SECTION A

A.1 CHOICE OF LAW

This Lease shall be governed by Federal law.

A.2 DEFINITIONS

As used in this contract, the following terms have the following meanings:

- a. "Contracting officer" means the person executing this contract on behalf of the Postal Service, and any other employee who is a properly authorized contracting officer; the term includes, except as otherwise provided in the contract, the authorized representative of a contracting officer acting within the limits of the authority conferred upon that person.
- b. "Successful offeror," "offeror," "contractor," or "Lessor" are interchangeable and refer to the party whose proposal is accepted by the Postal Service.
- c. "Lease" and "agreement" are interchangeable and refer to this document, including all addenda and attachments thereto.

A.3 EXECUTION REQUIREMENTS

- a. All co-owners and all other persons having or to have a legal interest in the property must execute the Lease. If the offeror is married, the husband or wife of the offeror must also execute the Lease. The offeror must submit evidence of title.
- b. If the offeror is a general partnership, each member must sign.
- c. If the offeror is a limited partnership, all general partners must sign.
- d. Where the offeror is an administrator or an executor of an estate, there must be furnished a certificate of the clerk of the court or certified copy of the court order showing the appointment of the administrator or executor, together with a certified copy of the will of the decedent. If there is no will, or in the event the will of the decedent does not specifically authorize the administrator or the executor to enter into a contract to lease the proposed quarters, it will generally be necessary to furnish, in addition to the above named items, a certified copy of the court order authorizing such administrator or executor to enter into a lease with the Postal Service.
- e. Where the offeror is a trustee, a certified copy of the instrument creating the trust must be furnished together with any other evidence necessary to establish the trustee's authority to lease.
- f. Where the offeror is a corporation, leases and lease agreements entered into must have the corporate seal affixed or in place thereof the statement that the corporation has no seal.
- g. Where the offeror is a corporation, municipal corporation, fraternal order or society, the Lease must be accompanied by documentary evidence affirming the authority of the agent, or agents, to execute the Lease to bind the municipal corporation, fraternal order or society for which he (or they) purports to act. The usual evidence required to establish such authority is in the form of extracts from the articles of incorporation, or bylaws, or the minutes of the board of directors duly certified by the custodian of such records, under the corporate seal. Such resolutions, when required, must contain the essential stipulations embodied in the Lease. The names and official titles of the officers who are authorized to sign the Lease must appear in the document.
- h. Notices. Any notice to Lessor provided under this Lease or under any law or regulation must be in writing and may be hand-delivered or mailed to Lessor at the address specified on page 3 of the Lease, or at an address that Lessor

has otherwise appropriately directed in writing. Any notice to the Postal Service provided under this Lease or under any law or regulation must be in writing and may be hand-delivered or mailed, addressed to "Contracting Officer, U.S. Postal Service" at the address specified on page 3 of the Lease, or at an address that the Postal Service has otherwise directed in writing.

A.4 MORTGAGEE'S AGREEMENT

If there is now or will be a mortgage on the property which is or will be recorded prior to the recording of the Lease, the offeror must notify the contracting officer of the facts concerning such mortgage and, unless in the sole discretion of the contracting officer waive the requirement, the offeror must furnish a Mortgagee's Agreement, which will consent to this Lease and shall provide that, in the event of foreclosure, mortgagee, successors, and assigns shall cause such foreclosures to be subject to the Lease.

A.5 EQUAL OPPORTUNITY

- a. The contractor may not discriminate against employees or applicants because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, sex, or national origin. This action must include, but not be limited to, employment, upgrading, promotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants, notices provided by the contracting officer setting forth the provisions of this clause.
- b. The contractor must, in all solicitations or advertisements for employees placed by it or on its behalf, state that all qualified applicants will be considered for employment without regard to race, color, religion, sex, or national origin.
- c. The contractor must work to each union or workers' representative with which the contractor has a collective bargaining agreement or other understanding, a notice, provided by the contracting officer, advising the union or workers' representative of the contractor's commitments under this clause, and must post copies of the notice in conspicuous places available to employees and applicants.
- d. The contractor must comply with all provisions of Executive Order (EO) 11246 of September 24, 1966, as amended, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- e. The contractor must furnish all information and reports required by the Executive order, and by the rules, regulations, and orders of the Secretary, and must permit access to the contractor's books, records, and accounts by the Postal Service and the Secretary for purposes of investigation to ascertain compliance with these rules, regulations, and orders.
- f. If the contractor fails to comply with this clause or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended, in whole or in part; the contractor may be declared ineligible for further contracts in accordance with the Executive order; and other sanctions may be imposed and remedies invoked under the Executive order, or by rule, regulation, or order of the Secretary, or as otherwise provided by law.
- g. The contractor must insert this clause, including this paragraph g, in all subcontract or purchase orders under this contract unless exempted by Secretary of Labor rules, regulations, or orders issued under the Executive order. The contractor must take such action with respect to any such subcontract or purchase order as the Postal Service may direct as a means of enforcing the terms and conditions of this clause (including sanctions for

