Security interest in land may be held by the owner or by another person under a leasehold interest.

4. Changes: Likewise, Barronover still plays all roles, amicably, though, like and is particularly attached to the property which others generally consider too showy or pretentious, and he would probably turn up to play it again if Barronover makes a second production.

third, to interfere directly with, to participate directly, and last, to try to let the changes do under the Nuremberg trials.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Plaintiff under paragraph 2 and 2 shall be applied first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2;

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any funds held by Lender in its name or account or the name of any other person.

If the funds received by Lenders carried out the requirements formulated to be held by application of law, Lenders would account to Borrower for the excess funds in accordance with the requirements necessary to make up the deficiency. Borrower's claim would pay to Lender the amount necessary to make up the deficiency. Borrower may do this, Borrower is writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower's claim would pay to Lender the amount necessary to make up the deficiency. Borrower's claim would pay to Lender the amount necessary to make up the deficiency. Borrower's claim would pay to Lender the amount necessary to make up the deficiency.

The Funds shall be held in an account whose deposits are insured by a Federal agency, instrumentality, or entity (including Leader), if Leader is such as to satisfy the Federal Home Loan Bank, Leader shall apply the Funds to pay the Escrow items, Leader may not charge Borrower for holding and applying the Funds, usually analyzing the escrow account, or verifying the Escrow items, unless Leader pays Leader's escrow interest on the Funds and applies Escrow items to make such a charge. However, Leader may require Leader to pay a one-time charge for an unanticipated real estate tax refunding service. Furthermore, Leader may require Borrower to pay a one-time charge for an unexpected real estate tax refunding service used by Leader in connection with this loan, unless Escrow provider otherwise. Unless an agreement is made or applicable law requires Leader to pay Borrower to pay all amounts on the Funds, Leader shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit in the Funds was made. The Funds are pledged as additional security for all sums borrowed by this Security instrument.

1. **Principles of protection and taxation:** protection and state charges. However, authors propose pay taxes due the principles of and rules on the debt evidenced by the Note and any prepayment and late charges due under the Note.

**UNIFORM COVENANTS.** Both parties add further covenants and agree as follows:

**BORROWER COVENANTS** that Borrower is lawfully seized of all the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants that and covers the Property and that the title of Borrower is not disputed, except for encumbrances of record. Borrower warrants that and covers the Property and that the title of Borrower is not disputed, except for encumbrances of record. Borrower warrants that and covers the Property and that the title of Borrower is not disputed, except for encumbrances of record. Borrower warrants that and covers the Property and that the title of Borrower is not disputed, except for encumbrances of record.

**TOGETHER WITH** all the improvements now or hereafter erected on the property; **but** all the fixtures now or hereafter erected as part of the property. All replacements and additions shall also be covered by this Security instrument. All of the foregoing is referred to in this Security instrument as the "Property".

this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

**6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

**7. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

**8. Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to

As a result, many banks will continue to prioritize providing low-risk instruments such as certificates of deposit (CDs) and money market funds over riskier assets like stocks and bonds. This shift in investment strategy has led to a significant decline in bank lending activity, which has further contributed to the economic slowdown.

13. **Liability (charges).** If the lessee is required by this Security Instrument to subject to a law which sets maximum amounts on charges, and that law is found, interpreted so that the intention of the parties is frustrated or violated, the lessee will be relieved as a partial preparation without any framework. lessees may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to the lessor; and (b) any sums already collected from lessees which exceed permitted limits will be refunded to the lessor.

12. **Security and Serviceability:** (a) **Security:** The provisions of this Agreement and the consequences of this Security shall bind and benefit the beneficiaries and assigns of Leader and Borrower, subject to the provisions of this Security instrument and notwithstanding any conflict of law.

11. **Borrower's Right to Accelerate; Put Option;** If any payment or any part of any payment of principal or interest when due by the Borrower is not paid when due, the Lender may declare all or any part of the unpaid principal and accrued interest thereon to be due and payable immediately.

Unless Lessor and lessee otherwise agree in writing, any application of proceeds to principal shall not extend or  
postpone the due date of the monthly payments required to be made under § 1 and 2 or change the amount of such payments.

11 The responsibility to maintain and repair wells is the owner's responsibility, unless otherwise provided by law.

In the event of a partial taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not the same may exceed paid to Borrower, to the extent of a partial taking of the Property in which the fair market value of the Property immediately before the taking is greater than the amount of the sums secured by this Security Instrument, before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking.

16. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and

9. **Assignment.** Lessor or the agent may make reasonable efforts upon and inspections of the Property. Lessor shall give Borrower notice in due time of or prior to an inspection specifically regarding reasonable cause for the inspection.

Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

**15. Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

**16. Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

**17. Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

**18. Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

**19. Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

**20. Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

## NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

**21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless
