Dear Mr. and Mrs. Bergen:

As you are aware, we are the owners of the property to your East and adjoining. As you can see from the attached survey the fence on our West line is well within our lot line. You have been using the property between the fence and the lot line for your landscaping. A license (permission) is hereby granted to you to continue to use said property until such time as the same may be revoked by the then owner of the property East and adjoining.

If you should have any questions please do not hesitate to contact me.

Very truly yours,

Spencer Scott Willison, Jr.
