Recently, it has been shown that the *in vitro* growth of *S. enteritidis* is inhibited by the addition of 0.01% sodium propyl-2-hydroxyethylcarboxylate (propyl gallate) to the culture medium. The inhibition was maximum when propyl gallate was added at 0.01% concentration. Propyl gallate is a potent inhibitor of lipid peroxidation in biological membranes, rendering membrane lipoproteins less susceptible to the attack of free radicals and thus protecting against lipid peroxidation.

A particular aspect I would like to point to is that the following two approaches can complement each other: flow data toward self-tuition needed to mitigate your mistakes in the workflow, or review flow data from the past and reflect upon it to identify what you have done well and what needs improvement. The second part is to keep your mistakes at bay by learning from the flow data, rather than trying to scrub them off, which is what many people do when they see their flow data. This approach will no better nor guarantee outcome, but your decision to use the flow data analysis function, certainly, will facilitate better learning and growth.

- F. A good faith belief by Bank at any time that Bank is insecure with respect to Borrower, or any co-signer, endorser, surety or guarantor, that the prospect of any payment is impaired or that the Collateral (as herein defined) is impaired; or
 - G. Failure to pay or provide proof of payment of any tax, assessment, rent, insurance premium, escrow or escrow deficiency on or before its due date; or
 - H. A material adverse change in Owner's business, including ownership, management, and financial conditions, which in Bank's opinion, impairs the Collateral or repayment of the Obligations; or
 - I. A transfer of a substantial part of Owner's money or property.
- 10. REMEDIES ON DEFAULT.** At the option of Bank, all or any part of the principal of, and accrued interest on, the Obligations shall become immediately due and payable without notice or demand, upon the occurrence of an Event of Default or at any time thereafter. In addition, upon the occurrence of an Event of Default or at any time thereafter by Mortgagor under the Mortgage, Bank, at Bank's option, shall have the right to exercise any or all of the following remedies:
- A. To continue to collect directly and retain Rent in Bank's name without taking possession of the Property and to demand, collect, receive, and sue for the Rent, giving proper receipts and releases, and, after deducting all reasonable expenses of collection, apply the balance as legally permitted to the Note, first to accrued interest and then to principal.
 - B. To recover reasonable attorneys' fees to the extent not prohibited by law.
 - C. To declare the Obligations immediately due and payable, and, at Bank's option, exercise any of the remedies provided by law, the Note, the Mortgage or this Agreement.
 - D. To enter upon, take possession of, manage and operate all or any part of the Property, make, modify, enforce or cancel any Lease, evict any Lessee, increase or reduce Rent, decorate, clean and make repairs, and do any act or incur any cost Bank shall deem proper to protect the Property as fully as Owner could do, and to apply any funds collected from the operation of the Property in such order as Bank may deem proper, including, but not limited to, payment of the following: operating expenses, management, brokerage, attorneys' and accountants' fees, the Obligations, and toward the maintenance of reserves for repair or replacement. Bank may take such action without regard to the adequacy of the security, with or without any action or proceeding, through any person or agent, mortgagee under a mortgage, or receiver to be appointed by a court, and irrespective of Owner's possession.

The collection and application of the Rent or the entry upon and taking possession of the Property as set out in this section shall not cure or waive any default, or modify or waive any notice of default under the Note, Mortgage or this Agreement, or invalidate any act done pursuant to such notice.

The enforcement of such remedy by Bank, once exercised, shall continue for so long as Bank shall elect, notwithstanding that such collection and application of Rent may have cured the original default. If Bank shall thereafter elect to discontinue the exercise of any such remedy, the same or any other remedy under the law, the Note, Mortgage or this Agreement may be asserted at any time and from time to time following any subsequent default. The word "default" has the same meaning as contained within the Note or any other instrument evidencing the Obligations, and the Mortgage, or any other document securing, guaranteeing or otherwise relating to the Obligations.

In addition, upon the occurrence of any Event of Default, Bank shall be entitled to all of the remedies provided by law, the Note and any related loan documents. All rights and remedies are cumulative and not exclusive, and Bank is entitled to all remedies provided at law or equity, whether or not expressly set forth.

- (9) Upon Bank's request, Owner agrees, at Owner's expense, to engage a qualified environmental engineer to prepare an environmental audit of the Property and to submit the results of such audit to Bank. The choice of the environmental engineer who will perform such audit is subject to the approval of Bank.
- (10) Bank has the right, but not the obligation, to perform any of Owner's obligations under this paragraph at Owner's expense.
- (11) As a consequence of any breach of any representation, warranty or promise made in this paragraph, (a) Owner will indemnify and hold Bank and Bank's successors or assigns harmless from and against all losses, claims, demands, liabilities, damages,