(noncompliance), provided, however, that if the contractor becomes involved in, or is threatened with, litigation as a result, the contractor may request the Postal Service to enter into the litigation to protect the interests of the Postal Service.

b. Disputes under this clause will be governed by the procedures in 41 CFR 100-5.1.

A.6 FACILITATED NONDISCRIMINATION

a. As used in this clause, the term "facility" means stores, shops, restaurants, cafeteria, restrooms and any other facility of a public nature in the building in which the space covered by this lease is located.

b. The Lessor agrees that it will not discriminate by segregation or otherwise against any person or persons because of race, religion, color, age, sex, or national origin in furnishing, or by refusing to furnish, to such person or persons the use of any facility including any and all services, privileges, accommodations, and activities provided thereby.

c. It is agreed that the Lessor's noncompliance with the provisions of this clause shall constitute a material breach of this lease. In the event of such noncompliance, the Postal Service may take appropriate action to enforce compliance, may terminate this lease, or may pursue all other remedies as may be provided by law. In the event of termination, the Lessor shall be liable for all excess costs of the Postal Service in acquiring alternative space, including but not limited to the cost of moving to such space.

d. The Lessor agrees to include, or to require the inclusion of the foregoing provisions of this clause (with the terms "Lessor" and "Lessee" appropriately modified) in every agreement or concession pursuant to which any person other than the Lessor operates or has the right to operate any facility. The Lessor also agrees that it will take such action with respect to any such agreement as the Postal Service may direct as a means of enforcing this clause, including but not limited to termination of the agreement or concession.

A.7 OFFICIALS NOT TO BENEFIT

No member of or delegate to Congress may be admitted to any part or area of this contract, or to any benefit arising from it. This prohibition does not apply to the extent this contract is with a corporation for the corporation's general benefit.

A.8 CONTINGENT FEES

a. The offeror warrants that no person or selling agency has been employed or retained to solicit or obtain this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide, established commercial or selling agencies maintained by the Lessor for the purpose of obtaining business.

b. For breach or violation of this warranty, the Postal Service has the right to cancel this contract without liability, or at its sole discretion, to deduct from the contract price or consideration, or otherwise recover from offeror the full amount of the commission, percentage, brokerage fee, or contingent fee.

c. Licensed real estate agents or brokers having listings on property for rent, in accordance with general business practice, and who have not obtained such license for the sole purpose of effecting this lease, may be considered as bona fide employees or agencies within the exception contained in this clause.

A.9 ASSIGNMENT OF CLAIMS

a. If this contract provides for payments approaching \$10,000 or more, claims for monies due or to become due from the Postal Service under it may be assigned to a bank, trust company, or other financing institution, including any Federal lending agency, and may thereafter be further assigned and resold to any such institution. Any assignment or reassignment must cover all amounts payable and must not be made to more than one party, except that assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in financing this contract. No assignment or reassignment will be recognized as valid unless filed with the Postal Service unless a written notice of the assignment or reassignment, together with a true copy of the instrument of assignment, is filed with

1. The contracting officer, and

2. The surety or sureties upon any bonds.

b. Except with the written consent of the Contracting Officer, assignment of this contract or any interest in this contract other than in accordance with the provisions of this clause will be grounds for termination of the contract for default in the opinion of the Postal Service.

c. Nothing contained herein shall be construed as to prohibit transfer of ownership of the demand premises, so long as such transfer is subject to this agreement.

A.10 COMPLIANCE WITH OSHA STANDARDS

To the extent this agreement is for construction, alteration, and/or repair, the Lessor must: (i) comply with applicable Occupational Safety and Health Standards, the 20 OCSA of Federal Regulation, Part 1910, promulgated pursuant to the authority of the Occupational Safety and Health Act of 1970; (ii) comply with any other applicable Federal, State, or local regulation governing workplace safety to the extent they are not in conflict with (i); and (iii) take all other steps or precautions to protect the health and safety of (a) any laborer or merchant employed by the Lessor in performance of this agreement, (b) Postal Service employees, and (c) the public. The Lessor must include this clause in all subcontracts hereunder and to require its inclusion in all subcontracts of a subcontractor. The term "Lessor" as used in this clause in any subcontract must be deemed to refer to the subcontractor.

