THIS IS A SECOND MORTGAGE LOAN

## MORTGAGE, ASSIGNMENT OF RENTS & SECURITY AGREEMENT (CHATTEL MORTGAGE)

THIS MORTGAGE ("Security Instrument") is given on June 23, 1995, by Janet DuBois, a single woman, ("Mortgagor"). This Security Instrument is given to Mid Town Bank and Trust Company of Chicago, which is organized and existing under the laws of the State of Illinois, and whose address is 2021 North Clark Street, Chicago, Illinois 60614 ("Lender"). Mortgagor is justly indebted to Lender in the principal sum of Thirty Thousand and 00/100 (\$30,000.00) Dollars, which indebtedness is evidenced by a certain note dated of even date herewith ("Note") which Note provides for payments of the indebtedness as set forth below:

### Interest

Borrower promises and agrees to pay to Lender interest on the unpaid principal balance evidenced by this Note at the following rate: One-half (0.5) percentage point ("the margin") over the Prime Rate of interest per annum. For purposes of this Note the "Prime Rate" shall mean the prime rate of interest as announced from time to time in the Money Rate Section of the Wall Street Journal. The rate may vary daily with changes in the Prime Interest Rate and each day with changes in your outstanding daily balance provided, however, that the rate will never increase above 19.50% (the "Rate Cap") during the term of this loan. There are no limitations on the amount which the rate may decrease during the term of this agreement. The effect of an increase in the rate will be that your scheduled monthly payment, if applicable, will also increase. We may suspend your right to future credit privileges in the event the Prime Interest Rate plus the margin noted above exceeds the rate cap. You also understand that we may suspend your right to obtain future advances even if you are not in default under the agreement.

The rate stated above is a special rate offered by Lender to Borrower on the strict condition that the Borrower maintain a checking account with Lender which will be automatically debited for payments due under the loan. If Borrower fails to maintain an account with a sufficient balance when needed to be debited automatically for each payment, when due, then, at Lender's option, the interest rate will increase one-half percent (0.5%) per annum, and such increase will be effective as of the first day of the month preceding the month in which a payment is not automatically debited.

## K. Restrictions on Transfers.

In determining whether or not to make the loan secured hereby, Lender examined the credit-worthiness of Mortgagor and/or Mortgagor's beneficiary or guarantors (if applicable), found the same to be acceptable and relied and continues to rely upon same as the means of repayment of the loan. Lender also evaluated the background and experience of Mortgagor and/or its beneficiary or guarantor (if applicable) in owning and operating property such as the Premises, found the same to be acceptable and relied and continues to rely upon same as the means of maintaining the value of the Premises which is Lender's security for the loan. It is recognized that Lender is entitled to keep its own portfolio at current interest rates by either making new loans at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagor and/or its beneficiary (if applicable).   - d. keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if appropriate) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:
    - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
