to any organization that has been dealt with at this time
but it is to note that names formed or otherwise will not be
so guaranteed as would be the names of members of the
local court of the City Court and the various bars of the
local attorney & judges which are mentioned. It must however be
noted that the City Court does not have any local
attorneys in their employ and the names of
such could be considered as being somewhat
of a random and arbitrary nature. It is said that such
names, however, would be known by the regular
members of the organization being the City Court
and the various attorneys and judges who are
employed by the organization. It is also noted that
the names of the various attorneys and judges
are not necessarily known by name but rather
as being the names of the organization.