A.11 EXAMINATION OF RECORDS

a. The Postal Service and its authorized representative will, until three years after final payment under this contract, or for any shorter period specified for particular records, have access to and the right to examine any directly pertinent books, documents, papers, or other records of the contractor involving transactions related to this contract.

b. The contractor agrees to include in all subcontracts under this contract a provision to the effect that the Postal Service and its authorized representatives will, until three years after final payment under the subcontract, or for any shorter period specified for particular records, have access to and the right to examine any directly pertinent books, documents, papers, or other records of the subcontractor involving transactions related to the sub contract. The term "subcontract" as used in this clause means:

1. Purchase order; and

2. Subcontracts for public utility service connection established for uniform applicability to the general public.

A.12 CLEAN AIR AND WATER

The contractor agrees--

- a. To comply with all the requirements of section 114 of the Clean Air Act (42 U.S.C. 7414) and section 308 of the Clean Water Act (33 U.S.C. 1318) relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in section 114 of the Clean Air Act and section 308 of the Clean Water Act, and all regulations and guidelines issued to implement those acts before the award of this contract;
- b. That no portion of the work required by this contract will be performed in a facility listed on the Environmental Protection Agency List of Violating Facilities on the date when this contract was awarded/titled and until the EPA eliminates the name of the facility from the listing;
- c. To use its best efforts to comply with clean air standards and clean water standards at the facility in which the contract is being performed; and
- d. To insert the substance of this clause into any nonexempt subcontract, including this paragraph d.

A.13 CLAIMS AND DISPUTES

- a. This contract is subject to the Contract Disputes Act of 1972 (31 U.S.C. 801-813) ("the Act").
- b. Except as provided in the Act, all disputes arising under or relating to this contract must be resolved under this clause.
 - c. "Claim," as used in this clause, means a written demand or written contention by one of the contracting parties seeking, in a matter of right, the payment of money in sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. However, a written demand or written contention by the contractor seeking the payment of money exceeding \$80,000 is not a claim under the Act until certified as required by subparagraph d.2 below. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

- d.
 1. A claim by the contractor must be made in writing and submitted to the contracting officer for a written decision. A claim by the Postal Service against the contractor is subject to a written decision by the contracting officer.
 2. For contractor claims exceeding \$80,000, the contractor must submit with the claim a certification that:
 - (a) The claim is made in good faith;
 - (b) The supporting data are accurate and complete to the best of the contractor's knowledge and belief; and
 - (c) The amount requested accurately reflects the contract adjustment for which the contractor believes the Postal Service is liable.
 3. (a) If the contractor is an individual, the certification must be executed by that individual.
 - (b) If the contractor is not an individual, the certification must be executed by:
 - (1) A senior company official in charge of the contractor's plant or location involved; or

- (2) An officer or general partner of the contractor having overall responsibility for the conduct of the contractor's affairs.

e. For contractor claims of \$80,000 or less, the contracting officer must, if requested in writing by the contractor, render a decision within 60 days of the request. For contractor-certified claims over \$80,000, the contracting officer must, within 60 days, decide the claim or notify the contractor of the data by which the decision will be made.

f. The contracting officer's decision is final unless the contractor appeals or files a suit as provided in the Act.

g. The Postal Service will pay interest on the amount found due and unpaid from:

1. The date the contracting officer receives the claim (properly certified if required); or
2. The date payment otherwise would be due, if that date is later, until the date of payment.

h. Simple interest on claims will be paid at a rate determined in accordance with the interest clause.

i. The contractor must proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the contracting officer.

A.14 AFFIRMATIVE ACTION FOR HANDICAPPED WORKERS

The following clause is applicable if the contract provides for payments aggregating \$2000 or more.

- a. The contractor may not discriminate against any employee or applicant because of physical or mental handicap, in regard to any position for which the employee or applicant is qualified. The contractor agrees to take affirmative action to employ, advance in employment, and otherwise hire qualified handicapped workers without discrimination in all employment practices, such as employment, lay-off, promotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other terms of compensation, and selection for training (including apprenticeship).
- b. The contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor as pursuant to the Rehabilitation Act of 1973, as amended.
- c. In the event of the contractor's noncompliance with this clause, action may be taken in accordance with the rules and regulations and relevant orders of the Secretary of Labor.
- d. The contractor agrees to post in conspicuous places, available to employees and applicants, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. These notices state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants, and the rights of applicants and employees.
- e. The contractor must notify each union or other representative with which it has a collective bargaining agreement, either understanding that the contractor is bound by the terms of section 8(b) of the Act and is committed to taking affirmative action to employ, and advance in employment, handicapped individuals.
- f. The contractor must include this clause in every bid contract or purchase order over \$2,000 under this contract unless exempted by rules, regulations, or orders of the authority issued pursuant to section 8(b) of the Act, so as

provisions will be binding upon each subcontractor or vendor. The contractor must take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce in these provisions, including action for noncompliance.

