K. Restrictions on Transfers.

1. In determining whether or not to make the loan secured hereby, Lender examined the credit-worthiness of Mortgagor and/or Mortgagor's beneficiary or guarantors (if applicable), found the same to be acceptable and relied and continues to rely upon same as the means of repayment of the loan. Lender also evaluated the background and experience of Mortgagor and/or its beneficiary or guarantor (if applicable) in owning and operating property such as the Premises, found the same to be acceptable and relied and continues to rely upon same as the means of maintaining the value of the Premises which is Lender's security for the loan. It is recognized that Lender is entitled to keep its own portfolio at current interest rates by either making new loans at such rates or collecting assumption fees and/or increasing the interest rate on a loan the security for which is purchased by a party other than the original Mortgagor and/or its beneficiary (if applicable). Mortgagor and/or its beneficiary (if applicable) further recognize that any secondary or junior financing placed upon the Premises, or the beneficial interest of beneficiary in Mortgagor:
 - a. may divert funds which would otherwise be used to pay the Note secured hereby;
 - b. could result in acceleration and foreclosure by any such junior encumbrancer which would force Lender to take measures and incur expenses to protect its security;
 - c. would detract from the value of the Premises should Lender come into possession thereof with the intention of selling same; and
 - d. impair Lender's right to accept a deed in lieu of foreclosure, as a foreclosure by Lender would be necessary to clear the title of the Premises.
2. In accordance with the foregoing and for the purposes of:
 - a. protecting Lender's security, both of repayment of the indebtedness and of value of the Premises;
 - b. giving Lender the full benefit of its bargain and contract with Mortgagor and/or beneficiary (if applicable) and Mortgagor;
 - c. allowing Lender to raise the interest rate and/or collect assumption fees; and
 - d. keeping the Premises and the beneficial interest (if applicable) free of subordinate financing liens, beneficiary (if appropriate) and Mortgagor agree that if this Paragraph be deemed a restraint on alienation, that it is a reasonable one and that any sale, conveyance assignment, further encumbrance or other transfer of title to the Premises or any interest therein (whether voluntary or by operation of law) without the Lender's prior written consent shall be an event of default hereunder. For the purpose of, and without limiting the generality of, the preceding sentence, the occurrence at any time of any of the following events shall be deemed to be an unpermitted transfer of title to the Premises and therefore an event of default hereunder:
 - (1) any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, all or any part of the title to the Premises or the beneficial interest or power of direction under the trust agreement with the Mortgagor, if applicable;
