or any part of the Property to the condition of original construction, or with other conditions as Lender may approve in writing, in the event of any damage, injury or loss thereto, whether by accident or otherwise, provided, however, to the extent that Lender shall not be liable in part, the costs of such restoration or repair, (d) shall keep the Property, including improvements, fixtures, equipment, machinery and appliances thereon in good repair and shall replace fixtures, equipment, machinery and appliances on the Property when necessary to keep such items in good repair, (e) shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property, (f) shall provide for professional management of the Property by a residential rental property manager satisfactory to Lender pursuant to a contract approved by Lender in writing, unless such requirement shall be waived by Lender in writing, (g) shall generally operate and maintain the Property in a manner to ensure maximum rentals, and (h) shall give notice in writing to Lender of and, unless otherwise directed in writing by Lender, appear in and defend any action or proceeding pertaining to or affecting the Property, the security of the instruments or the rights or powers of Lender. Neither Borrower nor any tenant or other person shall remove, demolish, or alter any improvement now existing or hereafter erected on the Property or any fixture, equipment, machinery or appliance in or on the Property except when incident to the replacement of fixtures, equipment, machinery and appliances with items of like kind.

If this Instrument is on a leasehold, Borrower (i) shall comply with the provisions of the ground lease, (ii) shall give immediate written notice to Lender of any default by lessor under the ground lease or of any notice received by Borrower from such lessor of any default under the ground lease by Borrower, (iii) shall exercise any option to renew or extend the ground lease and give written confirmation thereof to Lender within thirty days after such option becomes exercisable, (iv) shall give immediate written notice to Lender of the commencement of any remedial proceedings under the ground lease by any party thereto and, if required by Lender, shall permit Lender as Borrower's attorney in fact to control and act for Borrower in any such remedial proceedings, and (v) shall within thirty days after receipt by Lender obtain from the lessor under the ground lease and deliver to Lender the lessor's estoppel certificate required thereunder, if any. Borrower hereby expressly transfers and assigns to Lender the benefit of all covenants contained in the ground lease, whether or not such covenants run with the land, but Lender shall have no liability with respect to such covenants nor any other covenants contained in the ground lease.

Borrower shall not surrender the leasehold estate and interests herein conveyed nor terminate or cancel the ground lease creating said estate and interests, and Borrower shall not, without the express written consent of Lender, alter or amend said ground lease. Borrower covenants and agrees that there shall not be a merger of the ground lease or of the leasehold estate created thereby, with the fee estate covered by the ground lease by reason of any leasehold estate or fee estate or any part of either coming into common ownership, unless Lender shall consent in writing to such merger, if Borrower shall acquire such fee estate, then this Instrument shall simultaneously and without further action be spread so as to become a lien on such fee estate.

7. USE OF PROPERTY. Unless required by applicable law or unless Lender has otherwise agreed in writing, Borrower shall not allow changes in the use for which all or any part of the Property was intended at the time this Instrument is executed. Borrower shall not initiate or acquiesce in a change in the zoning classification of the Property without Lender's prior written consent.

8. PROTECTION OF LENDER'S SECURITY. If Borrower fails to perform the covenants and agreements contained in this Instrument, or if any action or proceeding is commenced which affects the Property or title thereto or the interest of Lender therein, including, but not limited to, eminent domain, involuntary condemnation, arrangements or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearance, discharge such sum, and take such action as Lender deems necessary, in its sole discretion, to protect Lender's interest, including, but not limited to, (i) disbursement of attorney's fees, (ii) entry upon the Property to make repairs, (iii) procurement of satisfactory insurance as provided in paragraph 5 hereof, and (iv) if this Instrument is on a leasehold, exercise of any option to renew or extend the ground lease on behalf of Borrower and the curing of any default of Borrower in the terms and conditions of the ground lease.

Any amounts disbursed by Lender pursuant to this paragraph 8 with interest thereon shall become additional indebtedness of Borrower secured by this Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the rate stated in the Note unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. Borrower hereby covenants and agrees that Lender shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the indebtedness secured hereby. Nothing contained in this paragraph 8 shall require Lender to incur any expense or take any action hereunder.