A.16 AFFIRMATIVE ACTION FOR DISABLED VETERANS AND VETERANS OF THE VIETNAM ERA

If this contract provides for payments aggregating \$10,000 or more, the following clause is applicable.

- a. The contractor may not discriminate against any employee or applicant because that employee or applicant is a disabled veteran or veteran of the Vietnam era, in regard to any position for which the employee or applicant is qualified. The contractor agrees to take affirmative action to employ, advance in employment, and otherwise hire qualified disabled veterans and veterans of the Vietnam era without discrimination in all employment practices, such as employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training (including apprenticeship).
- b. The contractor agrees that all suitable employment openings of the contractor existing at the time of the execution of this contract or occurring during its performance (including those not generated by this contract and those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates) will be listed at an appropriate local office of a State employment service system where the opening occurs. The contractor further agrees to provide such reports to the local office regarding employment openings and hires as may be required. State and local government agencies holding Postal Service contracts of \$10,000 or more will also list all their suitable openings with the appropriate office of the State employment service.
- c. Listing of employment openings with the employment service system will be made at least concurrently with the use of any other recruitment source or effort and will involve the normal obligations attaching to the placing of a bona fide job order, including the acceptance of referrals of veterans and non-veterans. The listing of employment openings does not require the hiring of any particular applicant or hiring from any particular group of applicants, and nothing herein is intended to relieve the contractor from any other requirements regarding nondiscrimination in employment.
- d. Whenever the contractor becomes contractually bound to the listing provisions of this clause, it must advise the employment service system in each State where it has establishments of the name and location of each hiring location in the State. The contractor may advise the State system when it is no longer bound by this clause.
- e. Paragraph b, c, and d above do not apply to openings the contractor proposes to fill from within its own organization or under a customary and traditional employer/union hiring arrangement. But this exclusion does not apply to a particular opening once the contractor decides to consider applicants outside its own organization or employer/union arrangements for that opening.

1. Definitions

1. "All suitable employment openings" includes openings that occur in the following job categories: production and non-production; plant and office; laborers and mechanics; supervisory and non-supervisory; technical; and executive, administrative, and professional openings no less compensated on a salary basis of less than \$20,000 per year. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment. It does not include

openings the contractor proposes to fill from within its own organization or under a customary and traditional employer/union hiring arrangement or openings in an educational institution that are restricted to students of that institution. Under the most compelling circumstances, an employment opening may not be suitable for listing, including situations in which the needs of the Postal Service cannot reasonably be otherwise supplied, when listing would be contrary to national security, or when the requirement of listing would otherwise not be in the best interests of the Postal Service.

2. "Appropriate office of the State employment service" means the local office of the Federal-State joint system of public employment offices with assigned responsibility for serving the area where the employment opening is to be filled.

3. "Openings the contractor proposes to fill from within its own organization" means employment openings for which persons outside the contractor's organization (including any affiliates, subsidiaries, and the parent companies) will not be considered and include any openings the contractor proposes to fill from regularly established "recall" lists.

4. "Openings the contractor proposes to fill under a customary and traditional employer/union hiring arrangement" means employment openings the contractor proposes to fill from union halls as part of the customary and traditional hiring relationship existing between it and representatives of its employees.

5. The contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Vietnam Era Veterans Readjustment Assistance Act of 1972, as amended.

6. In the event of the contractor's noncompliance with this clause, action may be taken in accordance with the rules, regulations, and relevant orders of the Secretary.

7. The contractor agrees to post in conspicuous places, available to employees and applicants, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. These notices state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam era, and the rights of applicants and employees.

8. The contractor must notify each union or workers' representative with which it has a collective bargaining agreement or other understanding that the contractor is bound by the terms of the Act and is committed to taking affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam era.

9. The contractor must include this clause in any subcontract or purchase order of \$10,000 or more under this contract unless exempted by rules, regulations, or orders of the Secretary issued pursuant to the Act, so its provisions will be binding upon each subcontractor or vendor. The contractor must take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce in these provisions, including action for noncompliance.

