If enactment or expiration of applicable laws has the ethat of rendering any provision of the Note or this Security Instrument unenferceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 21 of this Security Instrument.

If this bex is checked, the following paragraph 40 is agreed to by Borrower:

40. Owner-Occupancy of Security Property. As an inducement for Lender to make the loan secured by the Security Instrument, Borrower has represented to Lender that the Property will be occupied by Borrower within sixty (60) days following recordation of the Security Instrument and during the twelve (12) month period immediately following recordation of the Security Instrument as Borrower's primary residence. Carrower acknowledges (a) that Lender would not have agreed to make the loan evidenced by the Note or notes secured by this Security Instrument (b) to Property were not to be owner occupied, and (b) that the interest rate set forth on the face of the Note and other terms of the loan were determined as a result of

Borrower's representation that the Property would be owner-occupied. Borrower-further acknowledges that, dmong other things (i) purchasers of loans (including agencies, associations and corrors icus occupied by the found and water government for hippicarto of loans) typically require that properties securing loans acquired by such purchasers of occupied, and will reject for purchasers and which security properties are not owner-occupied, (ii) Lender's ability to sell a loan or an interest in a loan (which it often does in the ordinary course of business) will thereby be impaired where a security properly is not owner occupied. (iii) the risks involved and the costs of holding and administering a loan are often higher in the case of a loan in which the security property is not owner-occupied, and (iv) if and when Lender makes a loan on the security of non-owner occupied property. Lender typically makes such a loan on terms different from those of loans secured by owner-occupied properties. Accordingly, in the event that (a) within sixty (60) days following recordation of the Security Instrument the Property is not occupied by Borrower as Borrower's primary residence, or (b) Borrower does not continuously live in the Property for at least twelve (12) months immediately following recordation of the Security Instrument, Lender may declare all sums secured by this Security Instrument to be immediately due and payable. The rights of Lender hereunder shall be in addition to any rights of Lender under this Security Instrument or allowed by law.

41. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security
