Borrower and Lender may agree in writing at the time of execution of the language that interest on the Funds shall be paid to Borrower, and unless such agreement be made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Fund's, if any, are pledged as additional security for the sums secured by this Mortgage, and are held by Lender as a creditor and not as a trustee.

Neither Lender nor any institution designated by Lender to hold the Funds shall be liable for any failure to make the payments of insurance premiums, taxes or ground rents unless Borrower, while not in default hereunder, shall have requested Lender or such institution to make application of the Funds to the payment of the applicable insurance premiums, taxes or ground rents, accompanied by the bills for such insurance premiums, taxes or ground rents. Notwithstanding the foregoing Lender may, at its option, make or cause such institution to make any such application of the Funds without any direction or request to do so by Borrower.

Borrower shall promptly discharge any lien which may attain priority over this Mortgage (other than any prior first mortgage or deed of trust); provided, that Borrower shall not be required to discharge any such lien so long as Borrower shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender or shall in good faith contest such lien by, or defend enforcement of such lien in, legal proceedings which operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof.

Any use or attempted use by Borrower of the revolving line of credit evidenced by the Note after such an Event of Default shall constitute a separate Event of Default.

As an alternative to declaring all sums secured by this Mortgage to be immediately due and payable, Lender may waive its option to accelerate and agree in writing, prior to close of the sale or transfer to the transferee's assumption of the outstanding obligation under the Note, on terms satisfactory to Lender, subject to Lender's right, described in Paragraph 6.D of the Note, to freeze or reduce the line of credit. Lender's acceptance of the transferee's assumption of the obligation under Note shall not release Borrower from any of obligations under the Note and the Credit Document, and Borrower shall assume the status of the guarantor of the Note until paid in full. Borrower understands that Lender will not permit the assumption of the outstanding balance under the Note in any event and will declare the entire outstanding principal balance plus accrued interest and other charges due to be immediately due and payable (see Paragraph 17 hereof), unless (i) Borrower has submitted to Lender a written acknowledgement from the transferee that the transferee has received (a) a copy of each of the Credit Documents and (b) notice of the amount of Borrower's outstanding principal balance on the line of credit; (ii) Borrower has submitted to Lender a written acknowledgement from transferee that transferee has received such material and understands that Lender's security interest reflected by this Mortgage and the Security Agreement, if any, will remain on the Property and the Beneficial Interest, if any, until the entire outstanding principal balance of Borrower's line of credit as of the date of such sale or transfer or promise, plus any subsequent borrowing made under Borrower's line of credit before Lender has actual knowledge of the sale or transfer, together with accrued interest and other charges, is paid in full; (iii) Borrower causes to be submitted to Lender from the transferee a loan application as required by Lender so that Lender may evaluate the creditworthiness of the transferee as if a new loan were being made to the transferee; and (iv) Lender does not in its sole opinion, believe that (a) its security will be adversely affected, or (b) a breach of any promise or agreement in this Mortgage or the Security Agreement, if any, will occur or (c) such transfer will permit the acceleration of any loan which has priority in right of payment over the indebtedness evidenced by the Note. Further advances on the line of credit will cease as of the date of the written assumption agreement signed by the transferee and Lender. The transferee and Borrower shall retain the right to repay the Note before the final payment date set forth in Paragraph 4 of the Note, in whole or in part, at any time without premium or penalty.

17. **ACCELERATION; REMEDIES (INCLUDING FREEZING THE LINE).** Upon the existence of an Event of Default Lender may, at its sole option, terminate the line, declare all of the sums secured by this Mortgage to be immediately due and payable without further demand, and invoke any remedies permitted by applicable law.
