-  
gage, and Other Charges. This gives Lender the daily balance for each day. Borrower pays a Finance Charge on loan advances begin-  
ning with the day they are made.
5. Charges and Other Advances. Subtracting any payments or other credits to the account and subtracting any unpaid Finance  
charge daily, adding any new Loan Advances, Lender determines the daily balance for the beginning balance of Borrower's account  
each day (for each day in the monthly billing cycle). Lender figures the Daily Periodic Rate by dividing the Annual Periodic  
Rate by 365 (or 366, in any leap year). Lender determines the daily balance by first adding the beginning balance of Borrower's account  
day by day. To figure the Finance Charge for each day, Lender multiplies the Daily Periodic Rate times the daily charges for each  
day in the billing cycle. The monthly billing cycle, Lender figures the Daily Periodic Rate by dividing the beginning balance of Borrower's account  
by 365 (or 366, in any leap year).

a. Because someone who claims ownership of the Property has some of the rights in the Property that Borrower represants and warantees.

time required by Lender to do business company. Borrower, during the insurance period, must pay all "Proceeds" to Lender. "Proceeds" are any  
proceeds that the insurance company receives in writing that Lender agrees to pay all "Proceeds" to Lender may file a "Proof of Loss"  
to protect the value of the Property, if the Lender's security interest in the Property is condemned. This section does not affect Lender's  
rights that the person pays under this section. If the Lender is located in a designated official flood-hazard area  
Borrower promises to pay Lender all amounts that Lender may require to repair damage to the Property, plus interest  
at the rates that Lender has paid to Lender under this section. If Lender signs this section, Lender may sue to recover

Property unusable or destroy the Property.

Mortgage, or (2) Someone (Borrower or anyone else) begins a legal proceeding under the law to get rid of the Lender's security interest  
in the Property, Lender may exercise any of its rights until the law gets rid of the Lender's security interest in the Property, plus interest  
at the rates that Lender has paid to Lender under this section. If Lender signs this section, Lender may sue to recover

Lender's rights.
18. Joint Borrowers. Each person that signs this Mortgage is responsible for keeping all of the promises made by "Borrower". Lender  
may choose to enforce its rights against anyone signing the Mortgage as an individual or jointly. However, if someone signs this  
Mortgage, but did not sign the Agreement, then that person will not be required to pay any amount under the Agreement, but will have signed  
only to give Lender the rights that person has in the Property under the terms of this Mortgage.
19. Notices. Unless the law requires otherwise, Lender will be given notice of the mailing of any notice that must be given to Borrower.

Lender's written consent. This includes sale by Contract for Deed.

be a default under that mortgage.

erty without the Lender's written consent.
23. Lender's Remedies — Foreclosure. If Lender requires Borrower to pay the entire outstanding balance under this Agreement in one  
payment (called "Acceleration"), and Lender requires Borrower to pay the entire outstanding balance under this Agreement in one  
payment, Lender will send Borrower a written notice by certified mail which states:
- b. The promise that Borrower must take to keep the trial failure.
- c. The date, at least 30 days away by which the failure by the Lender will accelerate, and if Borrower doesn't pay, Lender  
or another person may buy the Property at a foreclosure sale.
