All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that horrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by purisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal

of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Perperty, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any, (e) yearly mortgage insurance premiums, if any, and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in her of the payment of mortgage insurance premiums. These items are called 'Escrow Items.' Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose a sposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in an Federal Home Loan Bank. Lender shall apply the Funds to pay the escrow items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time tharge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on (b) Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promotly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, plior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this

Security Instrument. 3. Application of Payments. Unless applicable law provides otherwise, all payments received by Leruer under paragraphs I and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2;

third, to interest due; fourth, to principal due; and last, to any late charges due under the note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If

Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the hen in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the hen in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument. Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender

If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Borrower shall be in default if any forfeiture action or proceeding, whether civil or enminal, is begun that in Lender's good rinh judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or conder's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Pioperty or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Dinder (or failed to provide Lender with any material information) in connection with the lean evidenced by the Note, including, by, not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If substantially equivalent mortgage insurance coverage is not available. Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Lender may choose to make this refund by reducing the principal owed under the Note or by making a circ is payment to Borrower.
