 INTEREST AND REPAYMENT OF THE OBLIGATIONS. The Note accrues interest from the date of disbursement, on the unpaid principal balance at an annual rate equal to 1 percentage point above Bank's Prime Rate, an adjusted and announced from time to time until the Note matures or the obligation is accelerated. The Prime Rate, plus 1 percentage point, may also be referred to hereafter as the "Contract Rate".

"PRIME RATE" or "PRIME" means the rate of interest announced by the Bank as its PRIME RATE. That Prime Rate will fluctuate from time to time. The Contract Rate is the rate of Bank's Prime Rate (6.75%) plus 1 percentage point. The affective Contract Rate today is 6.75%. Bank's Prime Rate today is not necessary, the lowest rate at which Bank lends its funds. The Prime Rate is only an index rate from which interest rates actually charged to customers may be measured. The use of the Prime Rate is for convenience only and does not constitute a constitute by Bank to lend microsy at a professed rate of literal. The Prime Rate is a benchmark for pricing curtain types of loans. Depending on the circumstances, such as the amount and term of the loan the creditworthness of the borrower or any quaranter, the presence and nature of collatural and other relationships between a borrower and Bank, loans the priced at, above or below the Prime Rate.

All adjustments to the Contract Rate will be made on each day that the trime Rate changes. Any increase to the Prime Rate may be carried over to a subsequent adjustment date without resulting in a wayor or inferture of such adjustment, provided an adjustment to the Contract Rate is made within one year from the date of such increase. Any change in the Contract Rate will take the form of different payment amounts. After maturity or acceleration, the unpaid halance shall bear interest at one rate specified in the Note until paid. If the interest accrued and collected exceeds the Maximum Lawful Interest as of the time of collection, such excess shall be refunded to Borrower according to the actuarial method. Interest shall be computed on the basis of a 360-risy year and the actual number of days elapsed.

Accrued interest is due and payable in 17 monthly payments on the 22nd day of each month, beginning September 22, 1995, or the day following if the payment day is a holiday or is a non-business that for Bank. Unless paid prior to maturity, the last scheduled payment plus all unpaid principal, accrued interest, costs and expenses are due and psyable on February 22, 1997, which is the date of maturity.
