If the Index is no longer available, the Note Helder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this oblice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate or free interest rate by adding

TWO AND THREE QUARTERS percentage point(s) ( 2.750%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.
