3. Application of Payments. All payments under paragraphs 1 and 2 shall be applied by Lender as follows:

First, to the mortgage insurance premium to be paid by Lender to the Secretary or to the monthly charge by the Secretary instead of the monthly mortgage insurance premium;

Second, to any taxes, special assessments, leasehold payments or ground rents, and fire, flood and other hazard insurance premiums, as required;

Third, to interest due under the Note;

Fourth, to amortization of the principal of the Note;

Fifth, to late charges due under the Note.

4. Fire, Flood and Other Hazard Insurance. Borrower shall insure all improvements on the Property, whether now in existence or subsequently erected, against any hazards, casualties, and contingencies, including fire, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. Borrower shall also insure all improvements on the Property, whether now in existence or subsequently erected, against loss by floods to the extent required by the Secretary. All insurance shall be carried with companies approved by Lender. The insurance policies and any renewals shall be held by Lender and shall include loss payable clauses in favor of, and in a form acceptable to, Lender.

In the event of loss, Borrower shall give Lender immediate notice by mail. Lender may make proof of loss if not made promptly by Borrower. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Lender, instead of to Borrower and to Lender jointly. All or any part of the insurance proceeds may be applied by Lender, at its option, either (a) to the reduction of the indebtedness under the Note and this Security Instrument, first to any delinquent amounts applied in the order in paragraph 3, and then to prepayment of principal, or (b) to the restoration or repair of the damaged property. Any application of the proceeds to the principal shall not extend or postpone the due date of the monthly payments which are referred to in paragraph 2, or change the amount of such payments. Any excess insurance proceeds over an amount required to pay all outstanding indebtedness under the Note and this Security Instrument shall be paid to the entity legally entitled thereto.

In the event of foreclosure of this Security Instrument or other transfer of title to the Property that extinguishes the indebtedness, all right, title and interest of Borrower in and to insurance policies in force shall pass to the purchaser.

5. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless the Secretary determines this requirement will cause undue hardship for Borrower, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall notify Lenders of any extenuating circumstances. Borrower shall not commit waste or destroy, damage, or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Lender may inspect the Property if the Property is vacant or abandoned or the loan is in default. Lender may take reasonable action to protect and preserve such vacant or abandoned Property. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in

connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as to the principal residence, if this Security Interest is on a leasehold basis to the Property, the provisions of the leasehold and fee simple title shall not be merged unless under agrees to the merger in writing.

Property. Borrower shall pay all government or municipal charges, fines and impoundments that are not included in paragraph 2. Borrower shall pay these obligations on time directly to the entity which is owed the payment. If failure to pay would adversely affect Lender, a request in the Property, if Lender fails to pay, Lender's request to the entity which is owed the payment to pay these payments to Lender, a request from Lender, a prompt payment demand, upon Lender's request, shall be furnished to Lender, receipt of which is acknowledged by Lender, is evidence of these payments.

If Borrower fails to make these payments required by paragraph 2, or fails to perform any other covenants and agreements contained in this Security Interest, or for any other reason, Lender may sue for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, at the Note rate, additur debt of Borrower and be secured by this Security Interest. These amounts shall bear interest from the date of disbursement, at the Note rate, and at the option of Lender, shall be immediately due and payable.

Any amounts distributed by Lender under this paragraph shall become additional debt of Borrower and be secured by this Security Interest. These amounts shall remain under the Note and this Security Interest until paid in full.

7. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in place of condemnation, are hereby assigned and shall be paid to Lender to the extent of the full amount of the Note and this Security Interest, first to any deficiency under this Security Interest in the order provided in paragraph 3, and then to prepayment of principal.

