After payment of all proper charges and expenses, including the just and reasonable compensation for the services of the Bank, the attorneys, agents, clerks, servants and others employed by the Bank in connection with the operation, management and control of the premises and the conduct of the business thereof, and such further sums as may be sufficient to indemnify the Bank against any liability, loss, or damage on account of any matter or thing done in good faith in pursuance of the rights and powers of the Bank

Without limiting any legal rights of the Bank as the absolute assignee of the rents or lease payments, issues and profits of the premises and in furtherance thereof, Assignor agrees that in the event of default under said mortgage, whether before or after the terms of said mortgage, the Bank may, at its option, take actual possession of the premises hereinabove described, or of any part thereof, personally or by agent or attorney, as for condition broken, and with or without force and with or without process of law, enter upon, take, and maintain possession of all or any part of said premises together with all documents, books, records, papers and accounts relating thereto, and exclude the Assignor, its agents or servants, therefrom and hold, operate, manage and control the premises, and at the expense of the premises, from time to time, cause to be made all necessary or proper repairs, renovations, replacements, useful alterations, additions, betterments and improvements to the premises as may seem judicious, and pay taxes, assessments and prior or proper charges on the premises, or any part thereof, and insure and reinsure the same, and lease the premises in such parcels and for such times and on such terms as it may deem fit, including leases for terms expiring beyond the maturity of the indebtedness secured by said Mortgage Deed, and cancel any lease or sub-lease for any cause or on any ground which would entitle the Assignor to cancel the same and in every such case have the right to manage and operate the said premises and to carry on the business thereof as the Bank shall deem best.

The Assignor hereby irrevocably consents that the tenant under any lease of the premises, upon demand and notice from the Bank or the Bank's right to receive the rents or lease payments hereunder, shall pay such rents or lease payments to the Bank without any obligation on the part of such tenant to determine the actual existence of any default or event claimed by the Bank as the basis for the Bank's right to receive such rent or lease payments and notwithstanding any notice from or claim of the Assignor to the contrary. The Assignor shall have no right or claim against tenant for any such rents or lease payments paid by the tenant to the Bank.

Notwithstanding the foregoing provisions making and establishing a present and absolute transfer and assignment of all lease payments, rents, earnings, income, issues and profits as aforesaid, and so long as no event of default shall exist under the Note or Mortgage and no event shall exist which by lapse of time or service of notice, or both, has or would become an event of default hereunder, the Assignor shall have the right and license to collect, use and enjoy all rents and other sums due or to become due under and by virtue of any lease or agreement for the use and occupancy of the premises as they respectively become due, but not in advance.

The Assignor represents and warrants to the Bank that the Assignor has good right to make this assignment and that the Assignor has not heretofore alienated, assigned, pledged or otherwise disposed of any of the rents or lease payments and other sums due or which may hereafter become due and which are intended to be assigned hereunder.
