1. **Payments:** I agree to make all payments on the secured debt when due. Unless I agree otherwise, any payments you receive from me or for my behalf will be applied first to any amounts I owe you on the secured debt (including interest or principal), second to interest and then to principal. Partial payment of the secured debt occurs for any reason, it will not reduce or excuse any subsequently scheduled payment until the secured debt is paid in full.
2. **Claims against Title:** I will pay all taxes, assessments, liens and encumbrances on the property when due and will defend title to the property against any claims which would impair the lien of this mortgage. You may require me to assign any rights, claims or defenses which I may have against persons who supply labor or materials to improve or maintain the property.
3. **Insurance:** I will keep the property insured under terms acceptable to you at my expense and for your benefit. You will be named as loss payee on the insured on any such insurance policy. Any insurance proceeds may be applied, within your discretion, to either the restoration or repair of damaged property or to the secured debt. If you require mortgage insurance, I agree to maintain such insurance for as long as you require.
4. **Property:** I will keep the property in good condition and make all repairs reasonably necessary.
5. **Expenses:** I agree to pay all your expenses, including reasonable attorney fees if I break any covenants in this mortgage or in any obligation secured by this mortgage. Attorneys fees include those awarded by an appellate court. I will pay these amounts to you as provided in Covenant 10 of this mortgage.
6. **Default and Acceleration:** If I fail to make any payment when due or break any covenants under this mortgage, any prior mortgage or any obligation secured by this mortgage, you may accelerate the maturity of the secured debt and demand immediate payment and exercise any other remedy available to you. You may foreclose this mortgage in the manner provided by law.
7. **Assignment of Rents and Profits:** I assign to you the rents and profits of the property. Unless we have agreed otherwise in writing, I may collect and enter the rents as long as I am not in default. If I default, you, your agent, or a court appointed receiver may take possession and manage the property and collect the rents. Any rents you collect shall be applied first to the costs of managing the property, making court costs and attorney fees, commissions to real agents, and any other necessary related expenses. The remaining amount of rents will then apply to payments on the secured debt as provided in Covenant 1.
8. **Waiver of Homestead:** I hereby waive all right of homestead exemption in the property.
9. **Leaseholds, Condominiums, Planned Unit Developments:** I agree to comply with the provisions of any lease if this mortgage is on a leasehold. If the condominium or planned unit development, I will perform all of my duties under the covenants, by-laws, or regulations of the condominium or planned unit development.
10. **Authority of Mortgagee to Perform for Mortgagee:** If I fail to perform any of my duties under this mortgage, you may perform the duties or cause them to be performed. You may sign my name or pay any amount if necessary to protect your security interest in the property. This may include completing the construction.
- Your failure to perform will not protect you from exercising any of your other rights under the law or this mortgage.
- Any amounts paid by you to protect your security interest will be secured by this mortgage. Such amounts will be due on demand and will bear interest from the date of the payment until paid in full. All interest rate in effect on the secured debt.

Such a change will not release me from the terms of this mortgage.