9. INSPECTION. Lender may make or cause to be made reasonable entries upon and inspections of the Property.

10. BOOKS AND RECORDS. Borrower shall keep and maintain at all times at Borrower's address stated below, or such other place as Lender may approve in writing, complete and accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property and copies of all written contracts, leases and other instruments which affect the Property. Such books, records, contracts, leases and other instruments shall be subject to examination and inspection at any reasonable time by Lender. Upon Lender's request, Borrower shall furnish to Lender, within one hundred and twenty days after the end of each fiscal year of Borrower, a balance sheet, a statement of income and expenses of the Property and a statement of changes in financial position, each in reasonable detail and certified by Borrower and, if Lender shall require, by an independent certified public accountant. Borrower shall furnish, together with the foregoing financial statements and at any other time upon Lender's request, a rent schedule for the Property, certified by Borrower, showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable and the rent paid.

11. CONDEMNATION. Borrower shall promptly notify Lender of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property or part thereof, and Borrower shall appear in and prosecute actions such action or proceeding, unless otherwise directed by Lender in writing. Borrower authorizes Lender, at Lender's option, as attorney in fact for Borrower, to commence, appear in and prosecute in Lender's or Borrower's name, any action or proceeding relating to any condemnation or other taking of the Property, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking. The proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Lender, subject, if this Instrument is on a leasehold, to the rights of lessor under the ground lease.

Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to restoration or repair of the Property or to payment of the sums secured by this Instrument, whether or not then due, in the order of application set forth in paragraph 3 hereof, with the balance, if any, to Borrower. Unless Borrower and Lender otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly installments referred to in paragraphs 1 and 2 hereof or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards, proceeds, damages or claims arising in connection with such condemnation or taking as Lender may require.

12. BORROWER AND LIEN NOT RELEASED. From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Borrower, Borrower's successors or assigns or of any junior lienholder or guarantor, without liability on Lender's part and notwithstanding Borrower's breach of any covenant or agreement of Borrower in this Instrument, extend the time for payment of said indebtedness or any part thereof, reduce the payments thereon, release anyone liable on any of said indebtedness, accept a renewal note or notes therefor, modify the terms and time of payment of said indebtedness, release from the lien of this Instrument any part of the Property, take or release other or additional security interests in any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, join in an extension or subordination agreement, and agree in writing with Borrower to modify the rate of interest or period of amortization of the Note or change the amount of the monthly installments payable thereunder. Any actions taken by Lender pursuant to the terms of this paragraph 12 shall not affect the obligation of Borrower or Borrower's successors or assigns to pay the sums secured by this Instrument and to observe the covenants in Borrower contained herein shall not affect the guaranty of any person, corporation, partnership or other entity for payment of the indebtedness secured hereby, and shall not affect the lien or priority of lien hereof on the Property. Borrower shall pay Lender a reasonable service charge, together with such title insurance premiums and attorney's fees as may be incurred at Lender's option, for any such action if taken at Borrower's request.

13. FORBEARANCE BY LENDER NOT A WAIVER. Any forbearance by Lender in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any right or remedy. The acceptance by Lender of payment of any sum secured by this Instrument after the due date of such payment shall not be a waiver of Lender's right to either require prompt payment when due or to exercise any other right or to declare a default for failure to make prompt payment. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Instrument, nor shall Lender's receipt of any awards, proceeds or damages under paragraphs 5 and 11 hereof operate to cure or waive Borrower's default in payment of sums secured by this Instrument.

Instrument and the term "debt" shall be severable. If the debt or any applicable law limits the amount of interest or other charges permitted to be collected from Borrower, it is interpreted so that any charge provided for in this Instrument or in the Note, whether considered separately or together with other charges levied in connection with this Instrument and the Note violates such law, and Lender is entitled to the benefit of such law, such charge is hereby reduced to the extent necessary to eliminate such violation. The amounts, if any, previously paid to Lender in excess of the amount payable to Lender pursuant to such charge as reduced shall be applied by Lender to reduce the principal of the indebtedness evidenced by the Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all indebtedness which is secured by this Instrument or evidenced by the Note and which constitutes interest, as well as all other charges levied in connection with such indebtedness which constitute interest, shall be deemed to be allocated and spread over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest computed thereby is uniform throughout the stated term of the Note.

23. WAIVER OF STATUTE OF LIMITATIONS. Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce the Note or any other obligation secured by this Instrument.

