Loan and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby agrees with the Agent, for the benefit of the Banks, as follows:

1. Assignment. To secure payment of the Secured Obligations Borrower does hereby immediately and absolutely sell, assign, transfer, and set over unto Agent, its successors and assigns, all Rents (defined below) and all of Borrower's rights and remedies under all Leases (defined below), and the acceptance of this Assignment and the collection of Rents hereby assigned shall not constitute a waiver of any rights of Agent under the terms of the Loan Documents (as defined in the Credit Agreement). As used herein: (i) "Lease" means each existing or future lease, sublease (to the extent of Borrower's rights thereunder) or other agreement under the terms of which any person has or acquires any right to occupy or use the Premises, or any part thereof, or interest therein, and to each existing or future guaranty of payment or performance thereunder, and all extensions, renewals, modifications and replacements of each such lease, sublease, agreement or guaranty; and (ii) "Rents" means all of the rents, revenue, income, profits and proceeds derived and to be derived from the Premises or arising from the use or enjoyment of any portion thereof or from any Lease, including but not limited to liquidated damages following default under any such Lease, all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by damage to any part of the Premises, all of Borrower's rights to recover monetary amounts from any tenant in bankruptcy including, without limitation, rights of recovery for use and occupancy and damage claims arising out of Lease defaults, including rejections, under any applicable debtor relief law, together with any sums of money that may now or at any time hereafter be or become due and payable to Borrower by virtue of any and all royalties, overriding royalties, bonuses, delay rentals and any other amount of any kind or character arising under any and all present and all future oil, gas, mineral and mining leases covering the Premises or any part thereof, and all proceeds and other amounts paid or owing to Borrower under or pursuant to any and all contracts and bonds relating to the construction or renovation of the Premises.

2. Application of Rents by Borrower. So long as there shall exist no Event of Default (as defined in the Credit Agreement), Borrower shall have the right under a license granted hereby (but limited as provided in the following section) to collect upon, but not more than two months prior to accrual, all of said Rents, and Borrower shall receive such Rents, as a trust fund to be applied, and Borrower hereby covenants to so apply same, to the payment of taxes and assessments due and payable upon the Premises before penalty or interest are due thereon, to the cost of such insurance and of such maintenance and repairs as is required by the terms of the Credit Agreement, and to the payment of interest and principal and other amounts becoming due on the Loan, before using any part of the same for any other purposes.

3. Collection of Rents by Agent. In furtherance of the foregoing assignment, Borrower hereby authorizes Agent, by its employees or agents, at its option, after the occurrence of an Event of Default, to terminate the aforesaid license granted to Borrower to collect said Rents, and to collect, in the name of Borrower or in its own name, as assignee, the Rents accrued but unpaid and in arrears at the date of said Event of Default as well as the Rents

thereafter accruing and becoming payable during the period of the continuance of the said Event of Default or any other Event of Default; and to this end, Borrower further agrees that it will use its good faith diligent efforts to assist Agent in Agent's collection of said Rents, and will, upon request by the Agent, execute a written notice to each tenant directing the tenant to pay Rent directly to Agent.

4. Agent's Management of Premises. Upon such exercise of its right to collect rents, Agent shall be authorized, but not obligated, to take over and assume the control, care, management, operation, repair and maintenance of the Premises and to perform such other acts as Agent in its discretion may deem proper, and to expend such sums out of the income of the Premises as may be needful in connection therewith, in the same manner and to the same extent as the Borrower theretofore might do (including the right to effect new Leases, to cancel or surrender existing Leases, to evict tenants, to bring or defend any suits in connection with the possession of any portion of the Premises in its own name or the Borrower's name, to alter or to amend the terms of existing Leases, to renew existing Leases, and to make concessions to the tenants). Borrower hereby releases all claims against Agent arising out of such management, operation, repair and maintenance, excepting the liability of Agent to account as hereinafter set forth, and except claims arising from the gross negligence, bad faith or willful misconduct of Agent.

5. Indemnity. Unless and until the license granted to the Borrower in Section 2 is terminated and Agent collects all Rents or exercise its rights as described in Sections 3 and 4 hereof, Agent shall not be obligated to perform or discharge any obligation or duty to be performed or discharged by Borrower under any of said Leases, and Borrower hereby agrees to indemnify Agent for, and to save Agent harmless from, any liability arising prior to such entry from any of said Leases or from this Assignment, and this Assignment shall not place responsibility for the conduct, care, management, or repair of the Premises upon Agent, or make Agent responsible or liable for any act or negligence in the management, operation, upkeep, repair or control of said Premises resulting in loss or injury or death to any tenant, licensee, employee or stranger.

