Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

**3. Application of Payments.** Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

**5. Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, to which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

9. Inspection. Under or its agent may make reasonable entries upon and inspections of the property. Landlord shall give reasonable notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at a rate Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probable, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property to make repairs. Although Lender may take action under this paragraph, Lender does not have to do so.

6. Ownership, Reservation, Maintenance and Protection of the Property; Borrower's Loan Application; Laseshold. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun against him or his spouse in any court in which he or she is named as a defendant. Borrower may cure such a default and remit late, as security instrument or Lender's security interest. Borrower may cure a default and remit late, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be liable to Lender for failing to provide Lender with any material information or statements to Lender or the Note, including, but not limited to, representations concerning Borrower's occupancy as a principal residence. If this Security Interest is on a leseshold, the Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the property, the leseshold and the fee simple interest under agreements to the merger in writing.

**10. Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

**11. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

**12. Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

**13. Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

77. **Interzodiacal Subsidiaries.** Borrower shall not cause to permit the process, sue, defend, compromise or settle any action, suit or proceeding, or do anything affecting the property that is in violation of any interzodiacal law. The preceding two subsections shall not apply to the process, sue, or settle on the property of third parties of interzodiacal law.

19. **Style of Note:** Change of Note or a part of Note to ledger with this Security instrument may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security instrument. There also may be one or more changes of the Loan Servicer and the Note and this Security instrument. The Note or a part of Note will remain valid by law.

18. Borrower's Right to Remain. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument suspended at any time prior to the earlier of (a) 5 days (or such other period as applicable law may specify) for reinstatement; or (b) entry of a judgment pursuant to any power of sale contained in this Security Instrument or (c) entry of a judgment entered into under this Security Instrument. Those conditions are (i) payment in full of all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (ii) events of default of this Security Instrument; (iii) payment in full of all expenses incurred in enforcing this agreement or agreements or agreements or (iv) payment in full of all expenses incurred in enforcing this agreement or agreements or (v) payment in full of all expenses incurred in enforcing this agreement or agreements.

19. Borrower's Right to Reinstatement. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument suspended at any time prior to the earlier of (a) 5 days (or such other period as applicable law may specify) for reinstatement; or (b) entry of a judgment entered into under this Security Instrument and the Note as if no acceleration had occurred; (c) events of default of this agreement or agreements or (d) payment in full of all expenses incurred in enforcing this agreement or agreements.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand on Borrower.

17. **Transferee of the Property or a Beneficial Interest in Borrower.** If all or any part of the property or any interest in it is sold or transferred (or if it is beneficially held) under a power of attorney or power of appointment, or if it is sold or transferred by a person who is not a natural person (such as a trust, corporation, partnership, limited liability company, or other entity), the transferee shall not be entitled to exercise if exercisable or profitably by law as of the date of this Security Instrument.

16. When you receive a copy, remember that we give one confirmed copy of the note and of this second copy.

15. **Covering Laws; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this law or of the Note contravenes applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note except to the extent necessary to conform to such law, and the provisions of this Security Instrument and the Note are declared to be severable.

14. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by deliverying it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address of any other address Borrower designates by notice to Lender. **21. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraph 17 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

## ADJUSTABLE RATE RIDER

(1 Year Treasury Index--Rate Caps)

THIS ADJUSTABLE RATE RIDER is made this 41<sup>st</sup> day of April, 1996, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to WEST LAMBERTA MORTGAGE COMPANY, A CORPORATION OF OHIO (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

14101 SOUTH BONBURY LANE, ORLAND PARK, IL 60462

[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT THE BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE THE BORROWER MUST PAY.

**ADDITIONAL COVENANTS.** In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 7.2500 %. The Note provides for changes in the interest rate and the monthly payments, as follows:

### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The interest rate I will pay may change on the first day of April, 1996, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two and Three / Quarters percentage points (2 7500 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.2500 % or less than 5.2500 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 13.2500 %.

## ANSWER

1 AUGUST 1944 - 1945  
BORTOWSKI  
(Sect 3)

EDWARD M. HALEY  
Bottower  
(See)

and 2 of this Adjustable Tie Rider.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which to pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security instrument without further notice or demand.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan extension. Lender may also require the trustee to sign an assumption agreement that is acceptable to Lender and that obligates the borrower to keep all the promises and agreements made in the Note and in this Security Instrument.

Transfer of the Property or a Beneficial Interest in Borrower, if all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security instrument, regardless of whether Lender has exercised its option to sell or transfer the property or any interest in it.

(a) Borrower ceases to be submitted to Lender information required by Lender to evaluate the financial condition of Borrower as of the date of this Security Instrument. Lender also shall not exercise this option if federal law as of the date of this Security Instrument prohibits Lender from doing so;

(b) Borrower ceases to be submitted to Lender information required by Lender to evaluate the financial condition of Borrower as of the date of this Security Instrument, unless the failure to do so is reasonably transitory as of the date of this Security Instrument.

In addition, if any provision of this Agreement or any other agreement between the parties is held to be illegal or unenforceable, such provision will be severed from the remaining provisions of this Agreement and the remaining provisions will be construed as if such provision had never been included.

