Lender's acceptance of the transferee's assumption of the obligation under Note shall not release Borrower from any of obligations under the Note and the Credit Document, and Borrower shall assume the status of the guarantor of the Note until paid in full. Borrower understands that Lender will not permit the assumption of the outstanding balance under the Note in any event and will declare the entire outstanding principal balance plus accrued interest and other charges due to be immediately due and payable (see Paragraph 17 hereof), unless (i) Borrower has submitted to Lender a written acknowledgement from the transferee that the transferee has received (a) a copy of each of the Credit Documents and (b) notice of the amount of Borrower's outstanding principal balance on the line of credit; (ii) Borrower has submitted to Lender a written acknowledgement from transferee that transferee has received such material and understands that Lender's security interest reflected by this Mortgage and the Security Agreement, if any, will remain on the Property and the Beneficial Interest, if any, until the entire outstanding principal balance of Borrower's line of credit as of the date of such sale or transfer or promise, plus any subsequent borrowing made under Borrower's line of credit before Lender has actual knowledge of the sale or transfer, together with accrued interest and other charges, is paid in full; (iii) Borrower causes to be submitted to Lender from the transferee a loan application as required by Lender so that Lender may evaluate the creditworthiness of the transferee as if a new loan were being made to the transferee; and (iv) Lender does not in its sole opinion, believe that (a) its security will be adversely affected, or (b) a breach of any promise or agreement in this Mortgage or the Security Agreement, if any, will occur or (c) such transfer will permit the acceleration of any loan which has priority in right of payment over the indebtedness evidenced by the Note. Further advances on the line of credit will cease as of the date of the written assumption agreement signed by the transferee and Lender. The transferee and Borrower shall retain the right to repay the Note before the final payment date set forth in Paragraph 4 of the Note, in whole or in part, at any time without premium or penalty.