Lender shall apply such proceeds to the reduction of the Note and this Security Interest in the order provided in paragraph 2, or change the amount required to pay all outstanding indebtedness under the Note and this Security Interest in the case of such payments. Any excess proceeds over paragraph 2, or the due date of the monthly payments, which are referred to in this paragraph, shall not extend principal. Any application of the principal to the Note and this Security Interest in the order provided in paragraph 3, and then to prepayment of principal, shall be paid to Lender to the extent of the full amount of the Note and this Security Interest, first to any deficiency under this Security Interest in the order provided in paragraph 3, and then to prepayment of principal.

8. **Fees.** Lender may collect fees and charge authorized by the Secretary. Lender may collect fees and charge authorized by the Secretary.

9. **Grounds for Acceleration of Debt.**

(a) Default. Lender may, except as limited by regulations issued by the Secretary in full of all sums secured by this Security Interest, require payment of all sums secured by this Security Interest prior to or on the due date of the next monthly payment, or

(b) Sale Without Credit Approval. Lender shall, if permitted by law and with the prior approval of the Secretary, sell all or part of the Property, or a beneficial interest in a trust or partnership, or

regulate immediate payment in full of all sums secured by this Security Interest if:

(i) Borrower defaults by failing to pay in full any monthly payment required by this Security Interest prior to or on the due date of the next monthly payment, or

(ii) Borrower defaults by failing to pay in full any other obligations contained in this Security Interest, to perform any other obligations by failing, for a period of thirty days,

otherwise transferred (other than by devise or descent) by the Borrower, and

- (ii) The Property is not occupied by the purchaser or grantee as his or her principal residence, or the purchaser or grantee does so occupy the Property but his or her credit has been approved in accordance with the requirements of the Secretary.
- (c) **No Waiver.** If circumstances occur that would permit Lender to require immediate payment in full, but Lender does not require such payments, Lender does not waive its rights with respect to subsequent events.
- (d) **Regulations of HUD Secretary.** In many circumstances regulations issued by the Secretary will limit Lender's rights in the case of payment defaults to require immediate payment in full and foreclosure if not paid. This Security Instrument does not authorize acceleration or foreclosure if not permitted by regulations of the Secretary.
- (e) **Mortgage Not Insured.** Borrower agrees that should this Security Instrument and the Note secured thereby not be eligible for insurance under the National Housing Act within 60 days from the date hereof, Lender may, at its option and notwithstanding anything in paragraph 9, require immediate payment in full of all sums secured by this Security Instrument. A written statement of any authorized agent of the Secretary dated subsequent to 60 days from the date hereof, declining to insure this Security Instrument and the Note secured thereby, shall be deemed conclusive proof of such ineligibility. Notwithstanding the foregoing, this option may not be exercised by Lender when the unavailability of insurance is solely due to Lender's failure to remit a mortgage insurance premium to the Secretary.

10. Reinstatement. Borrower has a right to be reinstated if Lender has required immediate payment in full because of Borrower's failure to pay an amount due under the Note or this Security Instrument. This right applies even after foreclosure proceedings are instituted. To reinstate the Security Instrument, Borrower shall tender in a lump sum all amounts required to bring Borrower's account current including, to the extent they are obligations of Borrower under this Security Instrument, foreclosure costs and reasonable and customary attorney's fees and expenses properly associated with the foreclosure proceeding. Upon reinstatement by Borrower, this Security Instrument and the obligations that it secures shall remain in effect as if Lender had not required immediate payment in full. However, Lender is not required to permit reinstatement if: (i) Lender has accepted reinstatement after the commencement of foreclosure proceedings within two years immediately preceding the commencement of a current foreclosure proceeding, (ii) reinstatement will preclude foreclosure on different grounds in the future, or (iii) reinstatement will adversely affect the priority of the lien created by this Security Instrument.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time of payment or modification of amortization of the sums secured by Lender shall not be required to enter upon, take control of or maintain the Property before or after giving notice of breach to Borrower. However, Lender or a judicially appointed receiver may do so at any time there is a breach. Any application of rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of rents of the Property shall terminate when the debt secured by the Security Instrument is paid in full.
