DEFINITIONS. The following words shall have the following meaning, when used in this Mortgage. Terms not otherwise defined in this Mortgage shall have the meanings attributed to such terms in the Uniform Commercial Code. All references to dollar amounts shall mean amounts in lawful money of the United States of America.

Credit Agreement. The words "Credit Agreement" mean the revolving line of credit agreement dated March 24, 1994, between Lender and Grantor with a credit limit of \$50,000.00, together with all renewals, extensions, modifications, refinancings, consolidations of, and substitutions for the Credit Agreement. The maturity date of this Mortgage is March 24, 2001. The interest rate under the revolving line of credit is a variable interest rate based upon an index. The index currently is 5.00% per annum. The interest rate to be applied to the outstanding account balance shall be at a rate 0.500 percentage points above the index, subject however to the following maximum rate. Under no circumstances shall the interest rate be more than the lesser of 21.000% per annum or the maximum rate allowed by applicable law.

The revolving line of credit obligates Lender to make advances to Grantor so long as Grantor complies with all the terms of the Credit Agreement and Related Documents. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. It is the intention of Grantor and Lender that this Mortgage secures the balance outstanding under the Credit Agreement from time to time from zero up to the Credit Limit as provided above and any intermediate balance.
