During the Closed-End Repayment Term you agree to pay on or before the payment due date shown on each Periodic Billing Statement a minimum payment due computed in the same way as above, plus 1/240th of your Initial Closed-End Principal Balance (the Principal Balance owed by you to us at the end of the Revolving Line of Credit). (D) INTEREST DURING THE REVOLVING LINE OF CREDIT TERM. You agree to pay interest (a "Finance Charge") on the Outstanding Principal Balance of your Equity Source Account during the Revolving Line of Credit Term as determined by the Agreement.

The rate of interest ("Annual Percentage Rate") will be determined and will vary based upon a "Reference Rate". This Reference shall be the prime rate of interest as published in the Money Rates Section of the Wall Street Journal on the first business day of each month, regardless of when such rates were quoted by the Commercial Banks to the Wall Street Journal. The Reference Rate is defined by the Wall Street Journal as the base rate on corporate loans at large U.S. Money Center Commercial Banks. In the event more than one Reference Rate is published by the Wall Street Journal for any applicable day, the lowest rate so published shall apply. In the event such a Reference Rate coases to be published by the Wall Street Journal, we will select a new Reference Rate that is based upon comparable information, and if necessary, a substitute "Marcia", to that the change in the Reference Rate results in substantially the same "Annual Percentage Rate" required under the previous Reference Rate.

The Reference Brice so determined shall be effective for any Billing Cycle that begins in that month. However, the Reference Bate effective the your initial Billing Cycle shall be determined in one of two ways. If your initial Billing Cycle Billing Date occurs in the sum month as the effective date of this Agreement, the Reference Bate shall be the one determined on the first busines, day of the preceding month. If your initial Billing Cycle Billing Date occurs in the month after the effective date of this Agreement, the Reference Bate shall be the one determined on the first day of the month in which the effective date of this Agreement occurs.

Your rate of interest ("Annual Percentage Rate") shall be the Referenced Rate plus a "Margin" of

ONE & 1/4 (1.25 %) percent for the applicable Billing Cycle.

Finance Charges will be assessed on a daily basis by applying the Daily Periodic Rate (the "Daily Periodic Rate") is the Annual Percentage Rate applicable to that Billing Cycle, divided by 365) to the Daily Principal Balance on your Equity Source Account for each day of the Billing Cycle in which there is an Outstanding Principal Balance.

(E) INTEREST DURING THE CLOSED-END RIP! YMENT TERM. You agree to pay interest (a Finance Charge) during the Closed-End Repayment Term on the Outstanding Principal Balance of your Equity Source Account which has not been paid beginning on the day after the Conversion Date and cor, insing until the full Outstanding Principal Balance has been paid. Your Outstanding Principal Balance at the beginning of the Closed-End Repayment Term is that sum disclosed on the periodic Billing Statement for your One Hundred Twenty First (12 1st) Billing Cycle as the Outstanding Principal Balance and is referred to herein as the "Initial Closed-End Principal Balance". If you have used Equity Source Account checks that have not been posted to your account as of the Conversion Date, and those checks are subsequently paid by us, your Initial Closed-End Principal balance will be increased on subsequent periodic Pilling Statements to reflect such Loans.

The rate of interest (Annual Percentage Rate during the Closes—First Repayment Term will be determined and will vary based upon the Reference Rate described in the Agreement and in Palacyaph 1 (D) horsof.

The "Current Reference Rate" is the most recent Reference Rte available sixty (60) days prior to each "Change Date", (defined below)

Each day on which the interest rate effective during the Closed-End Replayme it Term may change, and the first day of the Closed-End Repayment Term, is a "Change Date". Interest rate changes of ing the Closed-End Repayment Term may occur on the first day of the Closed-End Repayment Term and on the same day of the month every twelve (12) months thereafter.

The interest rate effective on the First Change Date will be the Current Reference Rite plus a Margin of ONE & 1/4 (1.25 %) percent. On each sick seding Change Date, we will determine the Current Reference Rate, and the new interest rate will be equal to the Current set where Rate, plus the Margin of ONE & 1/4 (1.25 %) percent.

The fund shall be held in an institution the deposits or accounts of which are insured or guaranteed by a federal or state agency (including us if we are such an institution). We shall apply the funds to pay the escrow items. We may not charge for holding and applying the funds, analyzing the account or verifying the escrow items, unless we pay you interest on the funds and applicable law permits us to make such a charge. You and we may agree in writing that interest shall be paid on the funds. Unless an agreement is made or applicable law requires interest to be paid, we shall not be required to pay you any interest or earnings on the funds. We shall give to you, without charge, an annual accounting of the funds showing credits and debits to the funds and the purpose for which each debit to the funds was made. The funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the funds held by us, together with the future monthly payments of funds payable prior to the due dates of the escrow items, shall exceed the amount required to pay the escrow items when due, the excess shall be, at your option, either promptly repaid to you or credited to you on monthly payments of funds.