A.16 GRATUITIES

1. The Postal Service may terminate this contract for default if, after written and a hearing, the Postal Service Board of Contract Appeals determines that the contractor or the contractor's agent or other representative:

1. Offered or gave a gratuity (such as gift or entertainment) to an officer or employee of the Postal Service; and

a. Intended by the grantee to obtain a contract or favorable treatment under a contract.

b. The rights and remedies of the Postal Service provided in this clause are in addition to any other rights and remedies provided by law or under the contract.

A.17 HAZARDOUS/TOXIC CONDITIONS CLAIMS

"Fibrous asbestos material" means any material containing more than 1% asbestos by weight that is in friable condition, pulverized, or reduced to powder when dry. It can not have contaminated soil, water or undisclosed underground storage tanks.

Unless due to the act or negligence of the Postal Service, if contaminated soil, water, underground storage tanks or piping or fibrous asbestos or any other hazardous/toxic materials or substances are defined by applicable Local, State or Federal law as abnormally dangerous on the premises, the Lessor agrees to remove such materials or substances upon notification by the U. S. Postal Service at Lessor's sole cost in accordance with EPA and/or State guidelines. If the Lessor fails to remove the asbestos or hazardous/toxic materials or substances, the Postal Service has the right to accomplish the work and deduct the cost plus administrative costs, from future rent payments or recover these costs from Lessor by other means, or may, at its sole option, cancel this lease. In addition, the Postal Service may proportionately reduce the rent for any period the premises, or any part thereof, are determined by the Postal Service to have been rendered unavailable to it by reason of such condition.

The remainder of this clause applies if this Lease is for premises not previously occupied by the Postal Service.

By execution of this Lease the Lessor certifies:

(1) The property and improvements are free of all contamination from petroleum products or any hazardous/toxic or unhealthy materials or substances including fibrous asbestos, as defined by applicable State or Federal law.

(2) There are no undisclosed underground storage tanks or associated piping on the property.

The Lessor hereby indemnifies the Postal Service and its officers, agents, representatives, and employees from all claims, loss, damage, actions, causes of action, expense and/or liability resulting from, brought for, or on account of any violation of this clause.

A.18 ADVERTISING OF CONTRACT AWARDS

Except with the contracting officer's prior approval, the contractor agrees not to refer in its commercial advertising to the fact that it was awarded a Postal Service contract or to imply in any manner that the Postal Service endorses its products.

A.19 RECORDING

This agreement or a memorandum hereof, must be recorded at the expense of the Lessor. Such expense includes all fees required for or incident to recording. If the Lessor fails to record the Lease, or a memorandum hereof, the Postal Service may record the Lease or a memorandum hereof, and deduct all costs associated therewith from future rents.

The Postal Service may sublet all or any part of the premises or assign this lease but shall not be relieved from any obligation under this lease by reason of any subletting or assignment.

Prior to expiration or termination of this lease the Postal Service may remove such alterations and improvements and restore the premises to as good condition as that existing at the time of entering upon the same under the lease, reasonable and ordinary wear and tear and damage by the elements or by circumstances over which the Postal Service has no control, excepted. If however, at the expiration or termination of the lease or any renewal or extension thereof, the Postal Service elects not to remove such alterations and/or improvements, such alterations and/or improvements shall become the property of the Lessor and any rights of restoration are waived.

A.22 APPLICABLE CODES AND ORDINANCES

The Lessor, as part of the rental consideration, agrees to comply with all codes and ordinances applicable to the ownership and operation of the building in which the rented space is situated and to obtain all necessary permits and related items at no cost to the Postal Service.

b. terminate this lease as of the date the premises become unfit for use and occupancy.

c. require the Lessor to repair or rebuild the premises as necessary to restore them to habitable condition to the satisfaction of the Postal Service. For any period the premises, or any part thereof, are unfit for use and occupancy, the rent will be abated in proportion to the area determined by the Postal Service to be uninhabitable. Uninhabitable for use does not include unsuitability arising from such causes as design, size, or location of the premises, or

d. accomplish all repair necessary for postal occupancy and deduct all such costs, plus administrative burden from future rents.

