every 12th month theresiter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a conclust maturity of 1 year, as made available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before each Change Date is called the "Current index."

"Current Index."

If the Index is no longer available, the Note Holder will oncore a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding **Two and Three Quarters** percentage points (2.750 %) to the Current Index. The Note Holder will the count the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would by pufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 9.875 % or less than 5.875 %. Lender may also require the transferse to sign an assumption agreement that is acceptable to Lender and that obligates the transferse to keep all the promises and agreements made in the Note and in this Security Instrument. If Lender exercises 'no option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security instrument. If Borrower falls to pay these sums prior to the expiration of this period, Lender may invoke any comedies permitted by this Security instrument without further notice or demand on Borrower.