U. TRANSFER OF PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(E) Effective Date of Changes

## ADDENDUM TO ADJUSTABLE RATE RIDER

### (FIXED INTEREST RATE CONVERSION OPTION)

This Addendum is made this 11th day of April , 1995 , and is incorporated into, amends and modifies the Adjustable Rate Rider (the "Rider") to the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") each dated the same date as this Addendum and given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note, as amended by the Addendum to Adjustable Rate Note, to:

WESTAMERICA MORTGAGE COMPANY, A COLORADO CORPORATION

(the "Lender") and dated the same date as this Addendum (the "Note"), covering the property described in the Security Instrument and located at:

5655 S YOSEMITE STREET, ENGLEWOOD CO. 80111

This Addendum shall supersede and control in the event of any inconsistency between this Addendum and the terms of the Note, the Security Instrument and/or the Rider.

In accordance with Section B of the Addendum to the Adjustable Rate Note, the Borrower may elect to change the interest rate and the monthly payment, as follows:

#### A. INTEREST

The last sentence of Section 2 of the Note is deleted and the following sentence is added in its place:

The interest rate required by this Section 2 and either Section 4 of the Note or Section B of this Addendum and the Addendum to the Adjustable Rate Note is the interest rate I will pay both before and after any default described in Section 7(b) of this Note.

#### B. FIXED INTEREST RATE CONVERSION OPTION

##### 1. Option to Convert to Fixed Rate

I have a "Conversion Option" which I can exercise unless I am in default or the terms of this Section B will not permit me to do so. The Conversion Option is my option to convert the interest rate I am required to pay by this Note from an adjustable rate with interest rate limits to the fixed rate calculated under Section 3 below.

Upon my notification to the Lender that I want to convert my interest rate, I have exercised my Conversion Option. The date of my notification is the "Election Date". I may exercise the Conversion Option only once and only during the period beginning with my thirteenth (13th) full monthly payment of principal and interest and ending on the fifth (5th) anniversary of the date of Note ("Conversion Period").

## 2. Conditions of Conversion Option

The Lender may approve the Conversion if the following conditions are met: (i) I must exercise my Conversion Option by notifying the Lender of my desire to convert; (ii) I may not have been in default at any time in the 12 months preceding the Election Date; (iii) on the Conversion Date, I must not be in default under the Note or the Security Instrument; (iv) by a date specified by the Lender, I must pay the Lender a conversion fee of U.S. \$250.00; (v) I must sign and postmark for return to the Lender, all documents the Lender requires in order to process the conversion request, within ten (10) calendar days of the date on which the Lender sent me the Conversion Package containing all such documents; (vi) I must qualify for the outstanding principal balance owed to the Lender based upon the Lender's then existing policy and underwriting standards for converted fixed rate loans; and (vii) the property must be occupied by me as my primary or secondary residence and exist as a legal 1-4 family residence.

## 3. Calculation of Fixed Rate

The Conversion Rate shall be equal to the Federal National Mortgage Association's required net yield as of the Election Date for:

- (a) (if the original term of the Note is greater than 15 years), 30-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus either five-eighths of one percent (.625%) or, plus one percent (1%) if the original principal balance of the Note exceeds conforming balance limits as defined by FNMA at the time of conversion.

or

- (b) (if the original term of the Note is 15 years or less), 15-year fixed rate mortgages covered by applicable 60-day mandatory delivery commitments, plus either five-eighths of one percent (.625%) or, plus one percent (1%) if the original principal balance of the Note exceeds conforming balance limits as defined by FNMA at the time of conversion.

The Lender will then round the result of this addition to the nearest one eighth of one percentage point (0.125%). If this required net yield cannot be determined because the applicable commitments are not available, the Lender will determine my Conversion Rate by using comparable information. In no event will the Conversion Rate exceed the Maximum Rate stated in Section 4(D) of the Note.

To notify Lender of my desire to convert my interest rate (exercise my Option to Convert) or to obtain information relative to the effective interest rate(s) for converted fixed rate loans, I must call the Lender at the following telephone number(s): 325-6297 (within Rochester, NY), 1-800-824-5050 (all other areas within NY State), or 1-800-843-8434 (outside of NY State).

## 4. Lien Priority

Even if I have satisfied all of the conditions described in Subsections 1, 2, and 3 above, the Lender must receive such title insurance that the Lender deems to be necessary to insure the continued first priority lien status of the Security Instrument after the Conversion Rate becomes effective. Satisfactory title insurance may be available only if I pay all amount(s) that may be secured by a lien or encumbrance on the mortgaged property that arose after the date of the Note.

## 5. New Payment Amount and Effective Date

If I exercise my Option to Convert the Lender will determine the amount of the monthly principal and interest payment that would be sufficient to repay the unpaid principal balance that I am expected to owe on the Conversion Date in full on the maturity date at the Conversion Rate in substantially equal monthly payments. The result of this calculation will be the new amount of my monthly principal and interest payment. The "Conversion Date" shall be the effective date of the Conversion Rate and will be set forth in the modification agreement that the Lender and I will execute. The Conversion Date will be no later than the first day of the third month following the Election Date.

## C. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant of the Security Instrument described in paragraph 11 of the Note is amended and modified as follows:

- (a) Unless my interest rate is converted pursuant to the conditions stated in Section B of the Addendum to the Note, Uniform Covenant 17 of the Security Instrument is described as follows:

Transfer of the Property or a Beneficial interest in Borrower. If all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

- (b) If the interest rate I am required to pay under this Note is converted to a fixed rate of interest pursuant to the terms and conditions stated in Section B in the Addendum to the Note, Uniform Covenant 17 of the Security Instrument described in Section (11a) above, shall then cease to be in effect and uniform Covenant 17 of the Security Instrument shall instead be described as follows:

Transferor of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option Lender shall give Borrower notice of acceleration. This Notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.