A.24 LESSOR OBLIGATIONS

The Lessor's obligations regarding the services to be provided are further defined as follows:

(a) Displaying, publicly posting, and furnishing each employee a statement that drug abuse in the workplace is prohibited and specifying what actions will be taken against employees for violations of the prohibition;

(b) Establishing a drug-free awareness program to inform all employees about:

A.27 DAVIS-BACON ACT

The following is applicable if this agreement contains provision of not interior space in excess of 6,000 square feet and involves construction work over \$2,000.00.

a. Minimum Wages

1. All mechanics and laborers employed in the contract who do *not* perform maintenance work of a recurring, routine nature necessary to keep the building or space in condition to be continuously used at an established capacity and efficiency for its intended purpose must be paid *unconditionally*, and not less than once a week, without deduction or rebate (except for deductions permitted by the Copeland Regulations (20 CFR Part 3)), the amounts due at the time of payment computed at rates not less than the aggregate of the base hourly rates and rates of payments, contributions, or costs for any fringe benefits contained in the wage-determination decision of the Secretary of Labor, attached hereto, regardless of any contractual relationship alleged to exist between the Lessor, or subcontractor and those laborers and mechanics. A copy of the wage-determination decision must be kept posted by the Lessor at the site of the work in a prominent place where it can easily be seen by the workers.

2. The Lessor may discharge its obligation under this clause to workers having classification for which the wage-determination decision contains:

- (a) Only a base hourly rate of pay, by making payment at no less than that rate, except as otherwise provided in the Copeland Regulations (20 CFR Part 3); or
- (b) Both a base hourly rate of pay and fringe-benefit payments, by paying in cash, by irrevocably contributing to a fund, plan, or program for, or by assuming an enforceable commitment to bear the cost of, bona fide fringe benefits contemplated by 40 U.S.C. 270a, or by a combination of these.

3. Contributions made, or costs incurred, on other than a weekly basis (but not less often than quarterly) are considered as having been constructively made for a weekly period. When a fringe benefit is expressed in a wage determination by any means other than as an hourly rate and the Lessor pays a cash equivalent or provides an alternative fringe benefit, the Lessor must furnish information with the Lessor's payrolls showing how the Lessor determined that the cost incurred to make the cash payment or to provide the alternative fringe benefit is equal to the cost of the wage determination fringe benefits. When the Lessor provides a fringe benefit different from that contained in the wage determination, the Lessor must show how the hourly rate was arrived at. In the event of disagreement as to an equivalent of any

fringe benefit, the contracting officer must submit the question, together with the contracting officer's recommendation, to the Secretary of Labor for final determination.

4. If the contractor does not make payments to a trustee or other third person, the contractor may consider as payment of wages the costs reasonably anticipated in providing bona fide fringe benefits, but only with the approval of the Secretary of Labor pursuant to a written request by the Lessor. The Secretary of Labor may require the Lessor to set aside funds in a separate account, to meet the Lessor's obligation under any unfunded plan or program.

5. The contracting officer will require that any class of laborers or mechanics not listed in the wage-determination but to be employed under the contract will be classified in conformance with the wage-determination and report the action taken to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210-0001, for approval. The contracting officer will approve initial classification and wage rate and fringe benefits therefor only if:

- (a) The work to be performed by the classification requested is not performed by a classification in the wage-determination;
- (b) The classification is utilized in the area by the construction industry; and
- (c) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

6. If the Lessor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate and fringe benefits therefor, the contracting officer must submit the question, together with the views of the interested parties and the contracting officer's recommendation, to the Wage and Hour Administrator for final determination. The administrator or authorized representative will, within 30 days of receipt, review, modify, or disapprove every proposed additional classification, rate, or fringe determination if the parties disagree, and no advice is given by contracting officer or advise that additional time is necessary. The final approved wage rate (and fringe benefits if appropriate) must be paid to all workers performing work in the classification under the contract from the first day work is performed in the classification. The Lessor will post a copy of the final determination of the conformance action with the wage-determination determination at the site of the work. (The Department of Labor Information collection and reporting requirements contained in paragraphs 6 above and in this subparagraph a.6 have been approved by the Office of Management and Budget under OMB control number 1270-0240.)

b. Apprentices and Trainees

1. Apprentices may be permitted to work only when (a) registered, individually, under a bona fide apprenticeship program registered with a State apprenticeship agency recognized by the Bureau of Apprenticeship and Training, U.S. Department of Labor, or (b) no such recognized agency exists in a State, under a program registered with the Bureau of Apprenticeship and Training, or (c) the apprentice is directly registered in the program, certified by the Bureau of Apprenticeship and Training agency (as appropriate) to be eligible to work only if individually registered in a program approved by the Employment and Training Administration, U.S. Department of Labor.

