This Property is part of a condominium project known as  
This Property is in a Planned Unit Development known as

Borrower covenants that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property, and that the Property is unencumbered, except for encumbrances of record. Borrower covenants that Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to encumbrances of record.

Borrower and Lender covenant and agree as follows:

**1. Payment of Principal, Finance Charges and Other Charges.** Borrower shall promptly pay when due all amounts borrowed under the Credit Agreement, all finance charges and applicable other charges and collection costs as provided in the Credit Agreement.

**2. Funds for Taxes and Insurance.** Subject to applicable law, Lender, at Lender's option, may require Borrower to pay to Lender on the day monthly payments of principal and finance charges are payable under the Credit Agreement, until all sums secured by this Mortgage are paid in full, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments (including condominium and planned unit development assessments, if any) which may attain priority over this Mortgage, and ground rents on the Property, if any, plus one-twelfth of yearly premium installments for hazard insurance, all as reasonably estimated initially and from time to time by Lender on the basis of assessments and bills and reasonable estimates therefrom. Borrower shall not be obligated to make such payments of Funds to Lender to the extent that Borrower makes such payments to the holder of a prior mortgage or deed of trust if such holder is an institutional Lender.

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, applying said account or verifying and collecting said assessments and bills, unless Lender plus Borrower interest on the Funds and applicable law permit Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 22 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under the Credit Agreement and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, second, (in the order Lender chooses) to any finance charges, other charges and collection costs owing, and third, to the principal balance under the Credit Agreement.

**4. Prior Mortgages and Deeds of Trust; Charges; Liens.** Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage, including Borrower's covenants to make payments when due. Except to the extent that any such charges or impositions are to be paid to Lender under paragraph 2, Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Mortgage, and leasehold payments or ground rents, if any. Within five days after any demand by Lender, Borrower shall exhibit to Lender receipts showing that all amounts due under this paragraph have been paid when due.

**5. Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," floods, and such other hazards as Lender may require and in such amounts and for such periods as Lender may require. Unless Lender in writing requires otherwise, the policy shall provide insurance on a replacement cost basis in an amount not less than that necessary to comply with any coinsurance percentage stipulated in the hazard insurance policy, and the amount of coverage shall be no less than the Maximum Principal Balance plus the full amount of any lien which has priority over this Mortgage.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Mortgage.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. All insurance proceeds are hereby assigned to Lender and shall be paid to Lender to the extent of all sums secured by this Mortgage, subject to the terms of any mortgage, deed of trust or security agreement with a lien which has priority over this Mortgage. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restore or repair the Property, if it is economically feasible to do so.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Mortgage.

**6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments.** Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Mortgage is on a leasehold. If this Mortgage is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and the constituent documents.
