other acts, in addition to those acts set forth above in this section, which from the character and use of the Property are reasonably necessary to protect and preserve the Property.

DUE ON SALE - CONSENT BY LENDER. Lender may, at its option, declare immediately due and payable all sums secured by this Mortgage upon the sale or transfer, without the Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest therein; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of Real Property interest. If any Grantor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than twenty-five percent (25%) of the voting stock, partnership interests or limited liability company interests, as the case may be, of Grantor. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Illinois law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are a part of this Mortgage.

Payment. Grantor shall pay when due (and in all events prior to delinquency) all taxes, payroll taxes, special taxes, assessments, water charges and sewer service charges levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of all liens having priority over or equal to the interest of Lender under this Mortgage, except for the lien of taxes and assessments not due, and except as otherwise provided in the following paragraph.

Right To Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if requested by Lender, deposit with Lender (as) or a sufficient corporate surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantor shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantor shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, materialmen's lien, or other lien could be asserted on account of the work, services, or materials and the cost exceeds \$2,500.00. Grantor will upon request of Lender furnish to Lender advance assurances satisfactory to Lender that Grantor can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Mortgage.

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance, to the extent such insurance is required by Lender and is or becomes available, for the term of the loan and for the full unpaid principal balance of the loan, or the maximum limit of coverage that is available, whichever is less.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$1,000.00. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at its election, apply the proceeds to the reduction of the indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default hereunder. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Mortgage, then to prepay accrued interest, and the remainder, if any, shall be applied to the principal balance of the

Subsequent Taxes. If any tax to which this section applies is enacted subsequent to the date of this Mortgage, this event shall have the same effect as an Event of Default (as defined below), and Lender may exercise any or all of its available remedies for an Event of Default as provided below unless Grantor either (a) pays the tax before it becomes delinquent, or (b) contests the tax as provided above in the Taxes and Liens section and deposits with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender.

SECURITY AGREEMENT; FINANCING STATEMENTS. The following provisions relating to this Mortgage as a security agreement are a part of this Mortgage.

Security Agreement. This instrument shall constitute a security agreement to the extent any of the Property constitutes fixtures or other personal property, and Lender shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

Upon request by Lender, Grantor shall execute financing statements and take whatever other action is requested by Lender to perfect and continue Lender's security interest in the Rents and Personal Property. In addition to recording this Mortgage in the real property records, Lender may, at any time and without further authorization from Grantor, file executed counterparts, copies or reproductions of this Mortgage as a financing statement. Grantor shall reimburse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall assemble the Personal Property in a manner and at a place reasonably convenient to Grantor and Lender and make it available to Lender within three (3) days after receipt of written demand from Lender.

Unless prohibited by law or agreed to the contrary by Lender in writing, Grantor shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in this paragraph.

If Borrower pays all the Indebtedness when due, and otherwise performs all the obligations imposed upon Grantor under this Mortgage, Lender shall execute and deliver to Grantor a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Personal Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time. If, however, payment is made by Borrower, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (a) to Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (b) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (c) by reason of any settlement or comprise of any claim made by Lender with any claimant (including without limitation Borrower), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Mortgage and this Mortgage shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Mortgage or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Mortgage.

part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Lender, nor any course of dealing between Lender and Grantor or Borrower, shall constitute a waiver of any of Lender's rights or any of Grantor or Borrower's obligations as to any future transactions. Whenever consent by Lender is required in this Mortgage, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required.

GRANTOR'S LIABILITY. This Mortgage is executed by Grantor, not personally but as Trustee as provided above in the exercise of the power and the authority conferred upon and vested in it as such Trustee (and Grantor thereby warrants that it possesses full power and authority to execute this instrument). It is expressly understood and agreed that with the exception of the foregoing warranty, notwithstanding anything to the contrary contained herein, that each and all of the warranties, indemnities, representations, covenants, undertakings, and agreements made in this Mortgage on the part of Grantor, while in form purporting to be the warranties, indemnities, representations, covenants, undertakings, and agreements of Grantor, are nevertheless each and every one of them made and intended not as personal warranties, indemnities, representations, covenants, undertakings, and agreements by Grantor or for the purpose or with the intention of binding Grantor personally, and nothing in this Mortgage or in the Note shall be construed as creating any liability on the part of Grantor personally to pay the Note or any interest that may accrue thereon, or any other indebtedness under this Mortgage, or to perform any covenant, undertaking, or agreement, either express or implied, contained in this Mortgage, all such liability, if any, being expressly waived by Lender and by every person now or hereafter claiming any right or security under this Mortgage, and that so far as Grantor and its successors personally are concerned, the legal holder or holders of the Note and the owner or owners of any indebtedness shall look solely to the Property for the payment of the Note and Indebtedness, by the enforcement of the lien created by this Mortgage in the manner provided in the Note and herein or by action to enforce the personal liability of any Guarantor.