2. The ratio of apprentices to journeymen or trainees to journeymen in any craft classification must not be greater than that permitted for the Lessor's workforce under the registered apprenticeship or trainee program. Apprentices and trainees must be paid at least the applicable

UNOFFICIAL COPY

wage rates and fringe benefits specified in the approved apprenticeship or training program for the particular apprentice's or trainee's level of programs, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. If the apprenticeship or training program does not specify fringe benefits, apprentices or trainees must be paid in the full amount of fringe benefits listed on the wage determination for the applicable classification unless the Administrator of Wage and Hour Division determines that a different practice prevails. Any employee listed on a payroll at an apprentice or trainee wage rate not registered, or performing work on the job site in excess of the ratio permitted under the registered program, must be paid the wage rate on the wage determination for the classification of work actually performed.

3. If the Bureau of Apprenticeship and Training or State agency recognized by the Bureau (as appropriate) withdraws approval of an apprenticeship program, or if the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize apprentices or trainees (as appropriate) at less than the applicable predetermined rate for the work performed until an acceptable program is approved. (See 29 CFR 6.10 for special provisions that apply to training plans approved or recognized by the Department of Labor prior to August 20, 1972.)

4. The utilization of apprentices, trainees, and journeymen must be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 20.

c. Overtime Compensation

1. The Lessor may not require or permit any laborer or mechanic employed on any work under this contract to work more than 40 hours in any workweek on work subject to the provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), unless the laborer or mechanic receives compensation at a rate not less than one-and-one-half times the laborer's or mechanic's basic rate of pay for all such hours worked in excess of 40 hours.

2. For violations of subparagraph c.1 above, the Lessor is liable for liquidated damages, which will be computed for each laborer or mechanic at \$10 for each day on which the employee was required or permitted to work in violation of subparagraph c.1 above.

3. The contracting officer may withhold from the Lessor sums as may administratively be determined necessary to satisfy any liability of the Lessor for unpaid wages and liquidated damages pursuant to subparagraph c.2 above.

d. Payroll and Other Records

1. For all laborers and mechanics employed in the work covered by this clause, the Lessor must maintain payrolls and related basic records and preserve them for a period of three years after contract completion. The records must contain the name, address, and social security number of each employee, the employee's correct classification, rate of pay (including rates of contributions for, or costs assumed to provide, fringe benefits), the daily and weekly number of hours worked, deductions made, and actual wages paid. Whenever the Lessor has obtained approval from the Secretary of Labor to assume a commitment to bear the cost of fringe benefits under subparagraph n.4 above, the Lessor must maintain records showing the commitment and its approval, communication of the plan or program to the employees affected, and the

costs anticipated or incurred under the plan or program. Lessors employing apprentices or trainees under approved programs must maintain written evidence of the registration of apprenticeship programs and certification of training programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

2. The Lessor must submit weekly, for each work in which any work covered by this clause is performed, a copy of all payrolls to the contracting officer. The Lessor is responsible for the submission of copies of payrolls of all subcontractors. The copy must be accompanied by a statement signed by the Lessor indicating that the payrolls are correct and complete, that the wage rates contained in them are not less than those determined by the Secretary of Labor, and that the classifications set forth for each laborer or mechanic conform with the work the laborer or mechanic performed. Submission of the Weekly Statement of Compliance (see 29 CFR 6.6(n)(3)(ii)) required under this agreement satisfies this requirement. As required by this clause, the Lessor must submit a copy of any approval by the Secretary of Labor. (The Department of Labor information collection and reporting requirements in this subparagraph d.2 have been approved by the Office of Management and Budget under OMB control numbers 1215-0140 and 1215-0017.)

3. The Lessor's records required under this clause must be available for inspection by authorized representatives of the contracting officer and the Department of Labor, and the Lessor must permit the representative to interview employees during working hours on the job.

4. The Lessor must comply with the Copeland Regulations of the Secretary of Labor (29 CFR Part 3), which are hereby incorporated in this contract by reference.

e. Withholding of Funds. The contracting officer may withhold from the Lessor under this or any other contract with the Lessor so much of the accrued payments or advances as is considered necessary to pay all laborers and mechanics the sum amount of wages required by this contract or any other contract subject to the Davis-Bacon prevailing wage requirements that is held by the Lessor.

f. Subcontracts

1. If the Lessor or any subcontractor fails to pay any laborer or mechanic employed on the site of, or to work any of, the work required by the contract, the contracting officer may, after written notice to the Lessor, suspend further payments or advances to the Lessor until violations have ceased.

A.20 BANKRUPTCY

In the event the contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the contractor will furnish, by certified mail, written notification of the bankruptcy to the contracting officer responsible for administering the contract. The notification must be furnished within five days of the initiation of the bankruptcy proceedings. The notification must include the date on which the bankruptcy petition was filed, the court in which the petition was filed, and a list of Postal Service contracts and contracting officer for all Postal Service contracts for which final payment has not yet been made. This obligation remains in effect until final payment under this contract.

