40. Owner-Occupancy of Security Property. In order to induce Lender to make the loan secured by this Security Instrument. Borrower has represented to Lender that the Ironerty will be occupied by Borrower within sixty (60) days following recordation of this Security Instrument and during the twelve (12) month period immediately following recordation of this Security Instrument as Borrower's primary residence. Borrower acknowledges (a) that Lender would not have agreed to make the loan evidenced by the Note or notes seared by this Security Instrument if the Property were not to be owner-occupied, and (a) that the interest rate set fight or the face of the Note and other terms of the loan were determined as a result of Borrower's representation that the Property would be owner-occupied. Borrower further acknowledges that, among other things (i) purchasers of loans (including agencies, associations and corporations created by the federal and state governments for the purchase of loans) typically require that properties securing loans acquired by such purchasers be owner-occupied, and will reject for purchase loans for which security properties are not owner-occupied, (ii) Lender's ability to sell a loan or an interest in a loan (which it often does in the ordinary course of business) will thereby be impaired where a new ty property is not owner-occupied, (iii) the risks involved and the costs of holding and administering a loan are often higher in the case of a loan in which the security property is not owner-occupied, and (iv) if and when Lender makes a com on the security of non-owner occupied property. Lender typically makes such a loan on terms different from those of hears secured by owner-occupied properties. Accordingly, in the event that (a) within sixty (60) days following recordation of this Security Instrument the Property is not occupied by Borrower as Borrower's primary residence, or (b) Borrower does not continuously live in the Property for at least twelve (12) months immediately following recordation of this Security Instrument, Lender may declare all sums secured by this Security Instrument to be immediately due and payable. The rights of Lender nercurder shall be in addition to any rights of Lender under this Security Instrument or allowed by law.
