Borrower covenants that Borrower is the lawful owner of the estate in land hereby conveyed and has the right to grant, convey and mortgage the Property, and that the Property is unencumbered except for encumbrances of record. Borrower (unless Borrower is a Trust) covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record. Borrower covenants that Borrower will neither take nor permit any action to partition or subdivide the Property or otherwise change the legal description of the Property or any part thereof, or change in any way the condition of title of the Property or any part thereof.

Borrower acknowledges that the Note calls for a variable interest rate, and that the Lender may, prior to the expiration of the term of the Note, cancel future advances thereunder and/or require repayment of the outstanding balance under the Note, in this regard, the Note provisions set forth verbatim below relate to the variable interest rate and the Lender's option to require repayment prior to expiration of the term of the Note or to cancel future advances for reasons other than default by the Borrower.

The first four paragraphs of paragraph 3 of the Note entitled "INTEREST (VARIABLE RATE)", provide as follows:

The ANNUAL PERCENTAGE RATE applied to the outstanding principal balance on this Note is calculated daily and equal to the Prime Rate plus 0.00 percentage points (the "Note Rate"); provided, however, in the event I fail to use my SIGMA² Checking Account with Lender as my Primary Household Account (as herein defined) or to continue to authorize Lender to make automatic debits from my Primary Household Account in payment of sums due hereunder, then the ANNUAL PERCENTAGE RATE applied to the outstanding principal balance of this Note shall be increased to 1/4 of one percent over the Note Rate, in effect from time to time. The Prime Rate for any given date is the lowest "prime rate" as then defined and published in The Wall Street Journal "Money Rates" column (or any column successive thereto) on the last business day of the preceding month. On days on which The Wall Street Journal does not regularly publish, the "Prime Rate" shall be the "prime rate" as then defined and published in The Wall Street Journal "Money Rates" column, (or any column successor thereto) on the most recent date prior to the last business day of the preceding month. The Wall Street Journal currently defines the "Prime Rate" as the base rate on corporate loans at large United States money center commercial banks. For purposes of this Note, I will be considered to maintain a Primary Household Account with Note Holder only if I make at least two deposits to my SIGMA² Checking Account each month, if I make at least five payments from such Account per month, by check or preauthorized draft, and if no other facts indicate that my SIGMA² Checking Account is not being used as my Primary Household Checking Account.

The maximum ANNUAL PERCENTAGE RATE that can apply is 12%. Apart from this rate cap there is no limit on the amount by which the rate can change during any one year period.

If Note Holder elects to freeze the line or reduce the credit limit, the freezing of my right to any future advances or the reduction in the amount of the line of credit will be effective when Note Holder elects, provided that Note Holder shall mail or deliver written notice of that action to me not later than three (3) business days after the action is taken and shall contain the specific reasons for the action. If the notice specifies that Note Holder is terminating my line, rather than merely freezing it, I will be obligated to repay my outstanding principal balance, and all accrued FINANCE CHARGES and other charges imposed upon my credit line, upon receipt of the notice, provided, however, that Note Holder will still have the right, in accordance with and at the times specified in this Note to give me a subsequent notice terminating my line entirely, thus accelerating the Due Date and thereby advancing the date full repayment is due. In addition, Note Holder will still have the right to terminate the line, accelerate the Due Date and institute foreclosure proceedings under the Mortgage if an event or breach permitting such remedies occurs.
