The Agreement provides that loans may be made from time to time (but in no event later than 20 years from the date hereof) not to exceed the above stated maximum amount outstanding at any one time. The Agreement evidences a revolving line of credit between Borrower and Lender and therefore, the lien of this Mortgage secures payment of any existing indebtedness under the Agreement, and any future advances as may be made from time to time by Lender in connection with the Agreement from the date hereof to twenty (20) years from the date of this Mortgage, and the lien of this Mortgage secures future advances made in connection with the Agreement to the same extent as if such future advances were made on the date hereof regardless of whether or not any advance has been made as of the date of this Mortgage, or whether there is any outstanding indebtedness at the time of any future advance.