Lender: Heritage Bank

This BIWEEKLY PAYMENT RIDER is attached to and by this reference is made a part of each Deed of Trust or Mortgage, dated November 22, 1995, and executed in connection with a loan or other financial accommodations between Heritage Bank and DENNIS P. SIEBELT and KARI L. SIEBELT.

BIWEEKLY PAYMENT RIDER is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") given by the undersigned (the "Borrower") to secure Borrower's Note (the "Note") to Heritage Bank (the "Lender") and covering the property described in the Security Instrument.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. BIWEEKLY PAYMENTS

The Note provides for the Borrower's biweekly loan payments and the termination of the Borrower's right to make the biweekly payments as follows:

1. INTEREST

The interest rate required by the Note will increase 0.25% if the Note Holder exercises its option to terminate biweekly payment pursuant to Section 3(C) of this Rider.

2. PAYMENTS

My biweekly payments will be made by an automatic deduction from an account I will maintain with the Note Holder. On or before the date of this Note, I will cause the Note Holder to have in its possession my written authorization and voided check for the account from which my biweekly payments will be deducted. I will keep sufficient funds in the account to pay the full amount of each biweekly payment on the date it is due. I will not change the account from which my biweekly payments are deducted to a new account with the Note Holder without prior written consent of the Note Holder.

I understand that the Note Holder, or an entity acting for the Note Holder, may deduct the amount of my biweekly payment from the account to pay the Note Holder for each biweekly payment on the date it is due until I have paid all amounts owed under this Note.

3. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) LATE CHARGE FOR OVERDUE PAYMENTS

If the Note Holder does not receive the full amount of any biweekly payment within 5 days of the date it is due, I will pay a \$25.00 processing charge to the Note Holder. If the Note Holder has not received the full amount of any biweekly payment or monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the late charge will be 5% of my overdue payment of principal and interest. I will pay this late charge and processing charge promptly but only once on each late payment.

(B) DEFAULT

If I do not pay the full amount of my biweekly or monthly payment on the date it is due, I will be in default.

(C) CONVERSION FROM BIWEEKLY PAYMENTS

If any one of the following conditions exists, the Note Holder may increase the interest rate pursuant to Section 1 above and the amounts of future payments due under the Note and change the due date of each such payment from biweekly to monthly (this is called a Conversion):

- I fail to deliver my written authorization and voided check as required under Section 2 above;
- I fail to maintain the account I am required to maintain under Section 2 above;
- If for any reason (including but not limited to insufficient funds or unavailable funds in my account or processing errors made by an entity other than the Note Holder) the Note Holder is unable to deduct the full biweekly payment due on any three biweekly payment due dates during any twelve consecutive months of the loan term.

Upon conversion, automatic deductions will cease. All monthly payments will be due on the first day of each month and must be remitted by means other than automatic deduction. Once converted, payments can never be changed back to biweekly due dates.

The Note Holder will determine my new payments by calculating an amount sufficient to repay the balance which would be owed under the Note (assuming all payments had been made on time) at the increased interest rate in substantially equal monthly installments from the effective date of the interest rate increase to the Maturity Date. As soon as the Note Holder elects to convert payments to monthly due dates, a Conversion

Notice will be sent to me specifying the effective date of the change to monthly due dates; the amount of the new monthly payments; the new interest rate; the effective date of the interest rate increase and the aggregate amount of any past due payments. The effective date of the change to monthly due dates will, however, precede the effective date of the interest rate increase. Monthly payments which precede the effective date of the interest rate increase will be eligible for the interest rate increase, while monthly payments which precede the effective date of the interest rate increase will be ineligible for the interest rate increase.
