All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property during the period if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damages to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether criminal or civil, is begun that in Lender's good faith judgement could result in forfeiture of the Property or otherwise materially impair the security created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 15 by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or otherwise security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan application by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), the Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums required by a lien which has priority over this Security Instrument appearing in court, paying reasonable attorneys' fees and entering on the property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

UNOFFICIAL COPY

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security instrument or the amount of such damage suffered by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award of such Property is abandoned by Borrower, or its option, either to restoration or repair of the Property or to the sums secured by this Security instrument, whether or not then due.

If the Property is damaged by Borrower, any application of proceeds to principal shall not extend or postpone due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

Lives less Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. **Borrower Not Released; Forbearance By Lender Not A Waiver.** Extension of the time for payment of modification of the terms of this Security instrument by Lender to any sum secured by this Security instrument by reason of any default and damage to the property of the original Borrower or Borrowers' successors in interest. Any proceeds received by Lender and Borrower or Borrowers' successors in interest shall be applied to the sums secured by this Security instrument, whether or not then due.

If this Property is damaged by Borrower, or its option, either to restoration or repair of the Property or to the sums secured by this Security instrument, whether or not then due.

Whether or not the sums are then due, in the event of a partial taking of the Property before the taking is equal to or greater than the amount of a partial taking of the Property in which the fair market value of the Property immediately before the taking, unless Borrower and Lender otherwise agree in writing, is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless there is a provision of law otherwise provides, the proceeds shall be applied to the sums secured by this Security instrument.

In the event of a partial taking of the Property before the taking is equal to or greater than the amount of the sums secured by the fair market value of the Property immediately before the taking, unless Borrower and Lender otherwise agree in writing, the total amount of the sums secured shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the sums secured by this Security instrument before the taking unless Borrower and Lender otherwise agree in writing, the total amount of the sums secured shall be reduced by the amount of the proceeds multiplied by the following fraction: (b) the fair market value of the Property immediately before the taking divided by (d) the fair market value of the Property immediately before the taking.

In the event of a partial taking of the Property before the taking is equal to or greater than the amount of the sums secured by the fair market value of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured by the fair market value of the Property immediately before the taking, unless Borrower and Lender otherwise agree in writing, the total amount of the sums secured shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the sums secured by this Security instrument before the taking unless Borrower and Lender otherwise agree in writing, the total amount of the sums secured shall be reduced by the amount of the proceeds multiplied by the following fraction: (b) the fair market value of the Property immediately before the taking divided by (d) the fair market value of the Property immediately before the taking.

12. **Successors and Assigns Bound; Co-signers.** The covenants and agreements of this Security instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17.

13. **Loan Charges.** If the loan secured by this Security instrument is subject to a law which sets maximum loan charges, then is finally interpreted so that the interest of other loan charges collected or to be collected in connection with the loan exceed the limits, then (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceed permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a deposit payment to Borrower. It is refund reduces Borrower's right to notice to Lender. Any notice given by Lender shall be given by first class mail to Lender's address stated in the Note or by other address designated by Borrower. Any notice provided for in this Security instrument shall be given by Lender to Borrower.

14. **Notices.** Any notice to Borrower provided for in this Security instrument shall be given by mailing it or by mailing to first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of clause of this Security instrument or the Note and of this Security instrument conflicts with other provisions of this Security instrument or the Note which can be given effect without the amendment of this Security instrument, Lender may, at its option, require immediate payment in full of all sums secured by this Security instrument. However, if Lender exercises this option, Lender shall give notice of this Security instrument to Borrower within 30 days from the date the notice is given.

16. **Borrower's Copy.** Borrower shall be given one conforming copy of the Note and of this Security instrument.

17. **Transfer of the Property or a Beneficial Interest in Borrower.** It all or any part of the Property or any interest in it sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent. Lender may, at its option, require immediate payment in full of all sums secured by this Security instrument. If this option shall not be exercised by Lender, if exercise is prohibited by federal law as of the date of this Security instrument without further notice of demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify by written statement) before sale of the Property pursuant to any power of sale contained in this Security Instrument, or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) take such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 17 above and applicable law. The notice will state the name and address of the new Loan Servicer and address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to the tenancy of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which the Borrower has actual knowledge. If Borrower learns or is notified by any governmental or regulatory authority, that any removal or other corrective action of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON UNIFORM COVENANTS

Borrower and Lender further covenant and agree as follows:

21. Acceleration, Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without expense to Borrower. Borrower shall pay any recordation costs.

ADJUSTABLE RATE RIDER

(1 Year Treasury Index - Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 21ST day of APRIL, 19 94, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to MIDAMERICA FEDERAL SAVINGS BANK (the "Lender") of the same date and covering the property described in the Security Instrument and located at 249 E GROVENOR DR., SHAUMBURG, ILLINOIS 60193

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.250 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

91380372

(A) Change Dates

The interest rate I will pay may change on the first day of MAY 1ST, 19 97, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding THREE AND ONE THIRTY percentage points (3.250 %) to the Current Index. The Note Holder will

then round the result of this addition to the nearest one eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.250 % or less than 7.250 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.250 %, which is called the "Maximum Rate", or less than 7.250 %, which is called the "Minimum Rate".

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

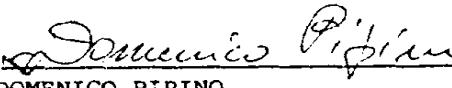

Section Covenant 17 of the Security Instrument is amended to read as follows:

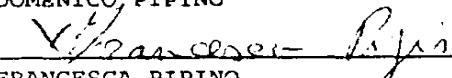

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person, without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be liable under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
