Upon payment in full of all sums secured by this Mortgage, and termination of the Agreement, we shall promptly refund to you any funds held by us. If under paragraph 20, the property is sold or acquired by us, we shall apply, no later than immediately prior to the sale of the property or its acquisition by us, any funds held by us at the time of application as a credit against the sums secured by this Mortgage.

The above and foregoing provisions contained in this paragraph 2 relating to payment by you to us of funds in escrow shall be excused so long as you are required on the date hereof, and continue after the date hereof, to make comparable payment of funds in escrow to the holder of a Note secured by a mortgage or similar security agreement on the property, which such mortgage or similar security agreement has priority over this Mortgage. You agree to provide us with proof of payment of such funds in escrow.

3. APPLICATION OF PAYMENTS. Unless applicable law provides otherwise, all payments received by us under the Agreement and this Mortgage shall be applied, first to the Finance Charge stated in your oldest past due periodic Billing Statement, if any, and then (during the Closed-End Repayment Term) to the fraction of the initial Closed-End Principal Balance due for the same Periodic Billing Statement. Payments will then be applied similarly to Finance Charges and the fraction of the initial Closed-End Principal Balance due on the next oldest past due statement, and then to successive past due statements, until all past due Finance Charges and the fraction of the initial Closed-End Principal Balance due are fully paid. The balance of your payments will next be applied to the amounts stated due on the current periodic Billing Statement in the following order: (1) Insurance premiums billed and past due; (2) any Annual Fee which is due and payable; (3) any other charge, excluding insurance premiums, authorized by the Agreement; (4) Finance Charges billed but not past due; (5) insurance premiums billed but not yet past due as of the current statement; and (6) payment of any Outstanding Principal Balance. Any balance of payment will be applied to payment of all Finance Charges which accrue after the Periodic Billing Statement date and prior to the date payment was received by us. Any remaining amount will create a credit balance. Charges incurred pursuant to paragraph 7 hereof will be treated as Finance Charges for purposes of application of payments only.

4. CHARGES, LIENS. You shall pay all taxes, assessments, charges, fines and impositions attributable to the property which may attach or priority over this Mortgage, and household payments or ground rents, if any. You shall pay those obligations in the manner provided in paragraph 2, or if not paid in that manner, you shall pay them on time directly to the person owed payments. You shall promptly furnish to us all notices of amounts to be paid under this paragraph. If you make these payments directly, you shall promptly furnish to us receipts evidencing the payments.

5. HAZARD INSURANCE. You shall keep the improvements now existing or hereafter erected on the property insured against loss by fire, any hazard included within the term "extended coverage" and any other hazard for which we require insurance. This insurance shall be maintained in the amounts and for the periods that we require. The insurance carrier providing the insurance shall be chosen by you subject to our approval which shall not be unreasonably withheld.

All insurance policies and renewals shall be acceptable to us and shall include a standard mortgage clause. We shall have the right to hold the policies and renewals. If we require, you shall promptly give to us all receipts of paid premiums and renewal notices. In the event of loss, you shall give prompt notice to the insurance carrier and us. We may make proof of loss if not made promptly by you.

Unless we and you otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the property damages, if the restoration or repair is economically feasible and our security is not lessened. If the restoration or repair is not economically feasible or our security would be lessened, the insurance proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. If you abandon the property, or do not answer within thirty (30) days a notice from us that the insurance carrier has offered to settle a claim, we may collect the insurance proceeds. We may use the proceeds to repair or restore the property or to pay sums secured by this Mortgage, whether or not then due. The 30-day period will begin when the notice is given.

Our action may include paying any sums secured by a lien which has priority over this Mortgage, appearing in court, paying reasonable attorneys' fees and entering on the property to make repairs. Although we may take action under this paragraph 7, we do not have to do so.

Any amounts disbursed by us under this paragraph 7 shall become additional debt of yours secured by this Mortgage. Unless you and we agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the rate provided in the Agreement and shall be payable, with interest, upon notice from us to you requesting payment.

If we require mortgage insurance as a condition of making the loan secured by this Mortgage, you shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with your and our written agreement or applicable law.

8. INSPECTION. We or our agent may make reasonable entries upon and inspections of the property. We shall give you notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

9. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for nonpossession in lieu of condemnation, are hereby assigned and shall be paid to us.

In the event of a total taking of the property, the proceeds shall be applied to the sums secured by this Mortgage, whether or not then due, with any excess paid to you. In the event of a partial taking of the property, unless you and we otherwise agree in writing, the sums secured by this Mortgage shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the property immediately before the taking. Any balance shall be paid to you.