24. WAIVER OF MARSHALING. Notwithstanding the existence of any other security interests in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Property shall be subjected to the remedies provided herein. Lender shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. Borrower, any party who consents to this instrument and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice hereof hereby waives any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

25. CONSTRUCTION LOAN PROVISIONS. Borrower agrees to comply with the covenants and conditions of the Construction Loan Agreement, if any, which is hereby incorporated by reference in and made a part of this Instrument. All advances made by Lender pursuant to the Construction Loan Agreement shall be indebtedness of Borrower secured by this instrument, and such advances may be obligatory as provided in the Construction Loan Agreement. All sums disbursed by Lender prior to completion of the improvements to protect the security of this Instrument up to the principal amount of the Note shall be treated as disbursements pursuant to the Construction Loan Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Note, unless collection from Borrower of interest at such rate would be contrary to applicable law in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment thereon.

From time to time as Lender deems necessary to protect Lender's interests, Borrower shall, upon request of Lender, execute and deliver to Lender, in such form as Lender shall direct, assignments of any and all rights or claims which relate to the construction of the Property and which Borrower may have against any party supplying or who has supplied labor, materials or services in connection with construction of the Property. In case of breach by Borrower of the covenants and conditions of the Construction Loan Agreement, Lender, at Lender's option, with or without entry upon the Property, (i) may invoke any of the rights or remedies provided in the Construction Loan Agreement, (ii) may accelerate the sums secured by this instrument and invoke those remedies provided in paragraph 21 hereof, or (iii) may do both. II. after the commencement of amortization of the Note, the Note and this Instrument are sold by Lender, from and after such sale the Construction Loan Agreement shall cease to be a part of this Instrument and Borrower shall not assert any right of set off, counterclaim or other claim or defense arising out of or in connection with the Construction Loan Agreement against the obligations of the Note and this instrument.

26. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. As part of the consideration for the indebtedness evidenced by the Note, Borrower hereby absolutely and unconditionally assigns and transfers to Lender all the rents and revenues of the Property, including those now due, past due or to become due, by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable. Borrower hereby authorizes Lender or Lender's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Lender or Lender's agents, provided, however, that prior to written notice given by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this instrument, Borrower shall collect and receive all rents and revenues of the Property as trustee for the benefit of Lender and Borrower, to apply the rents and revenues so collected to the sums secured by this instrument in the order provided in paragraph 3 hereof with the balance, so long as no such breach has occurred, to the account of Borrower, it being understood by Borrower and Lender that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this instrument, and without the necessity of Lender entering upon and taking and maintaining full control of the Property in person, by agent or by a court appointed receiver, Lender shall immediately be entitled to possession of all rents and revenues of the Property as specified in this paragraph 26 as the same become due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Borrower as trustee for the benefit of Lender only, provided, however, that the written notice by Lender to Borrower of the breach by Borrower shall contain a statement that Lender exercises its rights to such rents. Borrower agrees that commencing upon delivery of such written notice of Borrower's breach by Lender to Borrower, each tenant of the Property shall make such rents payable to and pay such rents to Lender or Lender's agents on Lender's written demand to each tenant thereof delivered to each tenant personally, by mail or by delivering such demand to each tenant, without any liability on the part of said tenant to inquire further as to the existence of a default by Borrower.

Borrower hereby covenants that Borrower has not executed any prior assignment of and rents, that Borrower has not performed, and will not perform, any act, or has not executed, and will not execute, any instrument which would prevent Lender from exercising its rights under this paragraph 26, and that at the time of execution of this instrument there has been no anticipation or prepayment of any of the rents of the Property for more than two months prior to the due dates of such rents. Borrower covenants that Borrower will not hereafter collect or accept payment of any rents of the Property more than two months prior to the due dates of such rents. Borrower further covenants that Borrower will execute and deliver to Lender such further assignments of rents and revenues of the Property as Lender may from time to time request.

Upon Borrower's breach of any covenant or agreement of Borrower in this instrument, Lender may in person, by agent or by a court appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this instrument. In the event Lender elects to seek the appointment of a receiver for the Property upon Borrower's breach of any covenant or agreement of Borrower in this instrument, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this instrument shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Borrower as lessor or landlord of the Property and then to the sums secured by this instrument. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Property by reason of anything done or left undone by Lender under this paragraph 26.

If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by this instrument pursuant to paragraph 8 hereof. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in the Note unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law.

Any entering upon and maintaining of control of the Property by Lender or the receiver and any application of rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Lender under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this instrument ceases to secure indebtedness held by Lender.
