RECEIVED - DIRECTOR OF RECORDS - FEDERAL HOME LOAN BANK OF CHICAGO - APRIL 15, 1990

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and household payments or ground rents, if any. Borrower shall pay those obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

For example, one might have a very good reason to believe that a particular individual is guilty of a serious offense, but still not be able to prove it beyond a reasonable doubt.

8. Inspecction. Leader shall give Barron or his agent may make random audits upon any part of the organization at any time or prior to an inspection specifically requested by Barron.

Any amounts disbursed by Lender under this Paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest at the rate and form of payment, within fifteen days after receipt of notice from Lender to Borrower requesting payment.

7. Protection of Leander's Rights in the Property. All Borrower shall do to perform the obligations and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Leander's rights in the Property (such as a proceeding in bankruptcy, probate, or condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Leander's rights in the Property. Lender's actions may take action reasonably allowable, fees and entailing on the Property to make repairs. Although Lender may take action under this Paragraph 7, Lender does not have to do so.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby realigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the sum of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is repossessed by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance by Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey the Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without his consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

20. Hazardous Substances. Borrower shall not cause or permit the propagation, release, or storage on the Property of any Hazardous Substances, as defined in the Environmental Protection Agency's regulations at 40 CFR Part 302, except in accordance with applicable law.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or
any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and
Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require
immediate payment in full of all sums secured by this Security Instrument. However, this option shall not
be exercisable by Lender if: (a) such a transfer is made by Lender to its duly authorized
subsidiary or parent corporation or to another Lender; (b) such a transfer is made in accordance with
the terms of a bona fide sale of all or substantially all of the assets of Borrower to a third party; or
(c) such a transfer is made by Lender to a trust which is controlled by Lender.

15. **Governing law; Sovereignty.** This Security Instrument shall be governed by local law of the jurisdiction in which the Property is located. In the event that any provision of this Law or of the Jurisdiction in which the Property is located, in the event that any provision of this Security Instrument or the Note conflict with applicable law, such conflict shall not affect other provisions.

14. **Notice to Borrower**. Any notice to Borrower provided for in this Security Instrument shall be given by deliverying it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be delivered to the address of the Borrower set forth in the Note or in the original application for credit or otherwise to the address of the Borrower as set forth in the Note or in the original application for credit. Any notice to Borrower or lender shall be given by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or lender when given as provided in this paragraph.

ADJUSTABLE RATE RIDER

(1 YEAR TREASURY INDEX - RATE CAPS)

THIS ADJUSTABLE RATE FINDER is made this 28th day of February, 1995, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to LaSalle Financial Bank, FSB (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

1517 Laurel Oaks Dr.

Stratwood, IL 60102

Project Address: 123 Main Street, Anytown USA

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 8.8750%.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Detection

The interest rate I will pay may change on March 1, 2002, and on that day and every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

With the Editor

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new Index which is based upon comparable information. The Note Holder will give me notice of this choice.

Transfer of the Property or a Beneficial Interest in Burrower, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Burrower is sold or transferred and Burrower is not a natural person without a prior written consent, let under may, at its option, require its mandatory payment in full of all sums secured by this Security Instrument. However, this option shall not be exercisable by Burrower unless it is provided in the instrument that Burrower has the right to do so. In addition, Burrower shall not be liable for any damage or loss resulting from the exercise of this option, unless it is caused by the gross negligence or willful misconduct of Burrower.

2. When Borrower's initial fixed interest rate changes to an adjustable ratio under the terms stated in Section 4 above, Uniform Coverage 17 of the Security Instrument contained in Section B above ceases to be in effect, and the provisions of Uniform Coverage 17 of the Security Instrument contained in Section B above are read as follows:

1. **Universal Biometric**: A initial fixed integrated module that will be installed in all of the Security Infrastructure under the following:

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

The Note Holder will deliver or mail to me a notice of any change in my interest rate and the amount of my monthly payment before the date of my change. The notice will include information my monthly payment before the date of my change. The notice will include information required by law to be given me under California law.

(F) Notice of Changes
My new interest rate will become effective on each Change Date. I will pay the minimum of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Effective Use of Changes
The intergral rate I am required to pay at the start changes date will not be greater than 13,8750 % or 1033 than 3,8750 %. Therefore, my integral ratio will never be increased or decreased on any single change date by more than two percentage points. If I have been paying for the preceding twelve months, my integral ratio will never be greater than 14,8750 %, nor lower than 2,750 %.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in light of the maturity date ready to my new interest rate in substantially equal payments. The result of this calculation will be the new monthly payment that I will be required to make until the next Change Date.

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and Three / Quarters percentage points (2.75%) to the current interest rate.

(C) Calculation of Changes

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 28th day of February, 1995 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to LaSalle Talman Bank, FSB, A Corp. of the United States of America (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

1517 Laurel Oaks Dr., Streamwood, IL 60107

[PROPERTY ADDRESS]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described

In (the "Declaration"). The Property is a part of a planned unit development known as

LAUREL OAKS

[NAME OF PLANNED UNIT DEVELOPMENT]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the: (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Hazard Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts, for the periods, and against the hazards Lender requires, including fire and hazards included within the term "extended coverage," then:

(i) Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of the yearly premium installments for hazard insurance on the Property; and

(ii) Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

Borrower shall give Lender prompt notice of any lapse in required hazard insurance coverage provided by the master or blanket policy.

In the event of a distribution of hazard insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, with any excess paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.
