6. Occupancy, Pre-emption, Right-of-Way, and Protection of the Property Interests of Lenders. Borrower shall occupy, maintain, repair, and defend the Property in accordance with the terms and conditions set forth in the Lease. If the restoration of property dimmed, it is the restoration of respect to economic utility that will lead to a recovery of the property. In this case, the economic utility of the property is not lessened if the restoration of property is not accompanied by a reduction in its economic value.

All insurance policies and renewals shall be negotiable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals, if Lender requires. Borrower shall promptly give to Lender all receipts of paid premiums and renewals. If Lender requires, Borrower shall promptly give to Lender insurance certificates and renewals. In the event of loss, Borrower shall promptly notify to Lender and Borrower may make good of loss if it is not made promptly by Borrower.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation accrued by the date in a number acceptable to Lender; (b) consents in good faith to the lien by depositing sufficient unencumbered property to Lender; or (c) executes an assignment of the obligation unencumbered to Lender.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraph 1 and 2 shall be applied first, to principal due; second, to any late charges due under the Note;

Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

22. Reliance. Upon payment of all sums accrued by this Security instrument, Lender shall release this Security instrument without charge to Borrower. Borrower waives all right of homestead exemption in the Property.

21. Acceleration, Remedies. Under shall give notice to the provider prior to necessary action following the occurrence of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the date to cure the defect; (b) the date to cure the defect; (c) a date, not less than 30 days from the date the notice is given to the provider, by which the defect is cured; (d) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (e) a date, not less than 30 days from the date the notice is given to the provider, by which the defect is cured; (f) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (g) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (h) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (i) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (j) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (k) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (l) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (m) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (n) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (o) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (p) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (q) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (r) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (s) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (t) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (u) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (v) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (w) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (x) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (y) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured; (z) the date to cure the defect on or before the date the notice is given to the provider, by which the defect is cured.

NON-UNIFORM COVARIANTS. Borrower and lender further covariant and argue as follows:

19. **Safe of Notes Change** - Loan Servicer. The Note or a partial interest in the Note (together with this Security instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security instrument prior notice to Borrower. The notice will also contain any other information required by applicable law.

18. Borrower's Right to Remodel. If Borrower neglects certain conditions, Borrower shall have the right to have undergone remodeling or repair at his expense at any time prior to the earlier of (a) 5 days (or such other period as applicable) after notice specifying the certain conditions, or (b) exactly one month which then would be due under this Security Instrument if no notice was given to him. Those conditions are set forth in the following table:

If Lender exercises its option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of 30 calendar days in which to cure the deficiency.

all sums received by this Security Instrument. However, this option shall not be exercised by Lender if exercise is demanded by Lender in accordance with the terms of this Security Instrument.

which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

15. **Governing Laws; Severability.** This Security instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security instrument or the Note.

11. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless otherwise agreed between Lender and Borrower.

24. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 8th day of April, 1994,
and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed
(the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to
R.J. FINANCIAL SERVICES, INC.

(the "Lender")

of the same date and covering the Property described in the Security Instrument and located at:

1030 KNOLLWOOD DRIVE
PALATINE, ILLINOIS 60067

[Property Address]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels
and certain common areas and facilities, as described in

DECLARATIONS AND COVENANTS

(the "Declaration"). The Property is a part of a planned unit development known as
KNOLLWOOD TOWNHOMES ASSOCIATION

[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning
or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds
of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and
Lender further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent
Documents. The "Constituent Documents" are the: (i) Declaration; (ii) articles of incorporation, trust instrument or any
equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the
Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the
Constituent Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier,
a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage
in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards included within the
term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of the yearly
premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property
is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage provided by the master
or blanket policy.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the
Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall
be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, with any excess paid
to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners
Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower
in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities
of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such
proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Uniform Covenant 10.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written
consent, either partition or subdivide the Property or consent to:

(i) the abandonment or termination of the PUD, except for abandonment or termination required by law in
the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit
of Lender;