Facilities Department

Maintenance Rider - Lessor Responsibility

- a. The Lessor shall, except as otherwise specified herein and except for damage resulting from the negligence of Postal Service agents or employees, maintain the demised premises, including the building and any and all equipment, fixtures, and appurtenances, whether removable or non-removable, furnished by the Lessor under this Lease, in good repair and habitable condition. For the purpose of so maintaining said premises and property, the Lessor may at reasonable times, and upon reasonable notice to the facility manager, enter and inspect the same and make any necessary repairs thereto. Additionally, the Lessor shall designate maintenance repairmen for electrical emergencies, plumbing emergencies and for heating, ventilating and air conditioning and other emergencies (windows, doors, locks and other elements), who may be called by the Postal Service in the event of any emergency situation involving maintenance when the Lessor or the Lessor's agent cannot be contacted within a reasonable time.
- b. Lessor is responsible for inspection, prevention and eradication of termites and any other wood eating insects and for repair of any damage resulting therefrom.
- c. Lessor shall repaint the interior (including but not limited to the walls and ceilings) and exterior at least once every five (5) years (unless the five (5) year period is specifically extended in writing by the Contracting Officer) and at any other time that painting may become necessary as a result of fire or other casualty.
- d. If a heating system is furnished by Lessor under this Lease, such system must be maintained by Lessor at all times so as to be capable of providing a uniform temperature of at least 68 degrees Fahrenheit in all enclosed portions of the demised premises.
- e. If air-conditioning equipment is furnished by Lessor under this Lease, such equipment must be maintained by Lessor at all times so as to be capable of maintaining a uniform temperature of no greater than 78 degrees Fahrenheit in all enclosed portions of the premises.
- f. Any heating boilers, hot water supply boilers, unfired pressure vessels, elevators, escalators and dumbwaiters provided by Lessor as part of the leased premises or operated by the Lessor in conjunction with the leased premises, shall be operated and maintained by the Lessor in accordance with ANSI/ASME A17.1, Safety Code for Elevators, Escalators, Dumbwaiters, and Moving Walks; ANSI/ASME A17.2, Elevator Inspectors Manual; ANSI/ASME A17.3, Safety Code for Existing Elevators and Escalators; ASME Boiler and Pressure Vessel Code; National Electric Code; and/or ASME Safety Code No. CSD-1, Control and Safety Devices for Automatically Fired Boilers, as applicable, or as required by local ordinance. Current safety certificates issued by an organization recognized by the National Board of Boiler and Pressure Vessel Inspectors or a Federal, State or municipal authority which has adopted the American National Standard Institute/American Society of Mechanical Engineers (ANSI/ASME) Boiler and Vessel Code, must be provided by the Lessor for boilers and unfired pressure vessels. Current safety certificates for elevators, dumbwaiters and escalators must be issued by an organization authorized to inspect in accordance with the ANSI/ASME Safety Code for Elevators, Dumbwaiters and Escalators or appropriate Federal, state or municipal authority. In the event local jurisdictions do not require periodic inspection of such equipment, the Postal Service shall have the right to conduct inspections in accordance with the foregoing codes, and may issue safety certificates as appropriate.
- g. Whenever there is a need for maintenance or a repair which is the Lessor's obligation under this Maintenance Rider or for restoration of the premises or any part thereof to a state of good repair and habitable condition, the Postal Service shall give the Lessor written notice thereof, specifying a time for completion of the work which is reasonable and commensurate with the nature of the work required. A copy of any such notice shall be sent by certified or registered mail to the Lessor's mortgagee and any assignee of monies due or to become due under this Lease whose names and addresses have been furnished to the Postal Service by the Lessor. If the Lessor (or the mortgagee or the assignee, on behalf of the Lessor) fails to prosecute the work with such diligence as will ensure its completion within the time specified in the written notice (or any extension thereof as may be granted at the sole discretion of the Postal Service) or fails to complete the work within such time, the Postal Service shall have the right to perform the work, by contract or otherwise and withhold the cost thereof (which may include administrative cost and/or interest) from payments due or to become due under this Lease. In addition, the Postal Service may proportionally abate the rent for any period the premises, or any part thereof, are determined by the Postal Service to have been rendered uninhabitable to it by reason of such condition. Alternatively, the Postal Service may, if the demised premises are determined to be unfit for occupancy, at its sole discretion, cancel this Lease, without liability.
