all amounts due from Borrower under the Note and this Security Instrument and the sale proceeds. In any lawsuit for foreclosure and sale, Lender will have the right to collect all costs and expenses of the foreclosure and sale allowed by law. This includes attorney's fees and costs of title evidence permitted by applicable law and Rules of Court, and reasonable attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction). All such sums as may come due will be secured by the lien of this Security Instrument.

Lender may require Immediate Payment In Full under this paragraph 17, if:

- (A) Borrower fails to make any payment required by the Note or this Security Instrument when it is due; or
- (B) Except in those circumstances in which federal law otherwise provides, all or any part of the Property, or any right in the Property, is sold or transferred without Lender's prior written consent (or, if Borrower is not a natural person, if a beneficial interest in Borrower is sold or transferred); or
- (C) On application of Lender, two or more insurance companies ficensed to do business in the State in which the Property is located refuse to issue policies insuring the buildings and improvements on the Property; or
- (D) Borrower fails to make any payment required by any senior deed to secure debt, security deed, deed of trust or mortgage encumbering or affecting the Property or Borrower fails to keep any other promise or agreement in any senior deed to secure debt, security deed, deed of trust or mortgage encumbering or affecting the Property; or
- (E) Borrower fails to keep any other promise or agreement in this Security Instrument within the time set forth, or if notice is set forth in this Security Instrument, then within the time set forth in the notice sent to Borrower by Lender; or
- (F) Any representation made or information given to Lender by Borrower in connection with Borrower's application for this loan is false or misleading in any material respect.
- 18. Assignment of Leases. Borrower hereby assigns to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon Lender's purice to Borrower of Borrower's breach of any covenant or agreement in this Security Instrument, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph 18, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.
- 19. Assignment of Rents. Borrower unconditionally assigns and transfers to Lender all the rents and revenues of the Property. Borrower authorizes Lender or Lender's agent(s) to collect the rints and revenues and hereby directs each tenant of the Property to pay the rents to Lender or Lender's agent(s), except that Lender shall not be entitled to collect such rents and revenues if and to the extent such rents and revenues are being collected by the holder of an assignment of rents which has priority over this Security Instrument. However, prior to Lender's notice to Borrower of Borrower's breach of any covenant or agreement in the Security Instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower. The assignment of rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of breach to Borrower, and to the extent that rents are not being collected by the holder of an assignment of rents which has priority over this Security Instrument: (i) all rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the rents of the Property; and (iii) each tenant of the Property shall pay all rents due and unpaid to Lender or Lender's agent(s) on Lender's written demand to the tenant.
