for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower, subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 2.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender or failed to provide Lender with any material information in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

**9. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with

18. **Borrower's Right to Remedy.** If Borrower needs certain accommodations, Borrower shall have the right to have the Lender provide such other services or facilities as Borrower may require during the period in which the instrument is unperfected or any time prior to the earliest of the date of recordation of the instrument or the date of payment of the amount due under the instrument.

19. **Lender's Right to Remedy.** If Borrower fails to pay the sum due under the instrument or if the instrument is unperfected or if the amount due under the instrument exceeds the amount due by more than 10% of the amount due, Lender may exercise such rights and remedies as Lender deems necessary to protect Lender's interest in the instrument, including, without limitation, the right to require Borrower to pay all amounts due under the instrument at once, the right to foreclose on the instrument, the right to repossess the instrument, the right to sue for damages, and the right to sue for specific performance.

20. **Borrower's Copy.** Borrower shall be given one copy of this Security Instrument and of any instrument or document required by law to be filed or recorded by Borrower, and Borrower shall provide a copy of the instrument to any other party who has requested it.

21. **Transfer of the Property or Beneficial Interest in Borrower.** If all or any part of the property or any interest in the instrument is sold or transferred, the instrument shall be sold or transferred together with the property or interest in the instrument and the security instrument shall be sold or transferred together with the property or interest in the instrument.

22. **Guaranty (Law) Separability.** This Security instrument shall be governed by the laws of the State of New Mexico.

In this paragraph, "Lender" means the holder of the security instrument, "Borrower" means the person to whom the security instrument is given, "any other party" means any other person, "any sum" means any amount, and "any note" means any note given by Borrower to Lender.

23. **Notes.** Any note given by Borrower shall be given by Lender and shall be delivered to the Note and the law of the state of New Mexico.

24. **Prepayment.** If a Lender receives prepayment of the instrument, the Lender shall be entitled to receive a portion of the principal amount paid as a premium.

25. **Waiver.** No provision in this instrument shall be deemed to waive any other provision of this instrument unless the provision waives itself or is specifically so provided. Any provision in this instrument which purports to waive any provision of this instrument or any other provision of this instrument shall be ineffective to do so.

26. **Signatures and Assigns/Bound, Joint and Several Liability; Co-signers.** The covenants and agreements of this instrument shall be binding upon the parties and their successors and assigns in accordance with the provisions of this instrument.

27. **Borrower Not Responsible for Breach of Leaseholder Not a lessee.** Extension of the time for payment of amounts due under the instrument or failure of the instrument to reflect the actual amount due by the instrument holder under the instrument shall not be a defense to the instrument holder's liability for the amount due by the instrument holder under the instrument.

28. **Borrower is Deemed to Possess the Proceeds of the Sale of the Property.** Extension of the time for payment of amounts due under the instrument shall not be a defense to the instrument holder's liability for the amount due by the instrument holder under the instrument.

29. **Proceeds of Sale of the Property.** Lender may apply to the court for judgment in favor of Lender in an amount equal to the amount due under the instrument, plus interest, costs, expenses and attorney's fees.

30. **Interest on the Amount Due.** The amount due under the instrument shall be applied to the amount due under the instrument before any interest is applied.

31. **Interest on the Amount Due.** The amount due under the instrument shall be applied to the amount due under the instrument before any interest is applied.

32. **Waiver of Notice of Non-Payment.** The amount due under the instrument shall be applied to the amount due under the instrument before any notice of non-payment is given.

ARTICLE 1 PROVISIONS: Borrower's default of breach under any note or agreement in which Lender has an interest, which includes but not limited to the exercise of remedies by the Secured Person, shall terminate when

the secured creditor has made any other right or remedy of record or ready to Lender. This assignment of rents of the Property shall not cure or waive subsequent unpaid installments made so to any time when a default occurs. Any application of Rents shall not cure or waive

The amounts collected by Lender for such purposes shall be entitled to have a receiver appointed to take possession of the Property, to collect the Rents and profits received and to secure the payment of all debts due or to become due or to be due at any time.

Under this Agreement, if the Lender is unable to collect the Rents, including, but not limited to, attorney's fees, premiums on receivers and fees and expenses of Lender's agents, shall be applied first to the costs of taking control of and managing

the Property and secondly to the costs of Lender's agents' services upon Lender's written demand to the Lender or unless applicable to a provision, and Lender's agent's fees and expenses shall be held by the Lender as trustee for

the benefit of all creditors of the Rents, including the Secured Instruments. The Lender shall be entitled to sue for all Rents

under this Agreement and to apply to the courts to recover by the Secured Instruments the Lender shall be entitled to

Rents until the Lender has given Borrower notice of default pursuant to paragraph 21 of the Security Instrument and, in

such notices as absolute assignments and not in assignment for additional security only.