6. Representations of Borrower. Borrower hereby covenants and represents that (a) except as hereinafter set forth, Borrower has full right and title to assign to Agent said Leases and the Rents; and (b) no prior assignment of any interest thereof has been made.

7. Application of Rents by Agent. Agent, after payment of such charges and expenses as Agent, in its sole discretion, may elect to pay, including reasonable compensation to such managing agent as it may select and employ, and after the accumulation of a reserve to meet taxes, assessments, utilities, fire and liability insurance and maintenance and replacement expenses in requisite amounts, shall credit the net amount of income received by Agent from the Premises by virtue of this Assignment, to any amount due and owing to Agent by Borrower under the terms of the Loan Documents, but the manner of the application of such net income and the items which shall be credited shall be determined by Agent, in its sole discretion. Agent shall not be accountable for more moneys than it actually receives from the Premises, nor shall

Agent be liable for failure to collect Rents. Agent shall make reasonable efforts to collect Rents, reserving, however, within its own discretion, the right to determine the method of collection and the extent to which enforcement of collection of delinquent Rents shall be prosecuted.

8. Reinstatement of License: Possession. In the event, however, that Borrower shall reinstate the Loan completely in good standing, having complied with all of the terms, covenants and conditions of the Loan Documents, then the license granted under Section 2 shall be reinstated and Agent, within one month after demand in writing, shall notify tenants that Rents should be paid to Borrower and redeliver the right to collect Rents or possession of the Premises to Borrower who shall retain such right and remain in possession unless and until another Event of Default occurs, at which time the license shall terminate and Agent, at its option, may exercise its right to collect Rents or take possession of the Premises again in accordance with this Assignment and applicable law.

9. Perfection or Activation of Rights. To the extent permitted under applicable laws, if there exists an Event of Default, and if there is any law requiring Agent to take actual possession of the Premises (or some action equivalent thereto, such as securing the appointment of a receiver) in order for Agent to "perfect" or "activate" its rights and remedies as set forth herein or under any of the other Loan Documents, Borrower hereby waives the benefits of such law and agrees that such law shall be satisfied solely by: (i) Agent sending Borrower written notice that Agent intends to enforce, and is enforcing, its rights in and to the Premises, the Rents, and other items assigned herein; and (ii) Agent sending written notice to any or all tenants on the Premises that said tenants should commence making payments under the Leases directly to Agent or its designee.

10. Terms. The provisions of this Assignment shall be binding upon Borrower and its successors or assigns, and upon Agent and its successors or assigns. The word "Borrower" shall be construed to mean any subsequent owner of the Premises or any portion thereof.

11. Governing Law. THIS ASSIGNMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ILLINOIS AND THE LAWS OF THE UNITED STATES APPLICABLE TO TRANSACTIONS IN ILLINOIS AND THE INTERNAL LAWS OF THE STATE WHERE THE PREMISES IS LOCATED SHALL GOVERN THE LIEN PRIORITY AND VALIDITY OF THIS ASSIGNMENT AND THE PROCEDURES WITH RESPECT TO THE ENFORCEMENT THEREOF.

12. Mortgagee in Possession. It is not the intention of the parties hereto that an entry by Agent upon the Premises under the terms of this Assignment shall constitute Agent a "mortgagee in possession" in contemplation of law, except as may be permitted under applicable law.

13. Duration of Assignment: Releases. This Assignment shall remain in full force and effect as long as the Secured Obligations remain unpaid in whole or in part. Upon (i) payment in full by Borrower of the Secured Obligations, or (ii) payment of the Release Price pursuant to the Credit Agreement, this Assignment shall become and be void and of no force or effect,

and the Agent shall release its lien on and security interest in the Leases and Rents. If the Leases and Rents are so released, the Agent, at the request and sole cost and expense of Borrower, will execute and deliver to Borrower a proper instrument or instruments acknowledging the satisfaction and termination of this Assignment (including, without limitation, appropriate UCC-3 termination statements, terminating any financing statements as may have been filed by the Agent against the Leases and Rents), and will duly assign, transfer and deliver, without recourse and without any representation or warranty, express or implied (except that the Agent shall represent that such release has been and is duly authorized, that all necessary consents to the execution and delivery thereof have been obtained and that it has not assigned or encumbered the Leases and Rents), to Borrower such of the Leases and Rents as may be in the possession of the Agent (and any other property of Borrower in the possession of the Agent pursuant to the Agent's exercise of its rights hereunder) that has not theretofore been sold or otherwise applied or released pursuant to this Assignment together with any moneys at the time held by the Agent hereunder and not applied by the Agent as described in Paragraph 7 hereof.

14. Non-Recourse. The Secured Obligations are subject in all respects to Section 9.14 of the Credit Agreement.
